Society & Culture , *Theoretical Sociology* Seth Abrutyn, Kevin McCaffree, 2021-03-30 Since Durkheim's influential work a century ago sociological theory has been among the most integrative and useful tools for social scientists across many

disciplines Sociological theory has nevertheless due to its usefulness expanded so very broadly that some wonder whether the concept of general theory or even the attempt to link middle range theories is still of any use This book a collection of top theorists reflecting on the present and future of the craft addresses this most important question Taking their lead from Jonathan Turner s important recent work and drawing on their own broad experience Seth Abrutyn and Kevin McCaffree have organized the chapters in this book from the general integrative and review focused bookend chapters to more specific chapters on innovations in theory construction at the micro meso and macro levels Moreover the book s microsociological content on interpersonal violence solidarity identity and emotion coheres with chapters in mesosociological dynamics on class education and networks which in turn integrate with the chapters on inequality justice morality and cultural evolution found in the section on macrosociology The distinguished contributors share a distinct commitment to the development innovation and relevance of general sociological theory This volume is an invaluable sourcebook for advanced students and social science faculty interested in understanding how sociological theory s past and present are informing its future The Production of Reality Jodi O'Brien,1997 Institutions in Modern Society Jeffrey E. intensity of empty nest syndrome or asking whether parents marital satisfaction increases or decreases in this phase the authors present rich qualitative data from across Poland and France to show that there is great variation in how families experience the empty nest developing both a study on intimacy and love and on family solidarity Throughout the book themes of mixed emotions nuanced attitudes contradictions and dissonance are explored while shedding light on supporting actors of the empty nest transition such as family pets and material objects
