Social Work Seeking Relevancy In The Twenty First Century:

Social Work for the Twenty-first Century Francis K. O. Yuen, 2006-04-30 This work is a critical analysis of the various aspects of social work education and practice It argues that social work is still a profession searching for a firm identity and a clear and respectful image The incorporation of science and scientific approach into social work education and practice appears to be the key for the profession to continue to grow and gain its rightful place in the professional and academic communities Lastly this book is intended to generate productive dialogues to advance the profession and its educational processes

Social Work Jean A Pardeck, Roland Meinert, Larry W Kreuger, 2020-07-24 Discover why social work must be restructured if it is to remain viable *Social Work Seeking Relevancy in the Twenty First Century* provides you with a critical examination of the major issues that social work education and practice must confront if social work is to remain as a mainline profession The book explores issues that are not normally covered in social work literature such as the challenge of reconstructing the social work profession the use of technology in social work and the tension surrounding various social work education curriculums You will benefit from this thorough discussion of the many problems that the social work profession is facing a lack of scholarly research inadequate educational programs and the use of hypertechnology to educate social work students *Social Work Seeking Relevancy in the Twenty First Century* examines the epistemological theoretical socio technical and practice directions that social work has branched into You ll discover that today s central direction for social work is generated from liberal postmodern and increasingly feminist ideological perspectives In a field where conceptual and theoretical input rarely allow for intellectual diversity this volume demonstrates that several views are best for inquiry and exploration in social work Issues discussed include examining real or unreal social work values by separating them from beliefs preferences norms attitudes and opinions creating social work course outlines that incorporate practices developed around the globe allowing for more conceptual and theoretical growth within the field realizing the tremendous difference between communication in the instrumental sense via technology and in the affective soul oriented sense via personal interaction investigating the negative effects of communicating with hypertechnology modems e mail in the social work profession realizing the need for a greater quantity and quality of social work research to progress further in the field *Social Work Seeking Relevancy in the Twenty First Century* invites you to reinvent social work for today s post industrial and post modern era You will discover a series of challenges that social work must meet and overcome if it is to move into the new century as a relevant and viable profession You will explore solutions such as increasing scholarship and research among social workers and decreasing the use of technology for example classes held via the Internet in social work education programs in order to increase the quality of the social work profession

Social Work Roland G. Meinert, John T. Pardeck, Larry Kreuger, 2000 *Social Work Seeking Relevancy Beyond the Postmodern Era* critically examines major issues that social work education and practice must confront if social work is to remain as a mainline profession As a social work

student or professional you will be exposed to issues in social work that normally are not covered in mainline social work literature such as the use of hypertechnology the disjuncture of science and social work problems with social work theories and the challenge of reconstructing the social work profession This important book examines these issues and offers an analysis to assist you with taking social work into the next millennium

One Hundred Years of Social Work Therese Jennissen, Colleen Lundy, 2011-02-17 One Hundred Years of Social Work is the first comprehensive history of social work as a profession in English Canada Organized chronologically it provides a critical and compelling look at the internal struggles and debates in the social work profession over the course of a century and investigates the responses of social workers to several important events A central theme in the book is the long standing struggle of the professional association the Canadian Association of Social Workers and individual social workers to reconcile advancement of professional status with the promotion social action The book chronicles the early history of the secularization and professionalization of social work and examines social workers roles during both world wars the Depression and in the era of postwar reconstruction It includes sections on civil defence the Cold War unionization social work education regulation of the profession and other key developments up to the end of the twentieth century Drawing on extensive archival research as well as personal interviews and secondary literature the authors provide strong academic evidence of a profession that has endured many important changes and continues to advocate for a just society and a responsive social welfare state One Hundred Years of Social Work will be of interest to social workers social work students and educators social historians professional associations and anyone interested in understanding the complex nature of people and institutions

Social Work in an Unequal World Rajendra Baikady, 2025 Social Work in an Unequal World offers a comprehensive collection of current global perspectives addressing the complex issues arising at the intersection of inequality and social work The book aims to help social work educators students practitioners and policy makers think critically about the skills and knowledge they need to understand and tackle inequality and provide meaningful help to the people most in need

Resources in Education, 2001-04 Social Work: Themes, Issues and Critical Debates Robert Adams, Lena Dominelli, Malcolm Payne, 2017-09-16 Social Work Themes Issues and Critical Debates one of the most respected and widely used textbooks in social work has now been completely revised and updated With its accessible and clearly structured framework the book offers expert discussion of the core topics in social work by top writers teachers and practitioners in the field It provides an essential grounding in the debates that shape the profession as well as a clear insight into the issues at the heart of practice What makes this highly regarded and bestselling book stand out from other texts Its range authority and theoretical integrity Its clear and effective structure which reflects major shifts in teaching and makes it easy to use across modules The importance it lays on practice based learning and on developing core practice skills such as communication assessment and intervention Its value as a springboard to further reading including extensive guidance on further print and electronic sources Its compact size perfect

for readers who are travelling between campus and practice settings This is one of three interrelated books edited by the internationally renowned and widely published team Robert Adams Lena Dominelli and Malcolm Payne The companion books are Critical Practice in Social Work second edition and Practising Social Work in a Complex World Each book can be used alone or in combination with the other two as a uniquely flexible and comprehensive programme of study

