Social Work With Groups Social Justice Through Personal Community And Social Change:

Social Work with Groups N. Sullivan, L. Mitchell, D. Goodman, N.C. Lang, E.S. Mesbur, 2013-10-11 Help change the world by bringing ideas of social justice into your group work practice Social workers who use hip hop music to reach out to troubled adolescents Practitioners who compare First Nations talking circles with social work practice with groups A retired professor who transforms the way her fellow senior living center residents participate in their world Fathers of children with spina bifida who help one another through an online discussion group These and other examples you ll discover in Social Work with Groups Social Justice Through Personal Community and Societal Change will help you to assist groups to gain a sense of empowerment and create change in their own lives and communities In Social Work with Groups Social Justice Through Personal Community and Societal Change you ll also find definitions of social justice within the context of social work a proposal to help focus on social justice in teaching guidelines for group facilitators making decisions about self disclosure studies of innovative group work discussion of the challenges to achieving social justice in group work valuable ways to ground social group work in rich cultural traditions This new book rides the crest of the growing wave of justice in social work with groups Culled from the proceedings of the 22nd International Symposium of the Association for the Advancement of Social Work with Groups it gives you the innovations and current thinking of professionals who while coming from different cultural and professional backgrounds are focused on helping all people enjoy the same rights and opportunities If you want to use group work to challenge social inequality Social Work with Groups will be a welcome addition to your library Social action that gets results has to start somewhere let it begin with you **Social Work with Groups** Association for the Advancement of Social Work with Groups. International Symposium, Nancy Elizabeth Sullivan, N. C. Lang, E. S. Mesbur, 2003 Help change the world by bringing ideas of social justice into your group work practice Social workers who use hip hop music to reach out to troubled adolescents Practitioners who compare First Nations talking circles with social work practice with groups A retired professor who transforms the way her fellow senior living center residents participate in their world Fathers of children with spina bifida who help one another through an online discussion group These and other examples you ll discover in Social Work with Groups Social Justice Through Personal Community and Societal Change will help you to assist groups to gain a sense of empowerment and create change in their own lives and communities In Social Work with Groups Social Justice Through Personal Community and Societal Change you ll also find definitions of social justice within the context of social work a proposal to help focus on social justice in teaching guidelines for group facilitators making decisions about self disclosure studies of innovative group work discussion of the challenges to achieving social justice in group work valuable ways to ground social group work in rich cultural traditions This new book rides the crest of the growing wave of justice in social work with groups Culled from the proceedings of the 22nd International Symposium of the Association for the Advancement of Social Work with Groups it gives you the innovations and

current thinking of professionals who while coming from different cultural and professional backgrounds are focused on helping all people enjoy the same rights and opportunities If you want to use group work to challenge social inequality Social Work with Groups will be a welcome addition to your library Social action that gets results has to start somewhere let it begin with you **Social Work with Groups** Nancy Elizabeth Sullivan,2004 **Social Work with Groups** N. Sullivan,L. Mitchell,D. Goodman,N.C. Lang,E.S. Mesbur,2013-10-11 Help change the world by bringing ideas of social justice into your group work practice Social workers who use hip hop music to reach out to troubled adolescents Practitioners who compare First Nations talking circles with social work practice with groups A retired professor who transforms the way her fellow senior living center residents participate in their world Fathers of children with spina bifida who help one another through an online discussion group These and other examples you ll discover in Social Work with Groups Social Justice Through Personal Community and Societal Change will help you to assist groups to gain a sense of empowerment and create change in their own lives and communities In Social Work with Groups Social Justice Through Personal Community and Societal Change you ll also find definitions of social justice within the context of social work a proposal to help focus on social justice in teaching guidelines for group facilitators making decisions about self disclosure studies of innovative group work discussion of the challenges to achieving social justice in group work valuable ways to ground social group work in rich cultural traditions This new book rides the crest of the growing wave of justice in social work with groups Culled from the proceedings of the 22nd International Symposium of the Association for the Advancement of Social Work with Groups it gives you the innovations and current thinking of professionals who while coming from different cultural and professional backgrounds are focused on helping all people enjoy the same rights and opportunities If you want to use group work to challenge social inequality Social Work with Groups will be a welcome addition to your library Social action that gets results has to start somewhere let it begin with you *Handbook of Social Work with Groups* Charles D. Garvin,Lorraine M. Gutierrez,Maeda J. Galinsky,2017-02-13 This comprehensive handbook presents major theories of social work practice with groups and explores contemporary issues in designing and evaluating interventions Students and practitioners gain an in depth view of the many ways that groups are used to help people address personal problems cope with disabilities strengthen families and communities resolve conflict achieve social change and more Offering authoritative coverage of theoretical practical and methodological concerns coupled with a clear focus on empowerment and diversity this is an outstanding text for group work and direct practice courses *Expressive Arts for Social Work and Social Change* Tuula Heinonen,Deana Halonen,Elizabeth Krahn,2018-08-20 How can social workers integrate expressive arts methods as a complement to their work to better support individual group and community growth Expressive Arts for Social Work and Social Change explores the values and benefits of expressive arts i e visual arts movement and dance expressive forms of writing and narrative music and performance and the role they can play in social work practice and inquiry Although previous research has illustrated the efficacy of

