Social Policy Reform In China Views From Home And Abroad:

Social Policy Reform in China Catherine Jones Finer, 2017-11-01 This title was first published in 2003 The People's Republic of China PRC is a timely example of social policy reform in a socialist market economy This important and topical edited collection brings together leading Chinese and Western experts to introduce and integrate policy issues of the PRC into the mainstream of cross national social policy debate Drawing upon comparativist expertise in relevant aspects of social policy the book explores the ways in which the PRC has or has not taken lessons from abroad in key social policy respects and illustrates policy relevant relations between Chinese and Western perspectives The contributors identify those aspects of China's recent social policy reforms that seem the most and least likely to appeal to Western societies The collection therefore represents a substantial advance in two way East West lesson learning in social and public policy

Social policy in China Chan, Chak Kwan, Ngok, Kinglun, 2008-02-13 This much needed new textbook introduces readers to the development of China's welfare policies since its conception of an open door policy in 1978 Setting out basic concepts and issues including key terms and the process of policy making it overcomes a major barrier to understanding Chinese social policy The book explores in detail the five key policy areas of employment social security health education and housing Each is examined using a human well being framework comprising both qualitative and quantitative data and eight dimensions physical and psychological well being social integration fulfilment of caring duties human learning and development self determination equal value and justice This enables the authors to provide not only factual information on policies but also an in depth understanding of the impact of welfare changes on the quality of life of Chinese people over the past three decades A major strength of the book lies in its use of primary Chinese language sources including relevant White Papers central and local government policy documents academic research studies and newspapers for each policy area There are very few books in English on social policy in China and this book will be welcomed both by academics and students of China and East Asian studies and comparative social policy and by those who want to know more about China's social development

Housing and the New Welfare State Richard Groves, 2016-04-29 The changing nature and significance of housing provision within welfare states is considered in this timely book With housing playing an increasingly important role in welfare provision the new welfare state emerging in different parts of the world is being developed in the context of individual asset accumulation and the private ownership of housing Housing and the New Welfare State shows that housing is becoming critical to asset based welfare not only in Western Europe but also in the six East Asian housing systems that are a major focus of the book Chapters by leading East Asian scholars provide analysis of housing policies in Singapore Hong Kong Korea Japan China and Taiwan Also examined are the four worlds of welfare and housing the causes and consequences of the shift from tenants to home owners in the old welfare states of Britain and other parts of Western Europe and the growth of the property owning welfare state as a theme running through contemporary policy in both East Asia and Europe

Financing Welfare State Systems in Asia Christian Aspalter, 2021-09-28 This book identifies the main causes of welfare state system extension as well as the differences in welfare state system design and their consequences for human behavior and the future financial stability of the systems in place in different parts of Asia Providing ten in depth country case studies from across the region including India Thailand China Hong Kong Macao Taiwan and South Korea as well as Russia Turkey and Saudi Arabia the book focuses on the situation of welfare state system development and its financing in some of the largest countries on earth It addresses previously neglected areas for investigation such as the causal reasons for welfare state system extension not only in Asia but in general the types of social security systems and their incentive systems in place and the way they chiefly determine behavior and thus determine the resulting social security needs This book will be of interest to all scholars and students of social policy public policy political science sociology finance and economics development studies and Asian studies more broadly

Ageing Matters John Doling, 2018-01-18 The implications of population ageing have long concerned politicians policy makers and governmental and non governmental organizations in the welfare states of Europe However an ageing workforce is increasingly a matter of concern for the developed and fast developing countries of Asia Japan leads the field in this respect on account of the speed of its postwar economic development But the little tigers of Hong Kong Singapore South Korea and Taiwan are poised to catch up and Malaysia though in the second tier of developing Asian economics faces the prospect of population ageing sufficient to daunt an as yet under prepared infrastructure for old age support This book is the first to examine in detail the experiences and prospects of population ageing in those Asian countries with the highest GDP per capita The authors pose the question to what extent Asia and old Europe can learn from each other in terms of policy planning The first section of the book sets out the field in terms of the demographic characteristics and policy predicaments of European and Asian countries The second section presents case studies of six countries Japan Hong Kong Singapore South Korea Taiwan and Malaysia

