Droits Judiciaires en Europe

Marcel Storme,2003 Procedural law is of vital importance in Europe Nowadays people and companies that intend to settle in Europe still are being confronted with a huge amount of different national procedures and a hallucinating number of

regulations in the procedural field Just consider the different procedural costs strict time limits prescription periods notices of appeal Unlike other branches of law historical or cultural impediments to the harmonisation of European procedural laws play a far more inferior role than technical aspects Eventually all comes down to the question How can one lead a case to a

result on a fast way and without high costs In this publication Europe s leading proceduralists share their views on the approximation of procedural laws A specific in depth analysis is made concerning enforcement summary proceedings fast

track proceedings and complex litigation In 4 languages English Dutch French and German
