Socialist Regimes Of Eastern Europe Their Establishment And Consolidation 1944 1967

John Clark, Aaron B. Wildavsky

Socialist Regimes Of Eastern Europe Their Establishment And Consolidation 1944 1967:

The Socialist Regimes of East Central Europe Jerzy Tomaszewski, 1989 Beginning with an account of the social and political situation in Eastern Europe in 1944 the author discusses the political changes in the area under the impact of internal struggles and the influence of the Great Powers **The Establishment Of Communist Regimes In Eastern Europe, 1944-1949** Norman Naimark, 2018-02-07 The collaborative effort of scholars from Russia and the United States this book reevaluates the history of postwar Eastern Europe from 1944 to 1949 incorporating information gleaned from newly opened archives in Eastern Europe For nearly five decades the countries of Yugoslavia Poland Albania Bulgaria Romania Hungary Czechoslovakia and the Soviet zone of Germany were forced to live behind the iron curtain Though their experiences under communism differed in sometimes fundamental ways and lasted no longer than a single generation these nations were characterized by systematic assaults on individual rights and social institutions that profoundly shaped the character of Eastern Europe today The emergence of the former People s Democracies from behind the iron curtain has been a wrenching process but as this book demonstrates the beginning of the communist era was equally as traumatic as its end With the opening of the archives in Russia and Eastern Europe the contributors have been able to get a much firmer grasp on Soviet policies in the region and on East European responses and initiatives which in turn has yielded more satisfying answers to vexing questions about Soviet intentions in the region and the origins of the Cold War Exploring these events from a new better informed perspective the contributors have made a valuable contribution to the historiography of postwar Europe

The Routledge History of East Central Europe since 1700 Irina Livezeanu, Arpad von Klimo, 2017-03-16 Covering territory from Russia in the east to Germany and Austria in the west The Routledge History of East Central Europe since 1700 explores the origins and evolution of modernity in this turbulent region This book applies fresh critical approaches to major historical controversies and debates expanding the study of a region that has experienced persistent and profound change and yet has long been dominated by narrowly nationalist interpretations Written by an international team of contributors that reflects the increasing globalization and pluralism of East Central European studies chapters discuss key themes such as economic development the relationship between religion and ethnicity the intersection between culture and imperial national wartime and revolutionary political agendas migration women s and gender history ideologies and political movements the legacy of communism and the ways in which various states in East Central Europe deployed and were formed by the politics of memory and commemoration This book uses new methodologies in order to fundamentally reshape perspectives on the development of East Central Europe over the past three centuries Transnational and comparative in approach this volume presents the latest research on the social cultural political and economic history of modern East Central Europe providing an analytical and comprehensive overview for all students of this region **Central and Eastern Europe, 1944-1993** Tibor Iván Berend, 1996 An ambitious comparative analysis of Eastern Bloc economies during a period of revolutionary change

Eastern European Capitalism in the Making Elena A. Iankova, 2002-09-09 Publisher Description *Eastern Europe, 1986-1993* Robert H. Burger, Helen F. Sullivan, 1995-12-15 Describing approximately 1 000 books published between 1986 and late 1993 this work provides readers with a selective guide to English language publications on the subject of Eastern Europe It covers general studies of the area as well as works on the individual countries of Albania Bulgaria the former Czechoslovakia the former German Democratic Republic East Germany Hungary Poland Romania and the former Yugoslavia In addition to bibliographic and descriptive information the authors also include citations to book reviews A companion to their *Russia and the Former Soviet Union Libraries Unlimited* 1994 this volume also focuses on the social sciences and the humanities As interest about this part of the world continues to build and English language publications about it proliferate Burger and Sullivan's guide is a pertinent addition to academic and public library collections **The Rise and Fall of the Soviet Empire** Raymond Pearson, 2002-07-04 *The Rise and Fall of the Soviet Empire* describes and explains the creation maintenance and eventual demise of the Soviet regime across post 1945 Eastern Europe Balancing internal factors such as resilient nationalism against external factors such as America's acceleration of the arms race Raymond Pearson sets the so called Soviet Empire within the broader context of global imperialism and decolonisation Full coverage is also given to the dramatic episodes of Eastern Europe dissent and the chequered career of the ostensibly monolithic Soviet Empire This revised and updated second edition features an expanded final chapter on the Last Empire assessing not only its patent strengths and hidden weaknesses but also its much publicised vices and rarely acknowledged virtues New documentation that has only become available in the last five years has been incorporated to provide a fuller retrospective historical judgement on the Soviet regime across Eastern Europe **Nationalism from the Left** Yannis Sygkelos, 2011-01-19 *Nationalism from the Left* examines the nationalist discourse of the BCP in many domains of political life and explains the reasons why the communists resorted to nationalism in the 1940s **Poland in the Modern World** Brian Porter-Szücs, 2014-03-17 *Poland in the Modern World* presents a history of the country from the late nineteenth century to the present incorporating new perspectives from social and cultural history and positioning it in a broad global context Challenges traditional accounts of Poland that tend to focus on national political history emphasizing the country's exceptionalism Presents a lively multi dimensional story balancing coverage of high politics with discussion of social cultural and economic changes and their effects on individuals' daily lives Explores both the regional diversity within Poland and the country's place within Europe and the wider world Provides a new interpretive framework for understanding key historical events in Poland's modern history including the experiences of World War II and the postwar communist era **The East European Economy in Context** David Turnock, 2003-09-02 Since 1989 the former communist countries of Eastern Europe have witnessed a profound and dramatic upheaval The economic coherence of this region formerly maintained through the adoption of the Soviet system of government has fractured In *The East European Economy in Context* Communism and