expressive arts to individual therapeutic goals this is the first work that looks at the use of these approaches to fulfill the values ethics and principles of the social work profession The authors draw from current and emerging concepts related to green social work including individual and collective well being Indigenous perspectives and practices social justice and social action and individual as well as collective creative expression This book provides insight and advice that will benefit all human service professionals interested in expressive arts **The Oxford Handbook of Group Counseling** Robert K.

Conyne,2011-08-22 Group counseling is a dynamic and valuable treatment device used by therapists throughout the psychological disciplines one that has proven effective in promoting change and growth in a variety of populations and settings The Oxford Handbook of Group Counseling takes an innovative approach to this expansive topic providing both a comprehensive field manual for practitioners and an authoritative reference work for teachers and researchers Comprising 31 topic based chapters by leading practitioners and researchers this handbook covers the full spectrum of current and relevant topics in group counseling including definitions and background history and efficacy key change processes e g therapeutic factors group cohesion group climate group leader strategies and characteristics new applications for group counseling strategies including online groups group counseling with special populations the future of group counseling With roots in the most recent and relevant literature The Oxford Handbook of Group Counseling is an ideal text for training programs counselor education clinical psychology social work or human services or as a reference for researchers in counseling psychology Whoever the reader it a valuable and comprehensive guidebook for both students and practitioners in the growing practice of group counseling **Socially Just Practice in Groups** Robert M. Ortega,Charles D.

Garvin,2019-01-09 Socially Just Practice in Groups A Social Work Perspective comprehensively covers all aspects of group practice in social work settings integrating a unique social justice framework throughout Drawing from their experience as group work practitioners authors Robert Ortega and Charles D Garvin walk readers through the basics of group practice including getting started doing group work establishing the purpose roles and tasks of the group stages and phases of practice and specific skills in assessment monitoring and evaluation A social justice framework provides a fresh perspective during an era of widespread social change and provides social workers tools for effective group interventions Chapters contain detailed case examples to illustrate concepts presented as well as exercises to help students practice skills

Handbook of Social Work with Groups, Second Edition Charles D. Garvin,Lorraine M. Guti rrez,Maeda J. Galinsky,2017-06-26 Revised edition of Handbook of social work with groups 2006 **A Mutual-Aid Model for Social Work with Groups** Dominique Moyse Steinberg,2014-02-24 Group work is a popular and widely used social work method Focusing particularly on the central role of mutual aid in effective group work this text presents the theoretical base outlines core principles and introduces the skills for translating those theories and principles into practice A Mutual Aid Model for Social Work with Groups will help readers to catalyze the strengths of group members such that they become better problem

solvers in all areas of life from the playroom to the boardroom Increased coverage of evaluation and evidence based practice speaks to the field s growing concern with monitoring process and assessing progress The book also includes worker based obstacles to mutual aid their impact and their antidotes pre group planning including new discussion on curriculum groups group building by prioritizing certain goals and norms in the new group the significance of time and place on mutual aid and the role of the group worker maintaining mutual aid during so called individual problem solving an expanded discussion of anti oppression and anti oppressive practice unlocking a group s potential to make difference and conflict useful special considerations in working with time limited open ended and very large groups Case examples are used throughout to help bridge the gap between theory and practice and exercises for class or field help learners to immediately apply conceptual material to their practice All resources required to carry out the exercises are contained in over 20 appendices at the end of the book Key points at the end of each chapter recap the major concepts presented and a roster of recommended reading for each chapter points the reader to further resources on each topic Designed to support ethical and successful practice this textbook is an essential addition to the library of any social work student or human service practitioner working with groups

Father Involvement in Canada Jessica Ball,Kerry Daly,2012-12-01 The landscape of Canadian fatherhood has changed dramatically over the past several decades Shifting family structures policy issues and cultural expectations affect men s interactions with their children and influence the way they perceive their own roles as fathers The traditional notion of fatherhood may have changed but fathers are as important today as ever before Father Involvement in Canada brings together more than a dozen leading scholars of fatherhood issues to examine the roles of Canadian fathers from many angles Looking at the experiences of fathers from different ethnicities age groups marital statuses gender partnering and economic brackets the authors examine issues such as the impact of poverty access to paternity leave and the availability of support from social institutions National in scope this is the first book of its kind to summarize and challenge current scholarship on Canadian fatherhood and offer new concepts theoretical frameworks and research directions

