Sketches An Anthology Of Essays Art And Poetry:

Sketches Joseph C. Zinker, 2001 To all of those familiar with the Gestalt model and its many creative extensions and applications the name Joseph Zinker needs no introduction A master Gestalt therapist and a cofounder of the Gestalt Institute of Cleveland Joseph trained with Fritz Perls in the 1960 s and has been influential in the growth and development of Gestalt theory and methodology for over three decades His groundbreaking 1976 book Creative Process in Gestalt Therapy remains a best seller and classic It eloquently presents his unique contributions to the Gestalt method including dreamwork as theater the choreography of expressive movement experiment and application of the arts to psychotherapy In his most recent book In Search of Good Form Gestalt Therapy with Couples and Families Analytic Press 1998 Joseph inspires a return to Gestalt therapy with couples and families Joseph inspires a return to Gestalt therapy s roots in humanism holism and faith in the creative power of growth and integration that resides in each of us Aside from his books he has published many articles on psychotherapy the arts and the phenomenology of love In recent years his focus has been on the development of couple and family therapy He now leads workshops around the world and is well known as an engaging teacher helping and inspiring therapists and lay people alike Joseph has experienced drama and struggle in his rich life resulting in a deep compassion for his fellow man He is seen as lively and creative at times funny at others deeply moving as he lovingly reaches out to workshop participants

Body Process James I. Kepner, 2014-10-14 Traditional psychotherapy approaches focusing on working with and correcting mental events and conditions have placed little importance on the fundamentally physical nature of the person Yet many of the problems people bring to therapy are linked with or manifested in the body such as obesity psychosomatic distress chronic tension and sexual problems This book provides a therapeutic approach that addresses both the physical and mental nature of clients In this book James Kepner shows that a client s posture movements and bodily experiences are indeed relevant to therapy and he offers an insightful framework for incorporating these aspects into a therapeutic framework This comprehensive treatment explains how body work can be integrated with the aims methods and philosophy of psychotherapy offering a framework within which practitioners of different theoretical approaches can better appreciate body processes in the context of the whole person rather than as isolated events This book including an updated introduction by the author explores the range of body work in psychotherapy from the development of body awareness to intensive work with physical structure and expression And it demonstrates how this approach can be particularly effective with a range of clients including survivors of sexual abuse recovering drug addicts or alcoholics or those suffering from chronic illness

Gestalt Process Writing to C Tine van Wijk, Gestalt Process Writing to C is about the longing to communicate and connect with teachers colleagues clients students and loved ones The moment I started my Gestalt training I started Process Writing though I didn t know this was what I was doing Gestalt opened a source a stream of energy that connected me with the wisdom that had been waiting there all the time I just didn t know how to reach it Gestalt not only

taught me how to reach this wisdom but showed me how to express and contain it No matter what I did leading writing groups teaching creative Gestalt in workshops attending international conferences exploring the Jewish Renewal World I always had my notebook with me to connect with my thoughts feelings ideas frustrations longings Me and my notebook cannot be separated as we are One In this book you will find the most interesting results of my Process Writing which began in 1984 when I started my Gestalt training program You will find a complete Gestalt Process Writing to C Program to explore and write your own life story to find your own answers to such existential questions as Who am I Where do I come from Am I free to speak

Contact and Context Ty Francis, Malcolm Parlett, 2016-11-25 This collection brings together some leading figures in Gestalt coaching to take stock of the field and consider how it might move forward It covers the principles of Gestalt coaching and encourages practitioners to rethink the application of Gestalt in new ways and new settings e g leadership management and team development Individual chapters also explore radical and personal perspectives on Gestalt coaching from considering the place of embodiment to being in coaching practice and looking at the transformational micro moments of the client encounter

Even If it Costs Me My Life Stephan Hausner, 2015-06-03 Family constellations work has broadened and developed in many different fields as a method of counseling and therapy In addition to constellations in organizations and schools applying this approach to working with illness and disease has expanded the potential for healing effects in the field of medicine as well A view of transgenerational entanglements and family dynamics casts a new light on health and disease and the insights gained from constellations with illness and health problems have led to a more holistic view of those who are ill In Even if it Costs me my Life Stephan Hausner aims to provide a picture of the healing potential of systemic constellations entering into the reciprocal effects of family dynamics and illness Extensive use of case studies demonstrates this technique in action revealing how existing illnesses and pathologies are rooted within the family dynamic and setting up healing postures to facilitate growth development and direction

Embodied Relational Gestalt Michael Clemmens, 2019-07-23 An international selection of authors provide a detailed exploration of Gestalt as a somatic and relational practice Covering many aspects of this relationship the chapters include discussion of our relationships with nature the role of Eros energy in Taoism affect and methods of practice Both theoretical and practical application of an embodied relational approach to GT are presented and many chapters include case studies from the contributors own work The overall view of the book is that our bodies are inextricably embedded and co creating with the environment and that we know our body and the world through our embodiment
