

Socialist Thought in Imaginative Literature

Stephen Ingle

Socialist Thought In Imaginative Literature

William L. McBride

Socialist Thought In Imaginative Literature:

Socialist Thought in Imaginative Literature Stephen Ingle, 1979 Looks at imaginative literature as source material for politics tracing the history of socialism from the 1880s to the 1940s Authors whose works figure prominently in this study include William Morris Bernard Shaw H G Wells and George Orwell

Socialist Thought in Imaginative Literature Stephen Ingle, 1979-06-17 **Literature and the Political Imagination** Andrea T. Baumeister, John Horton, 2013-04-15 This volume shows how modern political theory can be enriched through an engagement with works of literature It uses the resources of literature to explore issues such as nationalism liberal philosophy utopianism narrative and the role of theory in political thought A variety of approaches are adopted and the aim is to show some of the many and diverse ways in which literature may enrich political theorising as well as considering some of the problems to which this may give rise The theorists discussed include Richard Rorty Alasdair MacIntyre Charles Taylor and Martha Nussbaum There are literary references from Greek tragedy Jonathan Swift Brian Moore Elizabeth Bowen and contemporary feminist utopian fiction All the contributors have a long standing interest in the relations between literature and moral and political thought They are concerned not to be restricted by conventional academic boundaries and are not united by any party line or uniformity of intellectual commitments This volume will be of great interest to all students engaged in the study of politics and literature

Writers and Social Thought in Africa Wale Adebani, 2017-10-02 Social theory and social theorizing about Africa has largely ignored African literature However because writers are some of the continent's finest social thinkers they have produced and continue to produce works which constitute potential sources for the analysis of social thought and for constructing social theory in and beyond the continent This comprehensive collection examines the relationship between African literature and African social thought It explores the evolution and aesthetics of social thought in African fiction and African writers' conceptions of power and authority legitimacy history and modernity gender and sexuality culture epistemology globalization and change and continuity in Africa This book was originally published as a special issue of the Journal of Contemporary African Studies

Imaginative Methodologies in the Social Sciences Michael Hviid Jacobsen, Michael S. Drake, Anders Petersen, 2017-05-15 Imaginative Methodologies in the Social Sciences develops expands and challenges conventional social scientific methodology and language by way of literary poetic and other alternative sources of inspiration as sociologists social workers anthropologists criminologists and psychologists all rethink provoke and reignite social scientific methodology Challenging the mainstream orthodoxy of social scientific methodology which closely guards the boundaries between the social sciences and the arts and humanities this volume reveals that authors and artists are often engaged in projects parallel to those of the social sciences and vice versa thus demonstrating that artistic and cultural production does not necessarily constitute a specialist field but is in fact integral to social reality As such it will be of interest to scholars and students in the social sciences and across the arts and humanities working on the philosophy of

social science methodology social theory creativity poetics pedagogy and other related topics **The Social and Political Thought of George Orwell** Stephen Ingle,2006-04-18 Stephen Ingle is Professor at the Politics Department University of Stirling His main academic interests are in the relationship between politics and literature and in adversarial two party politics especially in the UK **Reader's Guide to Literature in English** Mark Hawkins-Dady,2012-12-06 Reader's Guide to Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **The Oxford Handbook of British Politics** Matthew Flinders,2009-07-16 The Oxford Handbook of British Politics provides the most sophisticated and up to date analysis of British politics to date Essential for all those working in the area **Sartre's Life, Times and Vision du Monde** William L. McBride,2013-09-13 William L McBride Professor of Philosophy at Purdue University is co founder of the North American Sartre Society and the first chairperson of its executive board His most recent publications include Social and Political Philosophy and Sartre's Political Theory He was recently named Chevalier dans l'Ordre des Palmes Academiques by the French Government and has served as Chairperson of the Committee on International Cooperation of the American Philosophical Association and as President of the Societe Americaine de Philosophie de Langue Francaise **Late Victorian Utopias: A Prospectus, Volume 1** Gregory Claeys,2021-03-24 This collection of literary utopias calls for a complete overhaul of existing assumptions about utopian writing in this period The representation of utopian texts in these volumes shows that William Morris is far from representative of basic trends in the genre in this era This is Volume 1 of 6 and looks at selected works from 1875 to 1879 **Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World** Edward Jewett Wheeler,Isaac Kaufman Funk,William Seaver Woods,1904 *The Life of Saul Bellow* Zachary Leader,2015 Professor Leader marks the centenary of Bellow's birth with an account of the novelist's life The biography will be published in two volumes

The Neoconservatives Peter Steinfels,2013-11-19 More than three decades ago in *The neoconservatives* Peter Steinfels described a nascent movement predicting that it would be the sixties most enduring legacy to American politics Now in a new foreword to that portrait he traces neoconservatism's fateful transformation What was a movement of dissenting intellectuals creating a new modern kind of conservatism became a phalanx of political insiders urging the nation to flex its muscles overseas The neoconservatives describes the founders of the movement disenchanted liberals recoiling from the turmoil of the sixties a decline in authority and a loss of tough minded leadership at home and abroad Written contemporaneously to the birth of the movement that would profoundly mark American history The neoconservatives holds clues Steinfels argues to how and why neoconservatism swerved from its original promise even as it successfully implanted itself as an influential and aggressive element in our politics *Morality and the Literary Imagination* Gabriel R. Ricci, In a

