Council for Promoting the New Evangelization to re propose the perennial truth of the Gospel The New Evangelization was the subject of the Synod of Bishops in 2012 and in 2014 Pope Francis gave his reflections on the topic in *Evangelii Gaudium* The New Evangelization draws on material presented and discussed at the conference Vatican II 50 Years On The New Evangelization organised by Leeds Trinity University on 26 29th June 2012 Part I traces the historical and theological links between the Council and the New Evangelization Part II examines the renewed understanding of the Church as a result of the Council and the extent to which it is shaped by civilization Part III analyzes the nature of the New Evangelization and its outworking in today s multifarious context of cultures religions and societies Part IV deals with the implementation of the New Evangelization by different communities and organizations and the issues this raises In the Introduction and Conclusion the editors reflect on the New Evangelization in the light of significant developments since 2012
