Passing the Federal Budget

The House and Senate pass bills authorizing spending, which must meet spending limits.

The President can either sign the budget bill into law or veto it.

If vetoed, Congress can override the bill or override.

The civil war is a test to see if a democracy will win. We are dedicating this cemetery to those who died for their country.

The Gettysburg Address

But, in a larger sense, we can not dedicate—we can not consecrate—we can not hallow—this ground. The brave men, living and dead, who struggled here, have consecrated it, far above our poor power to add or detract. The world will little note, nor long remember what we say here, but it can never forget what they did here. It is for the living that we are dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is for the living that we are dedicated to the great task remaining before us—that these dead shall live in our hearts and guide us to the great goal of this nation—that these dead shall live in our hearts and guide us to the great goal of this nation—that these dead shall live in our hearts and guide us to the great goal of this nation.
