Social History Problems Strategies And Methods:

Social History Miles Fairburn, 1999-05-26 Drawing examples from some of the classic works in the discipline Miles Fairburn examines the nature varieties schools and evolution of social history Intended for advanced students and practising social historians who see social history as a problem solving discipline the methodological problems examined include the absence of social categories fragmenting evidence the appraisal of rival explanations the use of socially constructed evidence to substantiate claims about realities how to avoid presentism and when its practice is justifiable how to distinguish important causes and how to tell similarities from differences **A Social History of Christian Origins** Simon J. Joseph, 2022-12-30 A Social History of Christian Origins explores how the theme of the Jewish rejection of Jesus embedded in Paul's letters and the New Testament Gospels represents the ethnic social cultural and theological conflicts that facilitated the construction of Christian identity Readers of this book will gain a thorough understanding of how a central theme of early Christianity the Jewish rejection of Jesus facilitated the emergence of Christian anti Judaism as well as the complex and multi faceted representations of Jesus in the Gospels of the New Testament This study systematically analyzes the theme of social rejection in the Jesus tradition by surveying its historical and chronological development Employing the social psychological study of social rejection social identity theory and social memory theory Joseph sheds new light on the inter relationships between myth history and memory in the study of Christian origins and the contemporary re construction of the historical Jesus A Social History of Christian Origins is primarily intended for academic specialists and students in ancient history biblical studies New Testament studies Religious Studies Classics as well as the general reader interested in the beginnings of Christianity **Social Regulation: Case Studies from Tibetan History**, 2016-09-27 In Social Regulation Case Studies from Tibetan History the editors Jeannine Bischoff and Saul Mullard present a collection of studies of the mechanisms that regulated Tibetan societies from the 17th to the 20th centuries Social regulations controlled shaped and perpetuated Tibetan societies but close analyses of these historical processes are rarely to be seen in event history writing The contributions to this volume explore the theme of social regulation from the perspectives of religion politics and administration while addressing issues of morals and values Covering a wide range of Tibetan societies the geographical scope of this volume extends from the Central Tibetan area to the southeastern Tibetan borderlands and the Himalayan kingdoms of Nepal and Sikkim Contributors are Alice Travers Berthe Jansen Charles Ramble Fernanda Pirie Jeannine Bischoff Kalsang Norbu Gurung Kensaku Okawa Nyima Drandul Peter Schwieger Saul Mullard Yuri Komatsubara **Undergraduate Research in History** Molly Todd, 2022-03-30 Undergraduate Research in History offers a blend of theory and practice for undergraduate researchers in history relevant to new routines of the digital age Explaining how research conducted by undergraduate students fits into the broader contexts of the discipline of history and the expanding realm of undergraduate research this book presents the major phases of substantive research projects and offers practical advice for work in specific historical

