Social Issues In Hong Kong:

Social Issues in Hong Kong Geoffrey H. Blowers, 1990 **Social Issues in Hong Kong** Benjamin K. P. Leung, 1990 This collection of essays critically examines the major social issues in Hong Kong. The topics covered include the distribution of power in society, political development and democratization, community politics, poverty, sexual inequality and the working environment, collective violence, ageing, pornography and mental illness. The authors, all members of the teaching staff at the University of Hong Kong, bring to the discussion of these topics their expertise in a variety of fields: psychology, sociology, social work and psychiatry.

Social Issues and Public Policy Amelie Novak, 2024-07-29 Unveil the intricate political landscape of Hong Kong with *Political Structure and Governance*, a comprehensive guide to understanding the city's unique political framework. This book is an essential resource for anyone interested in the complex interplay between Hong Kong's legal system, its Basic Law, and the innovative One Country Two Systems framework that underpins its governance. At the heart of Hong Kong's political structure is the Basic Law, a constitutional document that delineates the city's legal and administrative functions. This book offers an in-depth analysis of the Basic Law, exploring its origins, its provisions, and its role in shaping Hong Kong's legal landscape. Readers will gain a nuanced understanding of how this vital document operates as the cornerstone of Hong Kong's autonomy within the People's Republic of China. The One Country Two Systems principle is another critical element discussed in detail. This framework, designed to maintain Hong Kong's economic and administrative systems distinct from those of mainland China, presents a unique governance model. The book examines how this principle has been implemented, its successes, and the ongoing challenges it faces. Through a detailed exploration, readers will appreciate the delicate balance required to maintain this dual system of governance. *Political Structure and Governance* also delves into the legal system of Hong Kong, renowned for its robustness and adherence to the rule of law. The book provides insights into the judiciary's role, the structure of the courts, and the legal traditions inherited from its British colonial past. This section elucidates how Hong Kong's legal system functions as a guardian of rights and freedoms, ensuring justice and maintaining public confidence. Furthermore, the book addresses the political dynamics that influence governance in Hong Kong. It explores the roles of the Executive, Legislative, and Judicial branches of government, offering a detailed examination of their interplay. Readers will learn about the Chief Executive's responsibilities, the Legislative Council's legislative process, and the judiciary's independence. The challenges facing Hong Kong in maintaining its autonomy are also a focal point. This includes the pressures from mainland China, the socio-political movements advocating for greater democratic freedoms, and the international community's reactions.

Contemporary Social Issues in East Asian Societies: Examining the Spectrum of Public and Private Spheres Merviö, Mika Markus, 2014-01-31 While the balance between private and public sectors are based primarily on the experiences of the wealthy societies in Western Europe and North America, the global reach and increased political weight of East Asian economies is bound to influence other societies as well. *Contemporary Social Issues in East*

Asian Societies Examining the Spectrum of Public and Private Spheres focuses on modern highly developed East Asian societies and their social issues particularly ones that are related to family institution and health By examining the modernized global society and its connectedness this book is a vital resource for researchers students and academicians interested in the distinctive features connected with local social and cultural traditions of East Asian society

Irwin, 2003 Selected Contents 1 The Scientific Method Social Science and Policy Analysis 2 Defining the Problem 3 Generating Potential Courses of Action 4 Cost Benefit Analysis 5 Multi Attribute Analysis 6 Articulating the Recommendation 7 Implementation and Beyond *Media in Hong Kong* Carol P. Lai, 2007-03-12 Making full use of newly declassified material extensive interviews and specific case studies this book examines the Hong Kong media over a forty year period focusing in particular on how its newspapers and TV stations have struggled for press freedom under the colonial British administration as well as Chinese rule **New Trends of Political Participation in Hong Kong** Joseph Y. S. CHENG, 2014-07-08 This volume in 15 chapters serves as a useful overview of various significant aspects of the new trends of political participation in Hong Kong Written by a team of experts who have been astute observers of Hong Kong Politics the book covers a wide spectrum of topics ranging from a conventional understanding of political participation e g the activities of political parties and interest groups to a more specialized form of participation e g the relationships between government and legislators in policy making The study of the rise of new social movements by the Post 80s generation would be of particular interest to those who are keen to comprehend the sharpening inter generational differences There will be a readership among academics and university students This can also be a valuable reference for the media policy makers or anyone interested in Hong Kong politics This book is published by City University of Hong Kong Press *European Social Problems* Stuart Isaacs, 2017-06-26 European Social Problems is the first book to examine social issues in Europe from the perspective of the social sciences It considers many of these social

problems following the UK's leave vote. Key topics examined here include immigration, multiculturalism, and religion, health inequalities, education, riots, and protest, drugs, and crime, sexuality. These core issues run as a thread through Europe and are experienced by Europeans themselves as social problems. As such, this text facilitates students' direct engagement with some of the problematic constituents in their own lives. This text is suitable for those studying social policy, sociology, politics, international relations, criminology, and education studies. In this way, it functions as an accessible reader for final year undergraduates as well as postgraduate students.