Social Justice in Group Work Anneliese Singh,Carmen Salazar,2013-10-18 This book spotlights the unique contribution of the Journal for Specialists in Group Work to the social justice literature and of group work to a social justice agenda Although the term social justice may be relatively new in the counseling and psychology literature the underlying values attention to inequities advocacy and empowerment strategies for members of marginalized and oppressed populations are not new in group work Group leaders have been attending to these concerns all along and group work itself is an ideal venue for the realization of social justice concerns However until now there has been a limited amount of scholarship on group work with a stated focus on social justice This groundbreaking book emphasizes action through a practical approach featuring research and case studies of social justice group work in community and school settings Chapters highlight how group workers infuse social justice consciousness into their work address social justice issues and implement social justice practice Authors review the history

practice and future opportunities for social justice advocacy within group modalities They also address guidelines for the training and supervision of practitioners engaging in social justice group work This book was published as a special issue of the Journal for Specialists in Group Work **Eco-activism and Social Work** Dyann Ross,Martin Brueckner,Marilyn Palmer,Wallea Eaglehawk,2019-11-28 Social workers are called upon to shift from a human centric bias to an ecological ethical sensibility by embracing love as integral to their justice mission and by extending the idea of social justice to include environmental and species justice This book presents the love ethic model as a way to do eco justice work using public campaigns research community arts practice and other nonviolent direct action strategies The model is premised on an active and ongoing commitment to the eco values of love eco justice and nonviolence for the purpose of upholding the public interest The love ethic model is informed by the stories of eco activists who used nonviolent actions to address ecological issues such as pollution degradation of the environment exploitation of farm animals mining industry overriding First Nation Peoples land rights and human health and social costs related to the natural resource industries private land developments and government infrastructure projects Informed by practice insights by activists from a range of eco justice concerns this innovative book provides new directions in social work and environmental studies involving transformational change leadership and dialogical group work between interest groups It should be considered essential reading for social work students researchers and practitioners as well as eco activists more generally Deconstructing Group Work for Human Service Professionals Dominique Moyse Steinberg,Eileen C. Lyons,2022-11-04 Spotlighting the skills of social group work this handbook offers practical guidance and theoretical knowledge enabling the reader to facilitate groups of varying types with increased clarity purpose and confidence The reader is helped to understand what skill to employ when and why New or veteran group facilitators are reminded to empower group members to both employ their strengths and engage in mutual aid the fundamental value and methodology that underlies social group work Specific skills help group members to coalesce as a cohesive group and optimize their capacity to reach their goals whether exploring therapeutic answers or accomplishing work tasks This book illustrates that there are basics to the method of human service work with groups that can help you to feel more at ease with and more effective at working with people in groups The group work method is delineated for you outlining 1 skills of working with groups ways of thinking or doing to make things happen 2 practice principles the moral reasoning that underlies what you choose to think and do in your practice and 3 theoretical underpinnings for those choices why your choices will achieve desirable ends Anecdotal material and skills in action provide explicit examples of what skills look like in real time Social work students and academics as well as students and professionals working in the fields of youth work counseling mental health clinical social work and related health subjects will find this book of interest **Group Work and Aging** Roberta K Graziano,Robert Salmon,2013-09-13 Get a wealth of information about the theory and practice of social work with older adults their families and their caregivers Although there is a considerable amount of writing on both

group work and social work with the elderly there is surprisingly little about applying this practice method to this specific age group Group Work and Aging Issues in Practice Research and Education fills this gap by presenting penetrating articles about a mutual aid approach to working with diverse groups of older adults with varied needs Respected experts and gifted researchers provide case studies practice examples and explanation of theory to illustrate this practice method with aging adults their families and their caregivers Group Work and Aging Issues in Practice Research and Education discusses in depth information on group work with gay and lesbian elders caregivers elders with Alzheimer s disease service providers special populations such as Vietnamese and Latino a elders and provides information on the use of expressive therapies like art drama and dance Each well referenced chapter presents high quality up to date social group work practice strategies to prepare practitioners for the needs of the growing population of elderly in the near future Group Work and Aging Issues in Practice Research and Education discusses the adaptation of group work practice approaches when working with older group members the use of a Record of Service as an analytical tool in group work with aging lesbians a chronicle of a student s field placement at a drop in center for homeless senior citizens the sociocultural reality of the Asian immigrant elderly residential substance abuse treatment for older adults mutual aid groups for older persons with mental illness the relationship between caregiver support groups and the marker framework of family caregiving telephone caregiver support groups group work interventions with elderly parents of adults with severe mental illness a program for the development and implementation of an intergenerational singing group support groups as an effective therapy at end of life the use of a mutual aid group with home attendants and much more Group Work and Aging Issues in Practice Research and Education reveals the latest examples of good group work practice with aging adults and their support systems perfect for practitioners educators and anyone interested in and or work with older adults