areas as well as in interdisciplinary projects The volume addresses key issues facing researchers including finding relevant sources funding research projects and sharing results with diverse audiences Supported by dozens of examples of real world undergraduate research projects this book is an indispensable reference for any student embarking on historical research and for professors guiding and collaborating with undergraduate researchers *History , Studying History* Jeremy Black,Donald MacRaild,2017-03-06 This best selling guide will help you get to grips with the larger themes and issues behind historical study while also showing you how to formulate your own ideas in a clear analytical style Fully updated throughout further advice on using web based sources and avoiding plagiarism will equip you with the tools you need to succeed on your course *Living History Museums* Scott Magelssen,2007-02 Living History Museums Undoing History Through Performance examines the performance techniques of Living History Museums cultural institutions that merge historical exhibits with costumed live performance Institutions such as Plimoth Plantation and Colonial Williamsburg are analyzed from a theatrical perspective offering a new genealogy of living museum performance *The Oxford Handbook of the History of Crime and Criminal Justice* Paul Knepper,Anja Johansen,2016-04-15 The historical study of crime has expanded in criminology during the past few decades forming an active niche area in social history Indeed the history of crime is more relevant than ever as scholars seek to address contemporary issues in criminology and criminal justice Thus The Oxford Handbook of the History of Crime and Criminal Justice provides a systematic and comprehensive examination of recent developments across both fields Chapters examine existing research explain on going debates and controversies and point to new areas of interest covering topics such as criminal law and courts police and policing and the rise of criminology as a field This Handbook also analyzes some of the most pressing criminological issues of our time including drug trafficking terrorism and the intersections of gender race and class in the context of crime and punishment The definitive volume on the history of crime The Oxford Handbook of the History of Crime and Criminal Justice is an invaluable resource for students and scholars of criminology criminal justice and legal history **What is Microhistory?** Sigurður Gylfi Magnússon,István M. Szi jártó,2013-05-29 This unique and detailed analysis provides the first accessible and comprehensive introduction to the origins development methodology of microhistory one of the most significant innovations in historical scholarship to have emerged in the last few decades The introduction guides the reader through the best known example of microstoria The Cheese and the Worms by Carlo Ginzburg and explains the benefits of studying an event place or person in microscopic detail In Part I Istv n M Szi j rt examines the historiography of microhistory in the Italian French Germanic and the Anglo Saxon traditions shedding light on the roots of microhistory and asking where it is headed In Part II Sigur ur Gylfi Magn sson uses a carefully selected case study to show the important difference between the disciplines of macro and microhistory and to offer practical instructions for those historians wishing to undertake micro level analysis These parts are tied together by a Postscript in which the status of microhistory within contemporary historiography is examined and its possibilities for the

future evaluated What is Microhistory surveys the significant characteristics shared by large groups of microhistorians and how these have now established an acknowledged place within any general discussion of the theory and methodology of history as an academic discipline **The Field** Douglas Booth,2007-05-07 2006 North American Society for Sports History Book of the Year The literature on sport history is now well established taking in a wide range of themes and covering every activity from aerobics to zorbing However in comparison to most mainstream histories sport history has rarely been called upon to question its foundations and account for the basis of its historical knowledge In this book Booth offers a rigorous assessment of sport history as an academic discipline exploring the ways in which professional historians can gather materials construct and examine evidence and present their arguments about the sporting past Part 1 examines theories of knowledge while Part 2 goes on to scrutinize the uses of historical knowledge in popular and academic studies of sport history With clear structure examples summary tables and a detailed glossary The Field provides students teachers and researchers with an unparalleled resource to tackle issues fundamental to the future of their subject and sets the agenda for the debate to come Piety and Privilege Tom O'Donoghue,Judith Harford,2021-11-24 For centuries the Catholic Church around the world insisted it had a right to provide and organize its own schools It decreed also that while nation states could lay down standards for secular curricula pedagogy and accommodation Catholic parents should send their children to Catholic schools and be able to do so without suffering undue financial disadvantage Thus from the Pope down the Church expressed deep opposition to increasing state intervention in schooling especially during the nineteenth century By the end of the 1920s however it was satisfied with the school system in only a small number of countries Ireland was one of those There the majority of primary and secondary schools were Catholic schools The State left their management in the hands of clerics while simultaneously accepting financial responsibility for maintenance and teachers salaries During the period 1922 1967 the Church unhindered by the State promoted within the schools practices aimed at the salvation of souls and at the reproduction of a loyal middle class and clerics The State supported that arrangement with the Church also acting on its behalf in aiming to produce a literate and numerate citizenry in pursuing nation building and in ensuring the preparation of an adequate number of secondary school graduates to address the needs of the public service and the professions All of that took place at a financial cost much lower than the provision of a totally State funded system of schooling would have entailed Piety and Privilege seeks to understand the dynamic between Church and State through the lens of the twentieth century Irish education system **Historiography: Culture** Robert M. Burns,2006 This collection aims to enable the reader to disentangle some of the ambiguities and confusions which have characterized the use of the term historiography **The Pursuit of History** John Tosh,2015-02-11 This classic introduction to the study of history invites the reader to stand back and consider some of its most fundamental questions what is the point of studying history How do we know about the past Does an objective historical truth exist and can we ever access it In answering these central questions John Tosh argues that