Transition David Turnock examines the transition from communist to free market economies both within and between the states of Eastern Europe As well as containing an informative survey of the impact of communism The East European Economy in Context provides Political profiles of individual countries A clear study of the contrasts between northern and balkan groups Summaries of regional variations in the transition process An exploration of the new state structures and resources Discussion of political stability inter ethnic tensions and progress in economic change

Stalin's Wars Geoffrey Roberts,2006-01-01 This breakthrough book provides a detailed reconstruction of Stalin s leadership from the outbreak of the Second World War in 1939 to his death in 1953 Making use of a wealth of new material from Russian archives Geoffrey Roberts challenges a long list of standard perceptions of Stalin his qualities as a leader his relationships with his own generals and with other great world leaders his foreign policy and his role in instigating the Cold War While frankly exploring the full extent of Stalin s brutalities and their impact on the Soviet people Roberts also uncovers evidence leading to the stunning conclusion that Stalin was both the greatest military leader of the twentieth century and a remarkable politician who sought to avoid the Cold War and establish a long term detente with the capitalist world By means of an integrated military political and diplomatic narrative the author draws a sustained and compelling personal portrait of the Soviet leader The resulting picture is fascinating and contradictory and it will inevitably change the way we understand Stalin and his place in history Roberts depicts a despot who helped save the world for democracy a personal charmer who disciplined mercilessly a utopian ideologue who could be a practical realist and a warlord who undertook the role of architect of post war peace

The Price of Freedom Piotr S. Wandycz,2017-07-05 The Price of Freedom surveys and explains the fascinating and intricate history of East Central Europe the present day countries of the Czech Republic Hungary Poland and Slovakia Taking a thematic approach the author explores such issues and controversies as the tension between the industrial developed West and the agrarian East Central Europe the rise of modern nationalism democracy and authoritarianism and Communism While the countries of East Central Europe have differed dramatically from one another the author asserts that they have been bound by a certain community of fate These comparisons are traced through the Middle Ages and the Early Modern era to the nineteenth and twentieth centuries This exploration reveals that it is no accident that the Czech Republic Hungary and Poland were the first among the former Soviet bloc nations to be admitted to NATO and are likely to become the first members of the expanded European Union Thus an understanding of their experiences contributions and their place within the European community of nations vastly enriches our knowledge of Europe s past and present The second edition of this distinguished book brings the history of the region up to date It discusses the events of the post communist decade of the 1990s and the problems resulting from the transition to democracy and market economy

Great Powers and International Hierarchy Daniel McCormack,2018-08-16 Hierarchical relationships rules that structure both international and domestic politics are pervasive Yet we know little about how these relationships are constructed maintained and

dismantled This book fills this lacuna through a two pronged research approach first it discusses how great power negotiations over international political settlements both respond to domestic politics within weak states and structure the specific forms that hierarchy takes Second it deduces three sets of hypotheses about hierarchy maintenance construction and collapse during the post war era By offering a coherent theoretical model of hierarchical politics within weaker states the author is able to answer a number of important questions including Why does the United States often ally with autocratic states even though its most enduring relationships are with democracies Why do autocratic hierarchical relationships require interstate coercion Why do some hierarchies end violently and others peacefully Why does hierarchical competition sometimes lead to interstate conflict and sometimes to civil conflict

