Property Ernest Beaglehole,2015-06-19 First published in 1931 this book represents an attempt to study the
psychological basis of the institution of property There had been many psychological and social studies of marriage and
religion prior to publication of this title but none which considered the problems which arise when the institution of property
is viewed from the angle of social psychology Some of these problems are set out in the first chapter In the remaining
chapters the author discusses the problems in the light of evidence drawn from the various branches of psychology and
sociology of the day The final chapter indicates the importance of the author s conclusions for political and social theory at
the time Nature Sir Norman Lockyer,1924

Whispering the Strategies of Language: An Emotional Quest through **Social Life Among The Insects**
