Social Regulatory Policy:

Social Regulatory Policy Raymond Tatalovich, Byron W. Daynes, 2019-08-22 In this book the authors propose an important variant of regulation social regulatory policy and explain how the six moral controversies about the policy school prayer pornography crime gun control affirmative action and abortion are handled by the American political system **Black and Multiracial Politics in America** Yvette Marie Alex-Assensoh, Lawrence J. Hanks, 2000-11-01 America is currently in the midst of a major racial and ethnic demographic shift By the twenty first century the population of Hispanics and Asians will increase significantly while the black population is expected to remain relatively stable Non Hispanic Whites will decrease to just over half of the nation s population How will the changing ethnic and racial composition of American society affect the long struggle for black political power and inclusion To what extent will these racial and ethnic shifts affect the already tenuous nature of racial politics in American society Using the literature on black politics as an analytical springboard **Black and Multiracial Politics in America** brings together a broad demography of scholars from various racial and ethnic groups to assess how urban political institutions political coalitions group identity media portrayal of minorities racial consciousness support for affirmative action policy political behavior partisanship and other crucial issues are impacted by America s multiracial landscape Contributors include Dianne Pinderhughes M Margaret Conway Pei te Lein Susan Howell Mack Jones Brigitte L Nacos Natasha Hritzuk Marion Orr Michael Jones Correa A B Assensoh Joseph McCormick Sekou Franklin Jose Cruz Erroll Henderson Mamie Locke Reuel Rogers James Endersby Charles Menifield and Lawrence J Hanks ***Regulatory Policy and the Social Sciences*** Roger G. The Rise and Fall of Moral Conflicts in the United States and Canada Mildred A. Schwartz,Raymond Tatalovich,2018-03-01 In The Rise and Fall of Moral Conflicts in the United States and Canada sociologist Mildred A Schwartz and political scientist Raymond Tatalovich bring their disciplinary insights to the study of moral issues Beginning with prohibition Schwartz and Tatalovich trace the phases of its evolution from emergence establishment decline and resurgence to resolution Prohibition s life history generates a series of hypotheses about how passage through each of the phases affected subsequent developments and how these were shaped by the political institutions and social character of the United States and Canada Using the history of prohibition in North America as a point of reference the authors move on to address the anticipated progression and possible resolution of six contemporary moral issues abortion capital punishment gun control marijuana pornography and same sex relations Schwartz and Tatalovich build a new theoretical approach by drawing on scholarship on agenda setting mass media social movements and social problems The Rise and Fall of Moral Conflicts provides new insights into how moral conflicts develop and interact with their social and political environment

Politics of Gun Control Robert J. Spitzer,2015-11-17 The new edition of this classic text covers the latest developments in American gun policy including shooting incidents plaguing the American landscape especially Sandy Hook the Colorado theatre shootings and the tragic death of Trayvon Martin placing them in context with similar recent events The incidents described in the book sparked a wave of gun control legislation at local state and national levels some of which was successful some doomed and all controversial At the national level President Obama put his political capital on the line to push for new gun control measures only to see them shot down by Congress Robert J Spitzer has long been a recognised authority on gun control and gun policy His even handed treatment of the issue as both a member of the NRA and the Brady Center continues to compel national and international interest including interviews by the likes of Terry Gross Tom Ashbrook and Diane Rehm This sixth edition of The Politics of Gun Control provides the reader with up to date data and coverage of gun ownership gun deaths school shootings border patrols and new topics including social media stand your ground laws magazine regulation and shooting related mental health initiatives

The Politics of Gun Control Robert J. Spitzer,2025-08-28 Since its initial publication in 1995 this book has become the classic work on every important

element of the tumultuous national gun debate in America This new edition brings together the latest developments and research in gun politics policy law history and criminology to provide a comprehensive and accessible source widely used by scholars journalists and in classrooms In this era of polarized politics this book provides a unique window into how and why that polarization drives our politics Among the new topics covered in this edition are the Supreme Court s new foray into applying history to evaluate modern gun laws the effects of political whipsawing between Democratic and Republican control of government and the consequences of that for gun laws violence and policy New to the Tenth Edition Analysis of the Supreme Court s Rahimi decision that for the first time implemented its controversial history based standard for judging the constitutionality of current gun laws Highlights the whiplash between the pro gun policy actions of the Biden administration and the second Trump administration s about face to roll back those initiatives Chronicles the rise and nearly cataclysmic implosion of the once vaunted National Rifle Association as self created problems brought it to the brink of disaster and as legal actions against the NRA finally came to an end Elucidates the scramble of other gun rights groups to replace the NRA as the nation s foremost anti gun law organization Presents new and updated statistical research on gun ownership in America gun related fatalities public opinion support of red flag laws and other gun control measures After a surge in gun violence and gun ownership both have receded to pre pandemic levels and the murder rate continues its decline after a short upsurge Includes new pedagogical features of chapter summaries and discussion questions in each chapter

