Slang and Its Analogues Past and Present William Ernest Henley, 1903 *Slang and Its Analogues Past and Present* John Stephen Farmer, 1903 *Slang and Its Analogues Past and Present: Rea. to Stozzle* John Stephen Farmer, 1903 **The Smithfield Bargain** Rachelle Edwards, 1980-01-01 **The Smithfield Bargain** Jo Ann Ferguson, 2015-03-17 Romaine Smithfield knows she is acting out of hand when she agrees to elope with her admirer Bradley Montcrief But how could she have guessed their carriage would be attacked as soon as they crossed the Scottish border Sure Bradley is dead she is shocked to be rescued from the highwaymen by Major James MacKinnon who has his own reasons for being out on a moonless night He is pursuing a traitor who has sold out Britain to the French He turns his attention to Romaine and takes her to where she can be safe his home When her maid arrives to take Romaine home she insists that a duke's granddaughter cannot return from an elopement without a husband James must marry her After all they spent a night together when he rescued her When he agrees Romaine is astounded until he tells her that he has arranged for a fake ceremony He needs to go to England to catch his prey and taking her home to her grandfather gives him the excuse he needs Now it is her turn to agree but nothing goes as they plan Neither of them guessed someone wants Romaine dead in a plot that began when she was only a baby or that a marriage of convenience can become very inconvenient when true love gets in the way *Women, Work & Sexual Politics in Eighteenth-century England* Bridget Hill, 1994 In this fundamental reassessment of women's experience of work in eighteenth century England Bridget Hill examines how and to what extent industrialization improved the overall position of women and the opportunities open to them Focusing on the most important unit of production the household Dr Hill examines women's work not only in housework but also in agriculture and manufacturing and reveals what women lost as the household's independence as a unit of economic production was undermined Considering the whole range of activities in which women were involved the increasing sexual division of labour is charted and its implications highlighted The final part of the book considers how the changing nature of women's work influenced courtship marriage and relations between the sexes **Women, Work And Sexual Politics In Eighteenth-Century England** Bridget Hill, 2005-08-04 The author offers a reassessment of how women's experience of work in 18th century England was affected by industrialization and other elements of economic social and technological change This study focuses on the household the most important unit of production in the 18th century Hill examines the work done by the women of the household not only in housework but also in agriculture and manufacturing and explains what women lost as the household's independence as a unit of economic production was undermined Considering the whole range of activities in which women were involved including many occupations unrecorded in censuses which have therefore been largely ignored by historians Hill charts the increasing sexual division of labour and highlights its implications She also discusses the role of service in husbandry and apprenticeship as sources of training for women and the consequences of their decline The final part of the book considers how the changing

nature of women's work influenced courtship marriage and relations between the sexes Among the topics discussed are the importance of the women's contribution to setting up and maintaining a household labouring women's attitudes to marriage and divorce and the customary alternatives to them and the role of spinsters and widows The author concludes by asking to what extent the industrial revolution improved the overall position of women and the opportunities open to them This series aims to re-establish women's history and to challenge the assumptions of much mainstream history Focusing on the modern period and encouraging perspectives from other disciplines it seeks to concentrate upon areas of focal importance in the history of Britain and continental Europe Bridget Hill is the author of *Eighteenth Century Women An Anthology* and *The First English Feminist* [Select British Classics](#) ,1803 **Connoisseur** Lionel Thomas Berguer,1823 [Lean's Collectanea](#) Vincent Stuckey Lean,1902 *Lexicon Balatronicum* Francis Grose,1811 **A Dictionary of Buckish Slang, University Wit and Pickpocket Eloquence** Francis Grose,1811 *The Dictionary of the Vulgar Tongue* Francis Grose,2014-04-01 Do you know your abbeys from your elbowshaker Originally printed as a guide to street slang for men of quality this reference guide will enrich your vocabulary with vulgar witticisms fashionable more than 200 years ago The avowed purpose of this dictionary was to give men of fashion an insight into the inappropriate language of the street Read in modern times it is by turn uproariously funny and deeply confusing and yet certain truths have remained the need for the mot juste has not diminished Many of the words should be brought back into common parlance forthwith we have no term for the admiral of the narrow seas one who from drunkenness vomits into the lap of the person sitting opposite to him We have perhaps less use for a word for dobin rig or Stealing ribbons from haberdashers early in the morning or late at night generally practised by women in the disguise of maid servants Learn how the Georgians and early Victorians would insult each other and find out how some of today's words and derivations have come about in this quirky little volume [Lexicon Balatronicum.
