Doing Race in Social Studies Prentice T. Chandler, 2015-07-01 Race and racism are a foundational part of the global and American experience With this idea in mind our social studies classes should reflect this reality Social studies educators often have difficulties teaching about race within the context of their classrooms due to a variety of institutional and personal factors Doing Race in Social Studies Critical Perspectives provides teachers at all levels with research in social studies and critical race theory CRT and specific content ideas for how to teach about race within their social studies classes The chapters in this book serve to fill the gap between the theoretical and the practical as well as help teachers come to a better understanding of how teaching social studies from a CRT perspective can be enacted The chapters included in this volume are written by prominent scholars in the field of social studies and CRT They represent an original melding of CRT concepts with considerations of enacted social studies pedagogy This volume addresses a void in the social studies conversation about race how to think and teach about race within the social science disciplines that comprise the social studies Given the original nature of this work Doing Race in Social Studies Critical Perspectives is a much needed addition to the conversation about race and social studies education

Social Studies for Secondary Schools Alan J. Singer, 2003-04-02 Social Studies for Secondary Schools Teaching to Learn Learning to Teach Second Edition integrates discussions of educational goals and the nature of history and social studies with practical ideas for organizing social studies curricula units lessons projects and activities A major theme woven throughout the text is that what we choose to teach and the way we teach reflect our broader understanding of society history and the purposes of social studies education Each chapter opens with a broad question about social studies education provides many examples of lessons including lesson ideas developed by new and experienced middle school and high school social studies teachers features a rich variety of teaching learning and classroom activities designed to provoke discussion and illustrate different approaches to teaching social studies and concludes with essays about related social studies topics Part I focuses on philosophical issues social studies goals and standards and the design of social studies curricula Part II examines and offers examples of strategies for planning units and lessons Part III explores topics such as thematic and interdisciplinary teaching a project approach to social studies as well as assesses student learning and one's own performance as a teacher and provides a guide to social studies resource materials and organizations New in the Second Edition Every chapter has been updated and includes a number of new lesson ideas The lesson ideas are designed especially to help beginning teachers address learning standards work in inclusive settings and promote literacy and the use of

technology in social studies classrooms Sample activities developed with members of the Hofstra New Teachers Network reflect the current focus on document based instruction and assessment and can serve as tools for assessing student learning Increased attention is given to project based social studies instruction and to multicultural education Intended as a text for undergraduate and graduate preservice social studies methods courses this text is also useful for in service training programs as a reference for new social studies teachers and as a resource for experienced social studies educators who are engaged in rethinking their teaching practice Activating the Primary Social Studies Classroom Leslie Marlow, Duane Inman, 2005-04-21 In this educational era of increasing emphasis on student performance there is a definite shortage of high interest resources through which teachers can effectively address the ten standards identified by the National Council for the Social Studies NCSS Teachers need ideas for simple low cost activities which they can do with their students to allow social studies learning to occur in an interesting engaging manner Now there is a resource designed with hands on learning opportunities that are aligned with the NCSS standards Included in this sourcebook are Assessment rubrics Student and professional technology resources Descriptions of various instructional models An appendix containing background information to facilitate the users understanding of certain activities A glossary of specialty terms and concepts used Each activity which addresses multiple standards can be used for enrichment or to accommodate students with various needs The activities feature Recommendations for interesting children s literature Links to web sites related to each activity Suggestions for adaptations or extensions to effectively meet the needs of specific students Will be of interest to pre service and in service elementary teachers who want to enliven their classrooms with student involvement and interest in social studies topics *People We Know, Grade 2* Hsp, 2005-11-01 **Teaching Social Studies** James Little, Gerald L. Wilson, Virginia Wilson, 1993-01-30 Just as society has changed dramatically over the last century so have the social sciences This valuable reference chronicles the historical development of social studies as a discipline in elementary and secondary schools It also assesses the current state of teaching and research in the social sciences and history at the pre college level and it charts new directions for the future of social studies in secondary and elementary schools By tracing the historical development of social studies the reference indicates how social studies has constantly been redefined to meet the changing needs and expectations of society At the same time the historical context provided by the authors sheds new light on the current state of social studies in the curriculum and the development of social studies in the future The book begins with introductory chapters that overview themes and issues common to all areas of history and the social sciences The chapters that follow summarize and assess the developments and trends of particular fields commonly thought to constitute social studies The volume concludes with chapters on broad topics including the place of religion in the social studies curriculum the role of writing in history and the social sciences and the professional training of social studies teachers Each chapter begins with a section of reflections on the development of the discipline followed by a section on current issues and trends

followed by a final section of projections for the future of the discipline The result is a comprehensive overview of the past present and future of social studies in elementary and secondary schools and an indispensable reference for educators historians and social scientists **The SAGE Handbook of Social Studies in Health and Medicine** Susan C.