Moral Controversies in American Politics Raymond Tatalovich, This popular book impartially examines eight hotly contested current political issues in which one or both sides seeks to use government authority to enforce certain norms of behavior in chapters that are Social Regulatory Policy Raymond Tatalovich, Byron W Daynes, 1988-09-18

Abortion Politics in American States Mary C. Segers, Timothy A. Driving Forces James A. Dunn, 2010-12-01 To its critics the automobile is a voracious consumer of irreplaceable energy resources a leading polluter of the environment and a destroyer of cohesive communities The most outspoken opponents call for greater regulations and restrictions to ultimately replace the automobile as the country s primary means of transportation But their proposals all ignore one simple fact Americans love their cars Millions of citizens have made the automobile the most successful method of

mass transportation ever developed and they are not about to give up the personal mobility it offers This book presents the controversial view that for the vast majority of Americans the automobile is not the problem but the solution to transportation needs While acknowledging the automobile s significant drawbacks the author refutes much of the shrill rhetoric and doomsday predictions of its opponents He takes a skeptical look at the major policy initiatives to tax regulate and provide alternatives to the automobile pointing out that any policies designed to remove Americans from their cars without offering them a superior means of mobility are worse than useless and doomed to failure The book offers suggestions and guidelines for politically realistic initiatives that preserve the benefits of the automobile while building public support for policies that will reduce its negative effects on energy use and the environment *Deeds and Words* Rosie Campbell, Sarah

Childs, 2024-08-22 How does feminism shake up political science the study of politics and electoral politics What difference do feminist political scientists and politicians make to political institutions policy processes and outcomes The scholarship and activism of pioneering feminist political scientist Professor Joni Lovenduski helped establish these questions on the political science agenda This book addresses key themes in Lovenduski s seminal work State of the art chapters by leading scholars cover gender and parties elected institutions and the state quotas and recruitment public opinion and women s interests Vignettes by prominent politicians and practitioners including Dame Anne Begg MP Baroness Gould Deborah Mattinson and the Rt Hon Theresa May bring the academic analysis to life *Deeds and Words* reveals the impact of feminist interventions on politics in the round Its groundbreaking assessment of feminist scholarship and politics offers an appraisal of and fitting tribute to Lovenduski s own contribution to gender studies and feminist politics **Judicial Review and**

Judicial Power in the Supreme Court Kermit L. Hall, 2014-07-22 Available as a single volume or as part of the 10 volume set *Supreme Court in American Society* **Impact of Gun Violence in School Systems** Herron, Jeffrey, Sartin, Sharon

R., 2024-04-29 The United States is a nation that has been facing a crisis of violence within its school system for decades This disruptive and traumatic phenomenon has had lasting impacts on the systems in which educations must exist but the ripple effects of this require an extensive analysis To advance society quality education is necessary and ensuring that quality demands that experts take a step back and look at the bigger picture In the wake of rising concerns over safety in educational environments *Impact of Gun Violence in School Systems* delves into the urgent issue of gun violence within the United States school systems As educators administrators counselors social workers and policy makers grapple with the complex challenges presented by violence this book serves as a comprehensive guide to understanding the multifaceted dimensions of the issue Examining topics such as gun violence mental health school suspension student success bullying violence reduction programs alternative schools inner city youth programs and zero tolerance policies the manuscript synthesizes current research real world examples and innovative solutions *Impact of Gun Violence in School Systems* not only sheds light on the root causes of violence within educational settings but also provides actionable insights and

recommendations making it an indispensable resource for those committed to creating safer and more conducive learning environments for our youth Anticipatory Policymaking Rob A. DeLeo, 2015-09-16 Public policy analysts and political pundits alike tend to describe the policymaking process as a reactive sequence in which government develops solutions for clearly evident and identifiable problems While this depiction holds true in many cases it fails to account for instances in which public policy is enacted in anticipation of a potential future problem Whereas traditional policy concerns manifest themselves through ongoing harms anticipatory problems are projected to occur sometime in the future and it is the prospect of their potentially catastrophic impact that generates intense speculation and concern in the present Anticipatory Policymaking When Government Acts to Prevent Problems and Why It Is So Difficult provides an in depth examination of the complex process through which United States government institutions anticipate emerging threats Using contemporary debates over the risks associated with nanotechnology pandemic influenza and global warming as case study material Rob A DeLeo highlights the distinctive features of proactive governance By challenging the pervasive assumption of reactive policymaking DeLeo provides a dynamic approach for conceptualizing the political dimensions of anticipatory policy change
