British Social Policy 1914-1939

Anne Crowther

Social Policy In Britain 1914 1939

Bentley B. Gilbert

Social Policy In Britain 1914 1939:

Social Policy in Britain, 1914-1939 Margaret Anne Crowther,1988-01-01 **British Social Policy, 1914-1939** Bentley B. Gilbert,1970 *Social Welfare in Britain 1885-1985* Rex Pope,2003-10-03 This collection of documents follows the same format as Pope and Hoyle s *British Economic Performance 1984* to provide a survey of the main developments in social welfare Students of economic and social history and of social policy and administration are being required to do more and more work with original documents and this collection is tailored to meet their needs The primary sources are presented in two sections covering the periods 1885 c 1940 and c 1940 to 1985 During the former ideas on and the scope of welfare provision broadened greatly There was a sense of progress Developments though were piecemeal There was no conception of a Welfare State The second period begins with the changes associated with the assumption that Britain was establishing a Welfare State But the hopes of 1940 have not been fulfilled and there has been growing speculation about the value of such an organisation of society The extracts reflect these changes They are grouped under the headings to facilitate reference Students at all levels especially A level first degree and professional training courses will find the book a valuable resource Materials included are drawn from minutes of evidence newspapers political party publications and professional bodies and groups *Social-Imperialism in Britain* Neil Redfern,2018-09-24 In *Social Imperialism in Britain* Neil Redfern examines the relationship between British labour and British capital in the two world wars of the twentieth century He argues that the Second World War the so called People s War no less than the First World War was an imperialist war He further argues that in both wars labour and capital entered into a social imperialist contract in which labour would be rewarded for its support for war with such social and political reforms as votes for women and a health service culminating in the welfare state constructed after the Second World War Concentrating on Lancashire he examines the complex interaction between military successes and reverses elite war aims labour unrest and popular demands for reform **Education and Economic Decline in Britain, 1870 to the 1990s** Michael Sanderson,1999-04-22 Since the 1870s the British economy has steadily declined from its position as the workshop of the world to that of a low ranking European power Michael Sanderson examines the question of how far defects in education and training have contributed to this economic decline By looking at issues such as literacy the quality of scientific and technical training the supposed anti industrial bias of public schools and the older universities the neglect of vocational and technical training and the neglect of the non academic teenager Michael Sanderson demonstrates that education was far from the sole cause of economic decline but that its deficiencies have certainly played a part This book offers an accessible and concise analysis of a topic of current importance interest and debate and will be of interest to students and teachers of the history of education and its impact on British economic development in the twentieth century **The Evolution of the British Welfare State** Derek Fraser,1973-04-01 **A History of the Peoples of the British Isles** Thomas Heyck,2019-06-19 Volume III deals with the long twentieth century Its