Marginalisation in China Bin Wu, Richard Sanders, 2016-05-13 Economic transition in China has witnessed re centralization of resources from the margin to the core in economic social and political senses This book employs a marginalization lens to reveal delineate and better understand the processes patterns trends multiple dimensions and dynamics of the phenomenon and the consequences and implications for development and well being in the country Bringing together a wide range of domestic and international experts and disciplinary perspectives the book combines empirical research and conceptual analysis to provide an insightful overview of China s recent development It contributes to the debate over marginalization and its interactions with globalization and transition in China and has significance for various domestic and international policy arenas in respect of tackling marginalization poverty and social exclusion effectively while striving for the achievement of the UN Millennium Development Goals in China and beyond

Pathways to State Welfare in Korea Gyu-Jin Hwang, 2017-03-02 Why has Korean social policy developed differently from that of other East Asian countries While in many respects Korea can be

compared with Taiwan Hong Kong and Singapore where economic development has been the chief priority of state action Korea has also implemented extensive welfare reform expanding its welfare provision even under recent conditions of economic downturn Gyu Jin Hwang traces the development of the Korean welfare state providing a fascinating case study for observers of East Asian industrial growth and the public management of social risks Arguing that the extension of state welfare presents a unique challenge to existing theoretical propositions underlying social policy development he draws on detailed empirical analysis of key policy areas namely public assistance national pensions health care and employment insurance The book offers a definitive analysis of the development of Korean social policy programmes and the politics of implementing them The book will be important reading for all those interested in comparative Social Policy and more specifically the development of Social Welfare in Asian countries

Economic Growth and Sustainable Housing Jin Xue, 2013-08-15 Economic Growth and Sustainable Housing An Uneasy Relationship critically discusses the possibilities of decoupling environmental degradation from economic growth The author refutes the belief in combining perpetual economic growth with long term environmental sustainability based on the premise that economic growth can be fully decoupled from negative environmental impacts This proposition is underpinned by intensive study in the housing sector from both theoretical and empirical perspectives Xue employs critical realism to inform the investigation and organize the argumentation throughout the book The book is organised into four parts the first discusses the relevance of critical realism to the research field of housing and urban sustainable development in terms of ontology and methodology The second makes a transcendental refutation of the possibilities of decoupling economic growth from housing related environmental impacts by describing transfactual conditions of full decoupling The third part presents two case studies to show whether and to what extents decoupling between economic growth and housing related environmental impacts have historically taken place Inspired by critical realist ontology generalization of abstract concept from the case studies are made to cast light on the implausibility of maintaining perpetual economic growth through decoupling The final part explains why and how the belief in full decoupling and economic growth is generated and sustained despite its implausibility and non necessity which constitutes an explanatory critique of the growth and decoupling ideology and paves the way for the paradigm shift to socially sustainable de growth This book will be of interest to students of housing and urban studies to students of environmental sustainability and also for those students and academics with a general interest in critical realism

Learning From Comparative Public Policy Richard Rose, 2004-08-02 This textbook offers a fresh approach to the study of comparative politics and public policy Instead of concentrating on why countries differ Learning From Comparative Public Policy explores how countries can learn from each other about the success and failure of policy initiatives With its theory and practice focus the lively narrative analyzes the cultural and resources problems involved in importing policies and the roles of institutions regulators think tanks and experts In addition to explaining the key tenets of policy analysis the internationally renowned author offers a wide variety of international case studies and useful boxes to highlight examples Invaluable reading for students of public policy for policy makers and practitioners working in the public sector it includes learning from comparison defining a problem and creating awareness where to look for lessons applying the policy model the problems of importing models using terms to evaluate future consequences **How to Manage International Multidisciplinary**