Child Welfare for the Twenty-first Century Gerald P. Mallon, Peg McCartt Hess, 2005-09-14 This up to date and comprehensive resource by leaders in child welfare is the first book to reflect the impact of the Adoption and Safe Families Act ASFA of 1997 The text serves as a single source reference for a wide array of professionals who work in children youth and family services in the United States policymakers social workers psychologists educators attorneys guardians ad litem and family court judges and as a text for students of child welfare practice and policy Features include Organized around ASFA's guiding principles of well being safety and permanency Focus on evidence based best practices Case examples integrated throughout First book to include data from the first round of National Child and Family Service Reviews Topics discussed include the latest on prevention of child abuse and neglect and child protective services risk and resilience in child development engaging families connecting families with public and community resources health and mental health care needs of children and adolescents domestic violence substance abuse in the family family preservation services family support services and the integration of family centered practices in child welfare gay and lesbian adolescents and their families children with disabilities and runaway and homeless youth The contributors also explore issues pertaining to foster care and adoption including a focus on permanency planning for children and youth and the need to provide services that are individualized and culturally and spiritually responsive to clients A review of salient systemic issues in the field of children youth and family services completes this collection

Engaging with Social Work Christine Morley, Phillip Ablett, Selma Macfarlane, 2019-01-17 Equips students with a critical perspective and develops their understanding of social work practice

Disability Issues for Social Workers and Human Services Professionals in the Twenty-First Century Jean A Pardeck, John W Murphy, 2012-12-06 Examine issues of vital importance to you and your disabled clients today and in the years to come This groundbreaking text provides you with up to date authoritative information that will prove to be of critical importance for disability professionals in the coming years It will leave you better informed about aspects of disability that have not been well covered in the literature issues surrounding spirituality civil rights and the medical model vs social or minority model of viewing disability controversy You will examine the impact of the Americans with Disabilities Act in the wake of the Supreme Court's narrowing of the Act's powers and explore newly developed theories designed to more accurately define the true meaning of disability Disability Issues for Social Workers and Human Services Professionals in the Twenty First Century explores the current and potential roles of spirituality and religion in the rehabilitation process the use of medication in treating disability with a study focusing on children in foster care whose emotional behavioral disabilities are medically rather than psychologically treated

Attention Deficit Hyperactivity Disorder ADHD in college students show it impacts them as a disability requiring academic accommodations disability as an aspect of cultural diversity with suggested methods for educating the non disabled about people with disabilities limitations on the civil rights of those with disabilities and what can be done to eliminate those limitations computer technologies designed to aid people with disabilities with an examination of a health promotion Web site for children with disabilities and their families disability and the managed mental health system with an examination of the differences in service utilization and satisfaction in rural and urban areas how disability can be viewed as a social construct rather than something that is inherent to the disabled person Keeping current with new developments is imperative for social workers and other professionals whose work affects people with disabilities Disability Issues for Social Workers and Human Services Professionals in the Twenty First Century provides the information you need to stay on the cutting edge of progress in this rapidly evolving field *Human Services and the Afrocentric Paradigm* Jerome Schiele, Jerome H Schiele, 2013-09-13 Discover how human services professionals can help to eliminate cultural oppression Human Services and the Afrocentric Paradigm presents a new way of understanding human behavior attacking social problems and exploring social issues This excellent guide shows that understanding the simultaneous forces of oppression and spiritual alienation in American society serves as a foundation for understanding the societal problems here The first book to offer a comprehensive exposition of how the Afrocentric paradigm can be used by human service professionals and community advocates Human Services and the Afrocentric Paradigm discusses why and how human service work is hampered by Eurocentric cultural values and will help you to offer fair and effective services to your clients Human Services and the Afrocentric Paradigm provides you with a concrete description of how the Afrocentric model can be applied in human services to help people of all races and ethnicities You will expand and diversify your knowledge base in human services by understanding the cultural values traditions and experiences of people of African ancestry Some of the issues and concepts in the Afrocentric paradigm that you will explore are defining the Afrocentric worldview complete with a discussion of its philosophical assumptions and its shortcomings understanding traditional helping assumptions and methods of West African societies and how these have influenced the helping strategies of African Americans exploring the strengths and weaknesses of some early African American human service scholars with special concern placed on their rejection of traditional African methods in favor of Eurocentric ideas resolving youth violence and helping people with substance abuse problems examining Afrocentric assumptions about resource distribution morality and societal relationships identifying organizational and conceptual differences in Eurocentric and Afrocentric paradigms creating organizational empowerment and an enhanced work environment via the Afrocentric paradigm Human Services and the Afrocentric Paradigm will help you understand solve and prevent problems that are confronted by several races especially individuals of African descent This timely and relevant worldview is thoroughly explained to assist you in better serving people of color The Afrocentric paradigm will help human services practitioners

administrators policy advocates analysts educators and black studies professors and students achieve educational and treatment objectives by showing you the importance of various cultural values and how to integrate them to make a difference

Family Health Social Work Practice Frank W Hoffmann,2003 [Feminist Theories and Social Work](#) Christine Flynn Saulnier,2014-02-25 This invaluable guidebook accomplishes what many others on feminist theory do not It reviews both the theories and the applications of the field Too frequently books and articles tend to focus on one or two ways for practicing feminism when in reality different problems different groups of women and different goals may require a different theory for guiding objectiveness strategies and work style Using the wrong theory for a particular group or problem may backfire causing unexpected outcomes This book circumvents such unforeseen results Feminist Theories and Social Work reviews the most important theories of today evaluates the contributions and limitations of each branch and for each theory provides application examples at several levels of intervention
