Social Survival for Children Peter W. Dowrick,1986

TWELVE COUNSELING PROGRAMS FOR CHILDREN AT RISK

Susan T. Dennison,1989-01-01 The school counselor and related mental health professional is provided with structural curricula for treating twelve specific problem areas of children with step by step guides for planning and conducting therapy Over 150 assessment instruments 120 session themes 30 techniques and 150 related resources greatly reduce planning and research time While written primarily for children counselors the book is easily adapted by speech language pathologists art therapists and for training the beginning therapist The book targets children at risk with emotional problems but covers secondary difficulties physical handicaps neurological impairments learning disabilities hyperactivity mental retardation or a combination of these

A Comprehensive Guide to Child Psychotherapy and Counseling Christiane Brems,Christina H. Rasmussen,2018-08-08 Christiane Brems in collaboration with new coauthor Christina Rasmussen introduces prospective and practicing clinicians to theories and principles of applied clinical work with children ages three to twelve years The authors take an integrated approach to understanding children and their families using a biopsychosociocultural model for conceptualization and treatment planning Their methods are practical and compassionate as well as contextually grounded and individually tailored Chapters follow the logical development of clinicians mirroring the natural flow of work with children Coverage ranges from the importance of a beginning practitioner s introspection and of ethical and legal issues to a variety of intervention techniques and strategies and finally termination Case studies showcase individualized and mindful treatment for each child with whom a clinician works Outstanding Features of the Fourth Edition Essential attention to how clinicians self awareness can lead to positive therapeutic relationships with children and their families Thorough discussions of the biopsychosociocultural model for conceptualization and treatment planning Emphasis on intensive assessment prior to treatment planning to address the needs of each child and family A compelling practical exploration of mindfulness intervention with children The authors methodology addresses the profound effects of the larger environment and culture on children By adopting the authors integrated approach clinicians are better able to understand important and complicated aspects of a child s and family s life From there compassionate thoughtful and relevant intervention ensues

Time-Limited, Intermittent Therapy With Children And Families Thomas Kreilkamp,2019-05-20 This book describes an approach to short term therapy with children and families that has been developed at a health maintenance organization the Harvard Community Health Plan HCHP First published in 1989 Routledge is an imprint of Taylor Francis an informa company

The Importance of Civility T. S. Bogorad,2006-08 Your choices charm and chutzpah can revitalize your community In her first book Bogorad reminds us that we are all social beings who need to socially interact to thrive as individuals and to sustain strong communities She shares with us the theory that social isolation leads to victimization and weakens our communities And she warns us that social cannibalism may consume us if we continue to ignore our need and

our obligation to socially interact with each other If you are a person whose community has been weakened by incivility victimization and or addiction the ideas within her book may help you strengthen your community Or if you are a person who has minimal contact with other people her ideas may provide you with a reason to increase the quantity and quality of your interactions Or if you are a person who lives in a community without incivility victimization and addiction the contents of her book may help you understand those of us whose social environment is not as perfect as yours But no matter who you are reading her book will cause you to wonder about the importance of civility and the costs of incivility Remember We all need a village And ponder What we do not say does hurt us and our polite interaction with others strengthens us and our community according to Bogorad

Treating Traumatized Children Beverly James,1989 Listening to a small child describe a parent s murder can tax the most seasoned professional Cases of physical and sexual abuse where trauma was deliberately inflicted can particularly challenge a practitioner s defenses Treating Traumatized Children is the first handbook to provide specific guidance and tools for treating children who have been traumatized by physical and sexual abuse disaster divorce or witnessing violent events This book will provide helping professionals with a clear blueprint for assessing the impact of trauma and developing specific treatment plans Beverly James a specialist in evaluating and treating traumatized children outlines creative exercises and techniques that will enable clinicians to join with children in slowly and carefully reviewing their experiences and helping them understand and accept their feelings related to the trauma Art play and drama techniques among others are presented in a sophisticated yet straightforward style useful to clinicians with specialized training in such techniques or those using them for the first time

Succeeding with Interventions for Asperger Syndrome Adolescents Michael Fitzgerald,Maria Lawlor,John Harpur,2006-02-15 This book presents strategies to tackle the difficulties in social interaction and communication experienced by adolescents with Asperger Syndrome Focusing on the development of interaction skills through teaching social competence it explains how to design an effective social skills intervention programme leading to successful peer interaction

Handbook of Interpersonal Competence Research Brian H. Spitzberg,William R. Cupach,2012-12-06 Handbook of Interpersonal Competence Research offers a vital desk reference to anyone doing research on social skills and interaction Interpersonal competence defined broadly refers to the quality or skillfulness of social interaction The reference manual provides a complete and comprehensive bibliography on this subject with over 1 600 entries in addition to a review of over 80 measures directly related to the study of competence The Handbook covers more measures more constellation measures and provides a far more detailed bibliography than any source available to date No other work on this subject approaches the level of breadth and depth of both published and unpublished background sources Handbook of Interpersonal Competence Research will be valuable to clinicians consulting psychologists organizational consultants researchers and students interested in the assessment of social skills