despite the impression of fragmentation created by postmodernism in recent years history is a coherent discipline which still bears the imprint of its nineteenth century origins Consistently clear sighted he provides a lively and compelling guide to a complex and sometimes controversial subject while making his readers vividly aware of just how far our historical knowledge is conditioned by the character of the sources and the methods of the historians who work on them The sixth edition has been revised and updated with key new material including a brand new chapter on public history sections on digitised sources and historical controversy discussion of topics including transnational history and the nature of the archive an expanded range of examples and case studies a comprehensive companion website providing valuable supporting material study questions and a bank of primary sources Lucid and engaging this edition retains all the user friendly features that have helped to make this book a favourite with both students and lecturers including marginal glosses illustrations and suggestions for further reading Along with its companion website this is an essential guide to the theory and practice of history The Shaping of History

Judith Binney,2021-05-07 The writing of history will only flourish if there is a vehicle for its publication such was Sir Keith Sinclair s vision when he founded The New Zealand Journal of History in 1967 Since then the journal has been the conduit for a flow of remarkable history writing The Shaping of History brings together a selection of essays from its first 30 years by some of the nation s best known historians including Judith Binney Tipene O Regan Claudia Orange Barbara Brookes Alan Ward Jock Phillips and Jamie Belich Their sharp analysis and great storytelling make the collection an essential resource for understanding how New Zealand history is shaped **The Nature of History Reader** Keith Jenkins,Alun Munslow,2004

The question of what the nature of history is is a key issue for all students of history It is recognized by many that the past and history are different phenomena and that the way the past is actively historicized can be highly problematic and contested **Fashioning History** R. Berkhofer,2008-12-08 This book offers historians and aspiring historians a learned

absorbing and comprehensive overview of current fashions of method interpretation and meaning in the context of postmodernism that has washed over the historical profession in the last two decades World-Builders on World-Building

Mark J.P. Wolf,2020-05-12 With contributions from a distinguished group of world builders including academics writers and designers this anthology of essays describes the process and discusses the nature of subcreation and the construction of worlds From Oz to MUD Walden to Rockall all the worlds featured in this volume share one thing in common they began in someone s imagination grew from there and became worlds built with the assistance of multiple authors and a variety of different ideas and media including designs imagery sound music stories and more The book examines this development with examples and discussions pertaining to the process and the final product of the building of imaginary worlds including some transmedial worlds World Builders on World Building is a fascinating deep dive into the practical problems of world building as well as its theoretical aspects It is ideal for students scholars and even practitioners interested in media studies game studies subcreation studies franchise studies transmedia studies and pop culture **Mastery and Lost Illusions**

Włodzimierz Borodziej, Stanislav Holubec, Joachim Puttkamer, 2014-10-15 This volume highlights the specific experiences and challenges of modernity in twentieth century Eastern and Central Europe Contributors ask how spatial and temporal conditions shaped the region's transformation from a rural to an urban industrialized society in this period and investigate the state's role in the mastery of space particularly in the context of state socialism The volume also sheds light on the ruralization of cities and mutual perceptions of the rural and urban populations in this region *Deconstructing Sport History* Murray G. Phillips, 2012-02-01 This groundbreaking collection challenges the accepted principles and practices of sport history and encourages sport historians to be more adventurous in their representations of the sporting past in the present Encompassing a wide range of critical approaches leading international sport historians reflect on theory practice and the future of sport history They survey the field of sport history since its inception examine the principles that have governed the production of knowledge in sport history and address the central concerns raised by the postmodern challenge to history Sharing a common desire to critique contemporary practices in sport history the contributors raise the level of critical analysis of the production of historical knowledge provide examples of approaches by those who have struggled with or adapted to the postmodern challenge and open up new avenues for future sport historians to follow **Comparative Histories of Crime** Barry Godfrey, Clive Emsley, Graeme Dunstall, 2013-01-11 This book aims to both reflect and take forward current thinking on comparative and cross national and cross cultural aspects of the history of crime Its content is wide ranging some chapters discuss the value of comparative approaches in aiding understanding of comparative history and providing research directions for the future others address substantive issues and topics that will be of interest to those with interests in both history and criminology Overall the book aims to broaden the focus of the historical context of crime and policing to take fuller account of cross national and cross cultural factors
