Edmunds.com, Phillip Reed, 2003-10-15 In the Internet age Edmunds.com has emerged as the foremost authority on buying or leasing new or used cars. A key component to learning the industry's insider secrets involved sending an Edmunds.com editor to work undercover at multiple car dealerships. That information along with knowledge gleaned from countless buying experiences and numerous dealership sources has been honed into step by step buying and leasing strategies. Many car buying books give tips and advice but this book outlines proven buying scenarios clearly explaining the consumer's course of action in simple terms. This complex and sometimes frightening process is demystified in a guide that covers the following subjects: How car buying has become easier and faster than ever before; How to choose the right car for you; New car buying strategies; Getting a used car bargain; Avoid leasing pitfalls and getting a good deal; Insuring your car for less money.

Plunkett's Retail Industry Almanac Jack W. Plunkett, 2008-12 A market research guide to the retail industry, a tool for strategic planning, competitive intelligence, employment searches or financial research. It contains trends, statistical tables and an industry glossary. It includes one page profiles of retail industry firms, companies and organizations. It also includes addresses and phone numbers.

The Unofficial Guide to Buying or Leasing a Car Donna Howell, 1998-10-09 More than just dealing with the dealership, buying or leasing a car means everything from deciding on a model, knowing when to get in on the best seasonal car deals, how to choose a great used vehicle, where to go for affordable financing and what strategies work in the negotiating process. This comprehensive authoritative book covers: The lowdown on leasing when is it the right choice; The bottom line on achieving the best price and avoiding rip offs; The inside scoop on how to evaluate options to make an informed decision.
