The Barnett Bulldogs Series Jennifer Sucevic,2021-04-27 From USA Today bestselling author Jennifer Sucevic comes a steamy enemies to lovers forced proximity new adult sports romance collection that is laugh out loud funny featuring three strong heroines and the cocky football players who fall first and hard for them King of Campus Roan King The uncrowned king of Barnett University He s like a freaking celebrity around here People by which I mean grown women actually stalk him on the internet And around campus Apparently he s god s gift to both football and the ladies I m using that term loosely All

he has to do is smile and girls fall right onto their backs before spreading their legs wide I've heard that he's already plowed his way through half the female population at Barnett My guess is that he'll work his way through the second half before he gets drafted to the NFL later this year Yeah I don't plan to be one of them The guy is nothing more than a conceited player You know the type a steroid infused meathead coasting through college on his football prowess Ugh I have three words for you avoid avoid avoid Friend Zoned Sam Harper is my best friend and has been since we were fourteen years old Unfortunately he sees himself as my unofficial big brother Which is to say that the guy is a major cock block I swear he has a sixth sense when it comes to me getting laid It's frustrating how I can be on the verge of sealing the deal when Sam will appear out of nowhere and suddenly my night is going up in a big ball of sexually frustrated flames I think the guy enjoys messing with me Why else would he take such perverse pleasure in doing it Exactly I'm thinking he needs a girlfriend Someone to preoccupy him Maybe then he'd stop trying to get in my way all the time Except I'm starting to notice things about Sam that I definitely shouldn't be noticing Like those piercing blue eyes that pin me in place Or his short blond hair that I want to drag my fingers through Not to mention those killer abs that I sometimes catch a fleeting glimpse of when he stretches next to me in class The strange feelings that have sprung up in me are definitely starting to freak me out I mean we're friends We've always been just friends And I don't want that to change One Night Stand Liam The moment she stepped foot through the door she was on my radar How could she not be The woman is absolutely gorgeous Thick inky black hair and a sweetly curved body Although I have to admit this hole in the wall dive bar doesn't exactly seem like her scene For one she's wearing too much clothing Two she's shooting down every guy that sniffs around her table like it's her sole mission in life Casualties are scattered across the beer stained floor as we speak And three my guess is that she's a little older than the usual college aged crowd that hangs out here looking for a hookup to stumble home with at the end of the night After a careful assessment of the situation my current plan of action is to keep my sights firmly locked on the target as I bide my time nursing a beer Luckily it doesn't take long for some drunken idiot to give me the perfect opportunity to step in and run interference If You Were Mine Know what happens when you don't bother dating all through college because you're much too busy trying to stay on top of your classes I'll give you a little hint It starts with the letter V and ends with irginity Ding ding ding nailed it Well at least something got nailed Because it certainly wasn't me Just to be clear it's not like I've been holding out all these years waiting around for Mr Perfect to ride in and sweep me off my feet Nor did I take a sacred vow of chastity It just kind of happened or didn't happen as the case may be Know what's even worse than that Wait for it Having the bad boy of the NFL who also happens to be one of my brother's teammates offer to take care of that pesky little problem for me Which is downright laughable because if there's one person I'm barely able to tolerate it's JT Higgins He may be amazing out on the field but he's even more notorious for his bar brawls drunken antics and the women who flock to him in droves It goes without saying that he's keeping some clinic in business with swab tests and penicillin I've had three long

years of practice shutting down his every advance So ignoring him should be a piece of cake right Wrong King of Campus I loved the chemistry between Roan and Ivy Their connection and how their relationship developed was just too good Bookabulary GoodReads Roan and Ivy are wonderful separate and better together Melanie GoodReads I thought this was one of the best written of any college football player romance I ve read Karen GoodReads You know those books that just make you all warm and fuzzy and happy inside because the couple soon to be couple is just so stinking cute Yup this is one of them Kortney GoodReads Jennifer does it again I have found a new book boyfriend in Roan King Emma GoodReads Friend Zoned I loved the chemistry between Roan and Ivy Their connection and how their relationship developed was just too good Bookabulary GoodReads Roan and Ivy are wonderful separate and better together Melanie GoodReads I thought this was one of the best written of any college football player romance I ve read Karen GoodReads You know those books that just make you all warm and fuzzy and happy inside because the couple soon to be couple is just so stinking cute Yup this is one of them Kortney GoodReads Jennifer does it again I have found a new book boyfriend in Roan King Emma GoodReads One Night Stand I loved the chemistry between Roan and Ivy Their connection and how their relationship developed was just too good Bookabulary GoodReads Roan and Ivy are wonderful separate and better together Melanie GoodReads I thought this was one of the best written of any college football player romance I ve read Karen GoodReads You know those books that just make you all warm and fuzzy and happy inside because the couple soon to be couple is just so stinking cute Yup this is one of them Kortney GoodReads Jennifer does it again I have found a new book boyfriend in Roan King Emma GoodReads If You Were Mine I loved this book All her books really Andrea GoodReads There s just something about a bad boy and a brother s best friend that sucks you in TJ is just so drool worthy Shelley GoodReads This story gives you all the feels of a sports romance with the added enemies to lovers vibe that is just the right mix to keep you wanting more Shelley GoodReads I m such a sucker for them Claire and JT are so cute there s no way you can t love them Kortney GoodReads I loved the thin line between love and hate I felt their connection and now much JT really cared for her Jennifer GoodReads Keywords Sports romance alpha male Sports romance books Football romance Enemies to lovers Friends to lovers Forced proximity College university romance College romance College sports romance Virgin romance He falls first College hockey romance College football romance humor laugh sexy swoony Off limits romance Campus Series Claremont Cougars Barnett Bulldogs Romance book Best seller New release Swoon Funny love friends Hate to Love You King of Campus Campus Player playboy romance series steamy spicy hot hot romance sparks fly new adult new adult sports romance found family second chance athlete good girl bad boy opposites attract reformed player football player student girl next door secret crush secret relationships cinnamon roll hero box set collection Readers also enjoyed books by Natasha Madison Kristen Callihan Anna Todd Nana Malone Sarina Bowen LJ Shen Lucy Score Elle Kennedy Helena Hunting Rebecca Jenshak Gina Azzi Jamie Davenport Hannah Grace Piper Lawson Cathryn Fox Ember Leigh J H Croix Colleen Hoover Vivian Wood Meghan Quinn Liz Tomforde Megan
