Social Development And Social Welfare Asian Experiences:

Social Development in Asia Kwong-leung Tang, 2012-12-06 Most Asian countries have shown a strong commitment to rapid economic development. Economists have argued that the fruits from economic development will be spread equitably throughout the population. In the absence of a strong tradition of social rights, social development in Asia has long been taken for granted. This collection documents social development in the Asian countries of China, Hong Kong, Taiwan, South Korea, Thailand, and India, and concludes that social development has lagged behind economic development. This has given rise to distorted development in many countries. Serious development problems of poverty and inequalities have lingered even in these economically advanced countries of Hong Kong, Taiwan, and Singapore. These problems have been exacerbated in the wake of the Asian economic crisis. In order to harmonize social development with economic growth, Asian states ought to be more proactive in their development agendas. As a text on social development in Asia, this book is primarily intended for practitioners and students of social work, social administration, and social policy. It is also relevant for students and practitioners of sociology, economics, and public policy. *Social Development And Social Policy: International Experiences And China's Reform* Dongtao Qi, Lijun Yang, 2016-10-27 Social policy reforms driven by profound social changes have been a popular and pressing topic worldwide in recent years in both policy and academic circles. In this book, prominent social policy scholars from Europe, North America, and Asia discuss the history of social policies, compare different social development models, and analyze the challenges facing these economies' social policy reforms. The book provides comprehensive and comparative perspectives and updated data on social development and social policy reforms in the world's major economies and particularly in mainland China. **Social Welfare and Social Development in the New Millennium**, 2001

Transforming the Developmental Welfare State in East Asia H. Kwon, 2016-04-19 Since the economic crisis of 1997, there have been significant social policy reforms in East Asia. It also analyzes the political dynamics of social policy in which economic imperatives for social reform were transformed into social policy reform. *Social Welfare and Social Development* Enid Hill, 1997 China's Social Welfare Joe C.
