hardly do better than use the words of the biographer himself To write the life of him who excelled all mankind in writing the lives of others and who whether we consider his extraordinary endowments or his various works has been equalled by few in any age is an arduous and may be reckoned in me a presumptuous task But as I had the honour and happiness of enjoying Dr Johnson s friendship for upwards of twenty years as I had the scheme of writing his life constantly in view as he was well apprised of this circumstance and from time to time obligingly satisfied my inquiries by communicating to me the incidents of his early years and as I have spared no pains in obtaining materials concerning him I flatter myself that few biographers have entered upon such a work as this with more advantages independent of literary abilities in which I am not vain enough to compare myself with some great names who have gone before me in this kind of writing The Life was a signal success at the time of its publication and even yet is unrivalled in the field of biography Boswell latterly resided permanently in London and was proprietor of and principal contributor to the London Magazine He died in his house in Great Portland Street on May 19 1795 For more eBooks visit www.kartindo.com **From the Life of Samuel Johnson, LL.D** James Boswell,1995-01-01

James Boswell,1793 [The Life of Samuel Johnson, Vol. 3 of 4 \(Classic Reprint\)](#) James Boswell,2018-01-30 Excerpt from The Life of Samuel Johnson Vol 3 of 4 He praised the ladies of the present age insisting that they were more faithful to their husbands and more virtuous in every respect than in former times because their under standings were better cultivated It was an undoubted proof of his good sense and good disposition that he was never querulous never prone to inveigh against the present times as is so common when superficial minds are on the fret On the contrary he was willing to speak favourably of his own age and indeed maintained its superiority in every respect except in its reverence for government the relaxation of which he imputed as its grand cause to the shock which our monarchy received at the Revolution though necessary and secondly to the timid concessions made to faction by successive administrations in the reign of his present Majesty I am happy to think that he lived to see the Crown at last recover its just uence About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Life of Samuel Johnson, LL.