main themes are the contraction of British industrial power and the shift to a service based economy the decline of Victorianism and the rise of Modernism the climax of class society between the wars and the blurring of class lines after the 1960s the impact of two world wars the decline of British power and the empire the partition of Ireland the devolution of power to Wales and Scotland Neville Chamberlain Robert Self,2017-03-02 History has not looked kindly upon Neville Chamberlain Despite a long and distinguished political career his trip to Munich in 1938 and the appeasement of Hitler have forever overshadowed his many other achievements and blighted his reputation his name now synonymous with the futility of trying to reason with dictators and bullies Yet as this biography shows there is much more to this complex and intriguing character than is generally supposed and even the infamous events of 1938 are open to more charitable interpretations than is usually the case Appeasement brought the British government crucial time in which to rearm and in particular allowed the RAF to drastically increase the number of fighter aircraft it could muster for the Battle of Britain during the summer of 1940 Based on the study of over 150 collections of private papers on both sides of the Atlantic as well as exhaustive exploration of British government records held in the National Archives it is no exaggeration to say that the author has surveyed virtually all the existing archival material written by or to Chamberlain as well as a high proportion of that referring to him As such this volume will no doubt establish itself as the definitive account of Chamberlain s life and career and provide a much fuller and fairer picture of his actions than has hitherto been the case *20th Century Britain* Francesca Carneval,Julie-Marie Strange,2014-06-11 Written by leading international scholars Twentieth Century Britain investigates key moments themes and identities in the past century Engaging with cutting edge research and debate the essays in the volume combine discussion of the major issues currently preoccupying historians of the twentieth century with clear guidance on new directions in the theories and methodologies of modern British social cultural and economic history Divided into three the first section of the book addresses key concepts historians use to think about the century notably class gender and national identity Organised chronologically the book then explores topical thematic issues such as multicultural Britain religion and citizenship Representing changes in the field some chapters represent more recent fields of historical inquiry such as modernity and sexuality *British Economic Performance 1945-1975* B. W. E. Alford,1995-09-14 The debate over Britain in Decline is one that still rages in the academic political and public spheres In this concise study B W E Alford takes issue with those economists who have a mechanistic approach to the subject Instead he examines Britain s economic development since the Second World War within a wider framework of political social and cultural factors He discusses topics such as post war reconstruction the theory of too few producers the alleged process of de industrialisation the role of sterling business organisation and management labour relations and the impact of government policy on Britain s economic development Professor Alford provides a clear introduction to the subject along with a survey of recent literature yet shows how complex and deep rooted are the causes of the British Disease War and British Society 1688-1815 H. V. Bowen,1998-03-28

Drawing on a large volume of research this 1998 book considers sustained warfare as a powerful agent of change which transformed a wide range of institutions structures and processes in Britain between 1688 and 1815 a period when Britain was at war for much of the time Stressing the positive as well as the negative and the long term as well as the short term the effects of war are brought to bear upon questions of central importance in the study of eighteenth century British history How effectively did the emerging state cope with the financial and logistical demands of war How severe were the economic and social strains imposed upon the population at large and how did they respond to the call to arms What effect did war have upon the industrialising economy A balanced overview is presented of Britain as a nation at war during an important phase of her development as an imperial industrial and military power

Unemployment in Britain Between the Wars

Stephen Constantine,2014-07-30 Drawing on a range of contemporary evidence Stephen Constantine studies the nature and causes of unemployment in Britain during the 1920s and 1930s and analyzes the failure of successive inter war governments to make a constructive response

Reader's Guide to British History David Loades,2020-12-17 The Reader sGuide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6 12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication

The State of Social Welfare John C. Dixon,Robert P. Scheurell,2002-02-28 With the end of the 20th century Dixon and Scheurell decided it was an opportune time to critically assess what governments have achieved with their plethora of public social welfare policies While Marxist socialists democratic socialists social democrats and reluctant collectivists were all eager at various times to construct their vision of the ideal society the idea of state welfare was slow to take root As Dixon and Scheurell point out at the turn of the century only a handful of industrializing countries were willing to grapple with the problems of poverty inequality and social exclusion Two world wars and the Great Depression of the 1930s however sensitized many societies to the human social and even political costs of un met social welfare needs Thus the milieu needed for the birth of state welfare came into existence first in Western Europe then in Australasia followed by North and South America and finally in parts of the Middle East Asia and Africa The state welfare dream was that citizenship would guarantee every individual a secure lifestyle with a minimum degree of insecurity and the wherewithal to develop to the greatest possible extent as individuals and as members of society It is Dixon and Scheurell argue the most significant set of social institutions developed in the 20th century Admittedly it is one that had within it the seeds of its own potential destruction the vicious circle of growing welfare dependency increasing state control deepening poverty and the emergence of an intractable underclass that has legitimized calls for the individualization of the social Undoubtedly this collection of essays on key states charting the rise and fall of state welfare examines a monumental 20th century event and will be of interest to scholars

researchers and students involved with social welfare issues as well as policy makers and concerned citizens

