hold the key to his own past [The Illusionist Brain](#) Jordi Camí,Luis M. Martínez,2024-12-03 How magicians exploit the natural functioning of our brains to astonish and amaze us How do magicians make us see the impossible The Illusionist Brain takes you on an unforgettable journey through the inner workings of the human mind revealing how magicians achieve their spectacular and seemingly impossible effects by interfering with your cognitive processes Along the way this lively and informative book provides a guided tour of modern neuroscience using magic as a lens for understanding the unconscious and automatic functioning of our brains We construct reality from the information stored in our memories and received through our senses and our brains are remarkably adept at tricking us into believing that our experience is continuous In fact our minds create our perception of reality by elaborating meanings and continuities from incomplete information and while this strategy carries clear benefits for survival it comes with blind spots that magicians know how to exploit Jordi Cam and Luis Mart nez explore the many different ways illusionists manipulate our attention making us look but not see and take advantage of our individual predispositions and fragile memories The Illusionist Brain draws on the latest findings in neuroscience to explain how magic deceives us surprises us and amazes us and demonstrates how illusionists skillfully hack our brains to alter how we perceive things and influence what we imagine **Magic in Your Cup** Runa Troy,2025-08-05 Quench Your Thirst for Liquid Magic with this Collection of Bewitching Brews Tap into the power of your coffee cocktails cocoa and other cauldron concoctions With a blend of ancient wisdom and modern mixology this book serves up stories spells and healthful discussion alongside dozens of drink recipes including cranberry infused water and cannabis tea Former bartender Runa Troy invites you to embrace the alchemy of intention one beverage at a time She introduces you to the magic inherent in each ingredient and vessel guiding you to layer these energies for potent elixirs She also teaches you how to imbue additional properties into each drop with practices like the creation of moon water This beautiful book empowers you to amplify your potion craft and turn every sip into an enchanting experience Includes a foreword by Theresa Reed aka The Tarot Lady author of Tarot No Questions Asked **Forgotten Magic** Carey Scheppner,2025-02-07 From the creator of The Dragon Mage Trilogy comes a whole new trilogy that pits technology against magic Peace had reigned for many generations and the War of Ages a battle between mech forces and living beings had largely been forgotten as had the use of magic But through an accidental discovery of an ancient mech ship Halic a gnome dedicated to the study of technology discovers the presence of mech forces on the nearby planets With some newfound friends Halic gets drawn into a mission to make others aware of the resurging threat The races must unite and revive their magical skills to combat the mechs before they take control of all living beings and potentially annihilate them completely With records virtually nonexistent and verbal stories that few believe can Halic and his companions devise a method of defeating the mechs in time One thing is certain magic had prevailed in the past and magic will desperately be needed again **Magic on the Storm** Devon Monk,2010-05-04 Allison Beckstrom is committed to her work tracing illegal spells Now there s an apocalyptic storm bearing down on Portland and