Rebuilding Poland Padraic Kenney, 1997 The first book to examine the communist takeover in Poland from the bottom up and the first to use archives opened in 1989 Rebuilding Poland provides a radically new interpretation of the communist experience Padraic Kenney argues that the postwar takeover was also a social revolution in which workers expressed their hopes for dramatic social change and influenced the evolution and eventual downfall of the communist regime Kenney compares Łódź Poland's largest manufacturing center and Wrocław a city rebuilt as Polish upon the ruins of wartime destruction His account of dramatic strikes in the textile mills of Łódź shows how workers resisted the communist party's encroachment on factory terrain and its infringements of worker dignity The contrasting absence of labor conflict among migrants in the frontier city of Wrocław holds important clues to the nature of stalinism in Poland communist power was strongest where workers lacked organizational ties or cultural roots In the collective reaction of workers in Łódź and the individualism of those in Wrocław Kenney locates the beginnings of the end of the communist regime Losing the battle for worker identity the communists placed their hopes in labor competition which ultimately left the regime hostage to a resistant work force and an overextended economy incapable of reform

Captive University John Connelly, 2014-12-01 This comparative history of the higher education systems in Poland East Germany and the Czech lands reveals an unexpected diversity within East European stalinism With information gleaned from archives in each of these places John Connelly offers a valuable case study showing how totalitarian states adapt their policies to the contours of the societies they rule The Communist dictum that universities be purged of bourgeois elements was accomplished most fully in East Germany where more and more students came from worker and peasant backgrounds But the Polish Party kept potentially disloyal professors on the job in the futile hope that they would train a new intelligentsia and Czech stalinists failed to make worker and peasant students a majority at Czech universities Connelly accounts for these differences by exploring the prestalinist heritage of these countries and particularly their experiences in World War II The failure of Polish and Czech leaders to transform their universities became particularly evident during the crises of 1968 and 1989 when university students spearheaded reform movements In East Germany by contrast universities remained true to the state to the end and students were notably absent from the revolution

of 1989 **The Rebirth of East Europe** Michael G. Roskin, 2002 This book is designed to quickly enlighten readers about nature of East Europe Comprehensive and multiperspective yet easy and enjoyable to read it provides an accessible overview of everything that is politically relevant for the region geography political history Soviet occupation Cold War and system collapse Caught between Empires Flunking Democracy The Interwar Years East Europe and World War II The Communist Takeovers The Hated Regimes We Pretend to Work The Decay of Communism 1989 The Gorbachev Factor The Struggle for Democracy The Horrors of Yugoslavia Lessons Hopes Fears For those interested in Eastern European Politics Cold War History Comparative Politics International Relations *Communist and Marxist Parties of the World* Charles Hobday, David Scott Bell, Roger East, 1990 **Transatlantic Antifascisms** Michael Seidman, 2018 The first comprehensive scholarly account of antifascism analysing its development in Spain France Britain and the USA BUILDING PEOPLE'S POLAND: RESISTANCE AND TRANSFORMATION IN WORKING-CLASS COMMUNITIES AND THE COMING OF STALINISM TO POLAND, 1945-1949 (LODZ, WROCLAW). Padraic Kenney, 1992 established labor communities dominant in Lodz is compared to that of the uprooted unskilled rural migrants prevalent in Wroclaw *The Moral Collapse of Communism* John Clark, Aaron B. Wildavsky, 1990 Om kommunistisk politisk økonomi sammenlignet med vestlig kapitalisme hvor forfatterne bruger Polen som eksempel

Socialist Regimes Of Eastern Europe Their Establishment And Consolidation 1944 1967 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various

devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Socialist Regimes Of Eastern Europe Their Establishment And Consolidation 1944 1967 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Socialist Regimes Of Eastern Europe Their Establishment And Consolidation 1944 1967 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Socialist Regimes Of Eastern Europe Their Establishment And Consolidation 1944 1967 free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Socialist Regimes Of Eastern Europe Their Establishment And Consolidation 1944 1967. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Socialist Regimes Of Eastern Europe Their Establishment And Consolidation 1944 1967 any PDF files. With these platforms, the world of PDF downloads is just a click away.

Socialist Regimes Of Eastern Europe Their Establishment And Consolidation 1944 1967

1. Where can I buy Socialist Regimes Of Eastern Europe Their Establishment And Consolidation 1944 1967 books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Socialist Regimes Of Eastern Europe Their Establishment And Consolidation 1944 1967 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Socialist Regimes Of Eastern Europe Their Establishment And Consolidation 1944 1967 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