Slavery, Atlantic Trade and the British Economy, 1660-1800 Kenneth Morgan, 2001-01-04 This book considers the impact of slavery and Atlantic trade on British economic development in the generations between the restoration of the Stuart monarchy and the era of the Younger Pitt During this period Britain's trade became Americanised and industrialisation began to occur in the domestic economy The slave trade and the broader patterns of Atlantic commerce contributed important dimensions of British economic growth although they were more significant for their indirect qualitative contribution than for direct quantitative gains Kenneth Morgan investigates five key areas within the topic that have been subject to historical debate the profits of the slave trade slavery capital accumulation and British economic development exports and transatlantic markets the role of business institutions and the contribution of Atlantic trade to the growth of British ports This stimulating and accessible book provides essential reading for students of slavery and the slave trade and British economic history

The Rise and Decline of the British Motor Industry Roy A. Church, 1995-09-14 A concise 1995 review of the strengths and weaknesses of the British motor industry during the one hundred years since its foundation

Science, Technology and the British Industrial 'Decline', 1870-1970 David Edgerton, 1996-06-28 The place of science and technology in the British economy and society is widely seen as critical to our understanding of the British decline There is a long tradition of characterising post 1870 Britain by its lack of enthusiasm for science and by the low social status of the practitioners of technology David Edgerton examines these assumptions analysing the arguments for them and pointing out the different intellectual traditions from which they arise Drawing on a wealth of statistical data he argues that British innovation and technical training were much stronger than is generally believed and that from 1870 to 1970 Britain's innovative record was comparable to that of Germany This book is a comprehensive study of the history of British science and technology in relation to economic performance It will be of interest to scientists and engineers as well as economic historians and will be invaluable to students approaching the subject for the first time

The Rise and Fall of the British Welfare State Pat Thane, 2024-09-19 For the past decade at least 25% of the UK population and 30% of children have been in poverty by internationally accepted measures and the numbers keep rising In *The Rise and Fall of the British Welfare State* Pat Thane analyses the history of state welfare in Britain from 1900 and sheds light on its aims achievements and failings Beginning with the poverty surveys of Booth and Rowntree and the implementation of early welfare measures such as free school meals Thane offers a vivid snapshot of social welfare in Britain c1900 and the growing demands for improved welfare provisions Taking readers through the significant social reforms of the First and Second World Wars the making of the modern welfare state 1945-51 and its subsequent shifts due to rapidly evolving social policies Thane ends with austerity and the COVID 19 pandemic bringing the scholarship up to the present day and drawing striking parallels with Britain c1900 By placing a major current issue within its historical context Thane explores the shifting administration of the welfare state and adjusts

misconceptions about the implementation of social policy particularly during the 1970s and 1980s Thane offers readers a comprehensive study of British social measures during the 20th and 21st centuries highlighting how and why poverty rates are rising once more and examining how the future of social policy could enact greater change **British Politics, Society and the State since the Late Nineteenth Century** M. Smith,1990-08-22 This stimulating new text reflects on the extraordinary political stability in Britain compared with much of continental Europe over the last hundred years It also provides a historical perspective on current political issues especially on the attempts of the present administration to reduce the state s involvement in welfare and in the funding of other public services In examining these areas the author argues that they have been shaped by the conflict between individualistic and collectivist ideas and until recently have been dominated by the latter **The Growth of Public Expenditure in the United Kingdom from 1870 to 2005** Clive Lee,2011-12-13 Public expenditure has increased considerably in the UK from around ten per cent of GDP in the 1870s to forty per cent and above in the 21st century Clive Lee explores the fluctuations in state spending highlighting the ongoing political conflict over the size and extent of welfare provision

Social Policy In Britain 1914 1939 Introduction

In today's digital age, the availability of Social Policy In Britain 1914 1939 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Policy In Britain 1914 1939 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Policy In Britain 1914 1939 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Policy In Britain 1914 1939 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Policy In Britain 1914 1939 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Policy In Britain 1914 1939 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Policy In Britain 1914 1939 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Policy In Britain 1914 1939 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Policy In Britain 1914 1939 books and manuals for download and embark on your journey of knowledge?

FAQs About Social Policy In Britain 1914 1939 Books

1. Where can I buy Social Policy In Britain 1914 1939 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