The Public Sector in Hong Kong, Second Edition Ian Scott, 2022-09-21. This book describes and analyses the role of the public sector in the often charged political atmosphere of post 1997 Hong Kong. In this second edition, Ian Scott explores public sector accountability in terms of Hong Kong's constitutional framework and the structure, functions, and personnel policies of its civil service system. He examines critical issues facing the administration of the public sector and the formulation and implementation of public policy with particular attention to the political challenges confronting the Hong Kong government over the past decade. A concluding chapter assesses how contested values in a changing political environment have affected the public sector in recent years. This edition has been fully updated to incorporate the latest statistics and research, including Scott's work in such areas as integrity management, corruption prevention, and policing. This book is an essential resource for scholars and students of public administration and public policy in Hong Kong and more broadly for those who are interested in how a particular jurisdiction deals with common administrative problems such as centralisation, the role of statutory bodies, corruption prevention, and the redress of citizens' grievances. Professor Ian Scott's book *The Public Sector in Hong Kong* now in a second, much expanded and up to date edition, offers a thorough and rigorous analysis of contemporary governance in Hong Kong, focusing on all the key stakeholders. The book is essential reading for government officials, politicians, journalists, academics, students, and the general public. John P. Burns, The University of Hong Kong. The second edition not only updates the development in the public sector of Hong Kong but also provides an important perspective to help readers understand the contexts that navigate its latest developments. This edition, along with Ian Scott's earlier work, will be judged by many in the field to be among the best books on Hong Kong politics. Hon S. Chan, City University of Hong Kong.

Artificial Intelligence for Societal Issues Anupam Biswas, Vijay Bhaskar Semwal, Durgesh Singh, 2023-09-19. Artificial intelligence (AI) has the potential to provide innovative solutions to various societal issues and real-world social challenges. AI is useful in combating some of the seemingly unsolvable social crises facing the world today. Be it disaster awareness and management or demand forecasting or healthcare informatics or disease outbreaks like COVID-19, the AI plays a pivotal role everywhere. AI has the potential to address some of the societal issues that indirectly pose challenges like cybercrime, agriculture, education, economy, and health. The book covers several applications of AI as solutions to different societal issues which include economic empowerment, smart education system, COVID-19 detection, management, emotion detection, fraudulent

transactions applications in agriculture and health informatics etc The book will be helpful for the academicians and researchers working with various areas of societal issues data science artificial intelligence and machine learning

Metaphor in Language and Culture across World Englishes Marcus Callies, Marta Degani, 2021-06-17 This book advances and broadens the scope of research on conceptual metaphor at the nexus of language and culture by exploring metaphor and figurative language as a characteristic of the many Englishes that have developed in a wide range of geographic socio historical and cultural settings around the world In line with the interdisciplinary breadth of this endeavour the contributions are grounded in Cognitive Socio Linguistics Conceptual Metaphor Theory and Cultural Linguistics Drawing on different research methodologies including corpus linguistics elicitation techniques and interviews chapters analyse a variety of naturalistic data and text types such as online language narratives political speeches and literary works Examining both the cultural conceptualisations underlying the use of figurative language and the linguistic cultural specificity of metaphor and its variation the studies are presented in contexts of both language contact and second language usage Adding to the debate on the interplay of universal and culture specific grounding of conceptual metaphor Metaphor in Language and Culture across World Englishes advances research in a previously neglected sphere of study in the field of World Englishes

