Simons,2009-04-06 **Social Forces in American History** Algie Martin Simons,1912 **Social Forces in American History (Classic Reprint)** Algie Martin Simons,2016-08-18 Excerpt from Social Forces in American History It has seemed to me that these underlying social forces are of more importance than the individuals that were forced to the front in the process of these struggles or even than the laws that were established to record the results of the conflict In short I have tried to describe the dynamics of history rather than to record the accomplished facts to answer the question Why did it happen As well as What happened An inquiry into causes is manifestly a greater task than the recording of accomplished facts It is certain that I have made some mistakes probably a great many in analyzing the underlying forces of so complex a thing as American social development The finding of such mistakes will prove nothing as to the method save that the leisure of ten very busy years in the life of one individual is all too short a time in which to trace to their origin the multitude of forces that have been operating in American history About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Social Forces in American History** HardPress,Simons A M 1870-1950,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Social Forces in American History** Frederick Jackson Turner,1911
