As You Are, After Eve Kosofsky Sedgwick Jonathan Goldberg, Eve Kosofsky Sedgwick, 2021 Come As You Are After Eve Kosofsky Sedgwick brings together two pieces of writing In the first After Eve Kosofsky Sedgwick Jonathan Goldberg assesses her legacy prompted mainly by writing about Sedgwick's work that has appeared in the years since her death in April 2009 Writing by Lauren Berlant Jane Gallop Katy Hawkins Scott Herring Lana Lin and Philomina Tsoukala are among those considered as he explores questions of queer temporality and the breaching of ontological divides Main concerns include the relationship of Sedgwick's later work in Proust fiber and Buddhism to her fundamental contribution to queer theory and the axes of identification across difference that motivated her work and attachment to it Come As You Are the other piece of writing is a previously unpublished talk Sedgwick gave in 1999 2000 It represents a significant bridge between her earlier and later work sharing with her book Tendencies the ambition to discover the something that makes queer inextinguishable In this piece Sedgwick does that by contemplating her own mortality alongside her creative engagement with Buddhist thought especially the in between states named bardos and her newfound energy for making things These were represented in a show of her fabric art Floating Columns In the Bardo that accompanied her talk a number of images of which are included in this book They feature floating figures suspended in the realization of death They are objects produced by Sedgwick made of fabric they come from her yet are discontinuous with her occupying a mode of existence that exceeds the span of human life and the confines of individual identity They could be put beside the queer transitive identifications across difference that Goldberg's essay explores

Building a Validity Argument for the Test of English as a Foreign Language™ Carol A. Chapelle, Mary K. Enright, Joan M. Jamieson, 2011-04-06 The Test of English as a Foreign Language™ TOEFL is used by more universities worldwide than any other test to assess English language proficiency for academic admission and placement decisions and to guide English language instruction This landmark volume provides a detailed description and analysis of Educational Testing Service's research and development efforts to develop a major revision of the TOEFL test The result is a book that serves as a case study of test design drawing upon theory in the complex domain of English language proficiency while attempting to meet standards of educational measurement Building a Validity Argument for the Test of English as a Foreign Language™ is distinctive in its attempt to develop a coherent story of the rationale for a test or its revision explain the research and development process and provide the results of the validation process Through its treatment of one test it expands on and tests principles and approaches to educational measurement providing an in depth integrated perspective on the overall process of test revision Moreover because the conceptual foundation and history are presented alongside the empirical studies and validity argument these sometimes disparate areas are presented in a way that demonstrates their connections an approach which represents a departure from or extension of conventional materials on test revision This volume is particularly relevant for professionals and graduate students in educational measurement applied linguistics and second language acquisition as well as anyone interested in assessment issues