letter to Boccaccio Petrarch extolled the virtue of poetry and letters for promoting an understanding of both human nature and morals The letter was designed to console him after hearing a prediction that he was soon to die and that he ought to renounce poetry The prophecy came from an elder renowned for his piety but Petrarch admonished that too often dishonesty and fraud are couched in religious sentiments Nothing not even death according to Petrarch ought to divert us from literature For Petrarch Virgil was the source for understanding how literary studies not only promote eloquence but enhance morals If anything literature dispels the fear of death The claims of this volume is that it may be the case that the virtuous life can be achieved by those ignorant of letters but a more direct and certain route is guaranteed by a devotion to literature The collected works in this new volume of the Transaction series Religion and Public Life heeds Petrarch's advice that literature not only orients us to life's developmental stages it can provide us with a more complete understanding of the human character while artfully advancing morals To this end Michelle Darnell's opening chapter entitled A New Age of Reason explains how existentialism is an argument for how literature can take on philosophical form not as formal argument but as persuasive narrative Over the objections of even those who study Sartre Darnell uses Sartre's The Age of Reason as a model and shows how his literary output was a legitimate philosophical inquiry In addition to the Darnell piece the volume boasts a series of outstanding and innovative works by scholars in the field Taken together as a whole these authors not only illustrate the moral consequences of an original choice but oblige the reader to explore the ramifications of such a choice in one's own life Gabriel R Ricci is professor of humanities and the chair of the Department of History at Elizabethtown College He is the author of Time Consciousness The Philosophical Uses of History and the editor of Transaction's much admired Religion and Public Life series

Russian Formalism Victor Erlich, 2012-02-13 No detailed description available for Russian Formalism

Design and the Social Imagination Matthew DelSesto, 2022-09-22 How can social theory help us all design solutions to address the social political and ecological challenges that confront us and build more sustainable communities Design professions have typically been associated with intervention and action while social science has long been associated with thought and reflection Design and social thought are too frequently considered distinct in terms of how theories can be applied in practice Design and the Social Imagination brings together the creative action oriented sensibility of design with the reflective analytical capacities of the social sciences to offer models ideas and strategies for shaping the future of the world we live in In a world of global economic inequality racism and environmental degradation designing with an understanding of our social reality is increasingly crucial to our survival Matthew DelSesto explores current practices and discourses in areas of urban design design for social innovation environmental design co design service design and more illustrating how thoughtful design can contribute in a more productive way Drawing on a range of theory and practice from radical social thinkers C Wright Mills Patrick Geddes Jane Addams and W E B Du Bois his book shows us how design and the social sciences can interact in order to intervene in the crises we face today

Italo Calvino's Architecture of Lightness

Letizia Modena,2011-05-09 This study recovers Italo Calvino's central place in a lost history of interdisciplinary thought politics and literary philosophy in the 1960s Drawing on his letters essays critical reviews and fiction as well as a wide range of works primarily urban planning and design theory and history circulating among his primary interlocutors this book takes as its point of departure a sweeping reinterpretation of Invisible Cities Passages from Calvino's most famous novel routinely appear as aphorisms in calendars posters and the popular literature of inspiration and self help reducing the novel to vague abstractions and totalizing wisdom about thinking outside the box The shadow of postmodern studies has had a similarly diminishing effect on this text rendering up an accomplished but ultimately apolitical novelistic experimentation in endless deconstructive deferrals the shiny surfaces of play and the ultimately rigged game of self referentiality In contrast this study draws on an archive of untranslated Italian and French language materials on urban planning architecture and utopian architecture to argue that Calvino's novel in fact introduces readers to the material history of urban renewal in Italy France and the U S in the 1960s as well as the multidisciplinary core of cultural life in that decade the complex and continuous interplay among novelists and architects scientists and artists literary historians and visual studies scholars His last love poem for the dying city was in fact profoundly engaged deeply committed to the ethical dimensions of both architecture and lived experience in the spaces of modernity as well as the resistant practices of reading and utopian imagining that his urban studies in turn inspired

The Revolutionary Imagination Alan M. Wald,1983 Revolutionary Imagination The Poetry and Politics of John Wheelwright and Sherry Mangan

Consciousness and Society H. Stuart Hughes,2017-07-05 Hughes ideas and the way they are expressed in Consciousness and Society have become paradigms of twentieth century scholarship In dealing with the changing social thought after 1890 in Europe Hughes covers a wide array of thinkers and issues in a scholarly yet graceful manner His is a study of the cluster of genius of Europe at that time Croce Durkheim Freud Weber and Nietzsche as well as other great European minds The book explores questions that are still relevant in today's society Is the separation of facts and values tenable or even desirable Can rationality accommodate the ideas of a Bergson or a Freud Is there or should there be a relationship between science and religion And does history have any ultimate meaning for later generations

Pessimism - Bailey Joe Bailey,2013-11-26 First Published in 1988 Pessimism is a peculiar idea It is either seen as a psychological problem or as a metaphysical issue but in neither sense is it treated as useful or illuminating or in any way relevant to our understanding of the world It is the thesis of this book that pessimism and optimism are unavoidable kinds of social judgment of the future which we all display and act upon

Whispering the Strategies of Language: An Emotional Journey through **Socialist Thought In Imaginative Literature**

In a digitally-driven world where monitors reign supreme and quick conversation drowns out the subtleties of language, the profound secrets and emotional nuances hidden within words usually get unheard. Yet, located within the pages of **Socialist Thought In Imaginative Literature** a charming fictional treasure pulsating with organic thoughts, lies an extraordinary quest waiting to be undertaken. Composed by a skilled wordsmith, this wonderful opus invites readers on an introspective journey, softly unraveling the veiled truths and profound influence resonating within the muscles cloth of each word. Within the emotional depths of the moving evaluation, we shall embark upon a genuine exploration of the book's primary subjects, dissect its interesting writing style, and fail to the effective resonance it evokes strong within the recesses of readers' hearts.