Social Justice Theory and Practice for Social Work

Lynelle Watts,David Hodgson,2019-01-01 This book offers a much needed critical overview of the concept of social justice and its application in professional social work practice Social justice has a rich conceptual genealogy in critical theory and political philosophy For students teachers and social workers concerned with empowerment social change and human rights this book provides a guide to the key ideas and thinkers crucial historical developments and contemporary debates about social justice It synthesises interdisciplinary knowledge and offers a new framework for practice including a clear and practical exposition of four domains of skills and knowledge important for social justice informed social work The book also contributes to social work pedagogy by offering a comprehensive set of learning outcomes that can be used to design curriculum teaching and learning and further research into social justice praxis This book provides a range of philosophical and critical perspectives to support and inform social work professional knowledge and skills In its tight knitting together of theory and practice this book links philosophical and moral principles with an understanding of how to engage with social justice in a way that is relevant to social work

Encyclopedia of Social Work with Groups Alex Gitterman,Robert

Salmon,2009-06-02 What do you have to know today to be an effective group worker and what are the different group work approaches With 110 articles and entries this book provides a comprehensive overview of social work with groups from its initial development to its astounding range of diverse practice today with many populations in different places The articles have been written by social workers trained in the group approach from the United States Canada England Australia Spain and Japan and all involved are well known group workers acknowledged as experts in the area The book covers all aspects of social work with groups including its history values major models approaches and methods education research journals phases of development working with specific populations and ages plus many more Each article includes references which can be a major resource for future exploration in the particular subject area Both editors have many years of productive work in group work practice and other areas and are board members of The Association for the Advancement of Social Work with Groups The Encyclopedia of Social Work with Groups will be of interest to students practitioners social work faculty novice and experienced group workers

Critical Social Work June Allan,Linda Briskman,2020-07-16 Another important contribution to the growing literature on critical social work It is on the cutting edge of thinking about social work and its goal of social change Kate van Heugten Social Work Review Critical Social Work starts from the premise that a central goal of social work practice is social change to redress social inequality Taking a critical theoretical approach the authors explore the links between personal and social change They confront the challenges for critical social work in the context of pressures to separate the personal from the political and in responding to the impact of changes in the socio political statutory and global contexts of practice Critical Social Work has been thoroughly revised to take into account recent social economic and political developments Coverage of theoretical frameworks has been substantially expanded and reflects current concerns such as evidence based practice and human rights The causes of people s marginalisation and oppression are examined in relation to class race ethnicity gender and other forms of social inequality Case study chapters in the earlier edition on working with immigrants Indigenous people women men families people with psychiatric disabilities and those experiencing loss and grief have been updated and revised The second edition includes new case study chapters on disability older people children rurality and violence and abuse Critical Social Work is an essential resource to inform progressive social work practice

Structural Social Work in Action Steven F. Hick,Heather I. Peters,Tammy Corner,Tracy London,2009-09-25 Using concrete examples this optimistic book illustrates the ways in which structural social work theory is being successfully implemented in social work practice By providing examples of what does work in structural social work practice it offers hope to others that this work is not only possible but that it is happening it is effective and the rest of us can do it too

Advancing Social Justice Through Clinical Practice Etiony Aldarondo,2007 There is a healthy development in the human service professions these days At community clinics private practices and universities around the country mental health professionals and service providers are working with increased awareness of the toxic effects of social inequities in the lives

of people they aim to help Quietly by acting out their beliefs on justice and equality clinicians are redressing the balance between professing our craft as clinicians and professing our humanity as citizens Advancing Social Justice Through Clinical Practice is a comprehensive volume that bridges the gap between the psychosocial realities of clients and the dominant clinical practices It offers an array of conceptual and practical innovations to address both individual suffering and social inequities fueling this suffering This is an empowering tool and a must read for mental health professionals The accessible writing style also makes it ideal for teachers and students in the field The book opens with a discussion of the historical ethical and experiential foundations for the development of social justice based practice Parts II and III present conceptual frameworks strategies and techniques used by social justice oriented practitioners The final section discusses various ways to develop the skills and competencies required of mental health professionals aspiring to be both agents of individual and social transformation Filled with hope critical analysis and uncommon clinical wisdom this is a book like no other in the field