Research Projects Hantrais, Linda, 2022-08-05 This insightful How to guide is expertly crafted to assist mid career academic and non academic researchers in preparing for new and innovative ways of working in international multidisciplinary environments Segregation Eric Fong, Kumiko Shibuya, Brent Berry, 2021-11-30 Segregation is one of the starkest social realities of contemporary societies Though often associated with explicitly racist laws of the past it is a phenomenon that persists to this day and is a crucial element for understanding group relations and the wellbeing of different populations in society In this book Eric Fong Kumiko Shibuya and Brent Berry provide a thorough discussion of the evolving complexity of segregation in its variety and variations The authors focus not only on past trends and the development of segregation measures but also the current state of affairs and demonstrate the connections between the segregation of racial ethnic groups and immigrant communities along with poverty concentration By taking a wide cross cutting view the authors identify commonalities and differences in the causes mechanisms and consequences of segregation Spatial and social segregation together perpetuate and reinforce the unequal distribution of resources among racial and ethnic groups which in turn can have positive and negative consequences for individuals and groups This critical overview of segregation will be a valuable and insightful resource for students of sociology geography and ethnic studies as well as those keen to get a handle on this persistent challenge to equal and inclusive societies Housing East Asia J. Doling, R.

Ronald, 2014-01-21 Housing policy has been central to the economic success stories of the major East Asian economies as well as a pillar of social and welfare provision This book explores not only the development of their distinctive approach but also the challenges posed in recent years and currently by rapid socio economic and demographic change *IBSS: Political Science: 2004 Vol.52* The British Library of Political and Economic Science, 2004-12 First published in 1952 the International Bibliography of the Social Sciences anthropology economics political science and sociology is well established as a major bibliographic reference for students researchers and librarians in the social sciences worldwide Key features Authority Rigorous standards are applied to make the IBSS the most authoritative selective bibliography ever produced Articles and books are selected on merit by some of the world's most expert librarians and academics Breadth Today the IBSS covers over 2000 journals more than any other comparable resource The latest monograph publications are also included International Coverage The IBSS reviews scholarship published in over thirty languages including publications from Eastern Europe and the developing world User friendly organization all non English titles are word sections Extensive author subject and place name indexes are provided in both English and French *Changing Governance and Public Policy in East Asia* Ka Ho Mok, Ray Forrest, 2008-11-24 This book offers critical analysis of the search for new governance in Asia comparing and contrasting the experiences of different Asian societies including China Japan Hong Kong Singapore Taiwan South Korea Malaysia and Thailand **Debating Political Reform in China** Suisheng Zhao, 2014-12-18 The growing disconnect between China's market oriented economy with its emerging civil society and the brittle anachronistic and authoritarian state has given rise to intense discussion and debate about political reform not only by Western observers but also among Chinese intellectuals While some expect China's political reform to lead to democratization others have proposed to strengthen the institution of single party rule and provide it with a solid legal base This book brings the ongoing debate to life and explores the options for political reform Offering the perspectives of both Western and Chinese scholars it presents the controversial argument for building a consultative rule of law regime as an alternative to liberal democracy It provides several critiques of this thesis and then tests the thesis through empirical studies on the development of the rule of law in China Urban Poverty, Housing and Social Change in China Ya Ping Wang, 2004-10-21 There is a close association between urban poverty and housing transitional societies Along with job security housing was the most important element of the socialist welfare system Housing privatisation has far reaching economic implications **China's Pension Reforms** Ke Meng, 2018-09-03 Existing literature has looked at many factors which have shaped Chinese pension reforms As China's pension reform proceeds in an expanding and localising fashion this book argues that there is a pressing need to examine it in the context of China's political institutions and economic transformations The book takes a unique approach by looking at political institutions of the Chinese state and the changing conditions of the Chinese economy which rarely receive proper treatment in the current analysis of China's pension reforms *The Crisis of Welfare in East Asia* James Lee, Kam-wah

Chan,2010-06-23 The Crisis of Welfare in East Asia adopts a unique and critical perspective on contemporary social welfare policies in East Asia This edited volume reflects on current welfare theories and challenges the dominant productivist ideology that overemphasizes the influence of work and family James Lee and Kam Wah Chan bring together authors from different social policy domains to provide an updated assessment of inadequacies and limitations in current social policies as well as the problematic theories guiding them The authors demystify the so called East Asian Welfare Model and reengage themselves in the identification of an appropriate welfare ideology which includes a selective integration of social policy and economic development The Crisis of Welfare in East Asia is a dynamic and enlightening read that will interest students of public policy and those interested in welfare capitalism
