critical question in social studies education is not whether teachers develop and teach units of study but what is in the units of study teachers develop and teach Curricular planning and instruction must focus on what we teach in the social studies classroom It is not uncommon for students to experience fine units about the westward movement and exit the fifth grade with little or no geographic literacy Most students leave middle school grades unable to name even one person who made a difference in the history of Indian people in the United States After three to five years of history classes high school students routinely self report that history is boring And it is the rare middle school graduate who knows how to use a free enterprise economy for his or her benefit This book explains the content of nine areas in social studies If teachers know what history biographical studies and the United States Constitution mean for instruction they can increase the probability of better focused content in their social studies instruction

**The Status of Social Studies** Jeff Passe, Paul G. Fitchett, 2013-10-01 A team of researchers from 35 states across the country developed a survey designed to create a snapshot of social studies teaching and learning in the United States With over 12 000 responses it is the largest survey of social studies teachers in over three decades We asked teachers about

their curricular goals their methods of instruction their use of technology and the way they address the needs of English language learners and students with disabilities We gathered demographic data too along with inquiries about the teachers training their professional development experiences and even whether they serve as coaches The enormous data set from this project was analyzed by multiple research teams each with its own chapter This volume would be a valuable resource for any professor doctoral student or Master s student examining the field of social studies education It is hard to imagine a research study topical article or professional development session concerning social studies that would not quote findings from this book about the current status of social studies With chapters on such key issues as the teaching of history how teachers address religion social studies teachers use of technology and how teachers adapt their instruction for students with disabilities or for English language learners the book s content will immediately be relevant and useful
