*The School Services Sourcebook, Second Edition* Cynthia Franklin, Mary Beth Harris, Paula Allen-Meares, 2012-11-27 The *School Services Sourcebook* covers every aspect of school service delivery arming practitioners with the nuts and bolts of evidence based practice The second edition has been significantly revised with a new structure including 73 chapters divided into five Parts across thirteen

Sections with an additional six chapters included in an online section found on the book's companion website. Fifteen new chapters cover key topics such as implementing an RTI framework, positive behavioral supports, school climate, functional behavioral assessment, the integration of ethics, Autism and suicide, school engagement, military families, Latino immigrant families, classroom management, transition planning, and several chapters that speak to assessment and accountability. Each chapter serves as a detailed intervention map, quickly summarizing the problem area before presenting step-by-step instructions on how to implement an evidence-based program with clear goals in mind and methods to measure the outcome. The concise user-friendly format from the first edition has been retained, orienting readers to each issue with a 'Getting Started' section, then moving smoothly into 'What We Know', 'What We Can Do', 'Tools and Practice Examples', and 'Key Points to Remember'. A new section, 'Applying Interventions within Response to Intervention Framework', has been added to each chapter to facilitate the implementation of an RTI model. Quick reference tables and charts highlight the most important information needed for daily reference, and annotated lists of further reading and Web resources guide readers in gathering additional information to tailor their practice to suit their students' needs. Each chapter has been specifically crafted by leaders in their fields with the ultimate goal of giving school-based practitioners the tools they need to deliver the best mental health and social services possible to students, families, and communities. This sourcebook is an invaluable reference for all school-based social workers, psychologists, counselors, mental health professionals, educators, and administrators. **Rethinking Feminist Theories for Social Work Practice** Christine Cocker, Trish Hafford-Letchfield, 2022-04-24. Feminist social work has clear goals to expose and critically analyse gendered power as a dynamic, historic and structural concept embedded in our world and to mobilise and take social action to challenge that power. This is integral to a commitment to the core values of the social work profession, which include a commitment to human rights, social justice and professional integrity. This edited collection brings a range of academic and practitioner scholarship to centre feminist theories, values and knowledge as they apply to social work practice, theory and education. It engages with feminist thinking to re-emphasise and refocus the centrality of gender and its intersections with other axes of identities such as social class, race, disability, sexuality and age for understanding and analysing social work practice. This collection is a timely reminder of what feminist inquiry has to offer social work to

successfully address contemporary challenges and is applicable to practitioners scholars educators students and other key care professionals and policy makers      **Social Work and Lesbian, Gay, Bisexual and Trans People** Julie