Politics and Government in Hong Kong Ming Sing, 2009 This book examines the government of Hong Kong since its handover to mainland China in 1997 focusing in particular on the anti government mass protests and mobilisations in the years since 2003 It argues that Hong Kong has been poorly governed since transferring to Chinese rule and that public frustration with governmental performance including anti subversion laws and slow democratisation has resulted in the regular and massive protests which have been rare in Hong Kong's past political development The book then assesses different explanations for Hong Kong's government problems including lack of social cohesion incomplete economic restructuring structural budgetary

deficit severe social inequality intensifying cronyism and deficiencies within the political system itself It goes on to discuss the implications of poor governance for legislative elections civil society and constitutional development and considers the prospects for the future It argues that although in the short term the Hong Kong government has managed to maintain its popular support ratings in the longer run it is unlikely to be able to maintain its legitimacy in dealing with the fundamental challenges of government unless the current system is replaced by popular election of the government with appropriate institutional capacity and political powers

Capital Choices Juergen Braunstein, 2019-07-09 Sovereign wealth funds are state controlled pools of capital that hold financial and real assets including shares of state enterprises and manage them to grow the nation's base of sovereign wealth The dramatic rise of sovereign wealth funds SWFs in both number and size this group is now larger than the size of global private equity and hedge funds combined and the fact that most are located in non OECD countries has raised concern about the direction of capitalism Yet SWFs are not a homogenous group of actors Why do some countries with large current account surpluses notably China create SWFs while others such as Switzerland and Germany do not Why do other countries with no macroeconomic justification such as Senegal and Turkey create SWFs And why do countries with similar macroeconomic features such as Kuwait and Qatar or Singapore and Hong Kong choose different types of SWFs *Capital Choices* analyzes the creation of different SWFs from a comparative political economy perspective arguing that different state society structures at the sectoral level are the drivers for SWF variation Juergen Braunstein focuses on the early formation period of SWFs a critical but little understood area given the high levels of political sensitivity and lack of transparency that surround SWF creation Braunstein's novel analytical framework provides practical lessons for the business and finance organizations and policymakers of countries that have created or are planning to create SWFs

Resources in Education , 2001-04

The Cinema of Stephen Chow Gary Bettinson, Vivian P.Y. Lee, 2024-09-05 An in depth exploration of the stardom and authorship of Stephen Chow Sing chi one of Hong Kong cinema's most enduringly popular stars and among its most commercially successful directors In the West Stephen Chow is renowned as the ground breaking director and star of global blockbusters such as *Kung Fu Hustle* 2004 and *Shaolin Soccer* 2001 Among Hong Kong audiences Chow is celebrated as the leading purveyor of local comedy popularising the so called mo lei tau gibberish brand of Cantonese vernacular humour and cultivating a style of madcap comedy that often masks a trenchant social commentary This volume approaches Chow from a diverse range of critical perspectives Each of the essays written by a host of renowned international scholars offers compelling new interpretations of familiar hits such as *From Beijing with Love* 1994 and *Journey to the West* 2013 The detailed case studies of seminal local and global movies provide overdue critical attention to Chow's filmmaking highlighting the aesthetic power economic significance and cultural impact of his films in both domestic and global markets

Hong Kong from Britain to China Li Pang-Kwong, 2018-02-05 This title was first published in 2000 The Sino British joint declaration in 1985 had called to the end of British rule in Hong Kong but the impacts of the agreed

introduction of popular election during the transitional period have still not fully emerged Being granted Hong Kong people governing Hong Kong by China after 1997 Hong Kong people are suddenly exposed to the kind of politics that they were not engaged in before The transitional politics is further complicated by the fact that the majority of Hong Kong voters supported the democrats whose political value and orientation differed from that of the Beijing government In order to comprehend the collective behaviour of the Hong Kong voters the author first traces the development of the Hong Kong state and put his readers into context of Hong Kong electoral politics By adopting the cleavage approach in explaining the voters choice and the election results since the 1990 the author examines whether the existing institutional arrangements as established by the Basic law is capable of solving the political and electoral conflicts of the days

Social Issues In Hong Kong Introduction

In today's digital age, the availability of Social Issues In Hong Kong books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Issues In Hong Kong books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Issues In Hong Kong books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Issues In Hong Kong versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Issues In Hong Kong books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Issues In Hong Kong books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Issues In Hong Kong books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.

Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Issues In Hong Kong books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Issues In Hong Kong books and manuals for download and embark on your journey of knowledge?

FAQs About Social Issues In Hong Kong Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Issues In Hong Kong is one of the best book in our library for free trial. We provide copy of Social Issues In Hong Kong in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social Issues In Hong Kong. Where to download Social Issues In Hong Kong online for free? Are you looking for Social Issues In Hong Kong PDF? This is definitely going to save you time and cash in something you should think about.
