Society And History In English Renaissance Verse:

Society and History in English Renaissance Verse Lauro Martines, 1985 *Politics of Discourse* Kevin Sharpe, Steven N. Zwicker, 2018-08-14 The outstanding essays in this volume explore the interdependency of literature and history in seventeenth century England The relation of text to society is examined both as theory and as practice The theoretical essays explore writing reading and the emergence of the aesthetic as historical phenomena of the seventeenth century Other contributions examine cultural and political practices that fashioned the century patronage representations of authority the socialization of party politics and fables of power What is often separated as a distinct sphere of literature is returned to the contexts of other cultural and discursive practices Using the shaping force of history on the imagination and the status of literature as historical evidence the authors also claim the power of imaginative texts to mold as well as reflect history *Politics of Discourse* not only increases our understanding of seventeenth century England but also advances the study of subjects of interest to cultural critics of all historical periods genre and canon the interplay of institution and imagination and the symbols of power Contributors Barbara K Lewalski Michael McKeon Earl Miner David Norbrook Annabel Patterson J G A Pocock Pocock Mary Ann Radzinowicz Kevin Sharpe Blair Worden Steven N Zwicker This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1987 The Rhetoric of Courtship in Elizabethan Language and Literature Catherine Bates, 1992-06-18 The Rhetoric of Courtship is about the literature of the Elizabethan period with a particular focus on the literature of the court This book considers how writers and courtiers related to Elizabeth I within a system of patronage and how they portrayed this relationship in fictional courtship of poetry and prose Elizabethan Women and the Poetry of Courtship Ilona Bell, 1998 This 1999 book offers an original study of lyric form and social custom in the Elizabethan age Ilona Bell explores the tendency of Elizabethan love poems not only to represent an amorous thought but to conduct the courtship itself Where studies have focused on courtiership patronage and preferment at court her focus is on love poetry amorous courtship and relations between Elizabethan men and women The book examines the ways in which the tropes and rhetoric of love poetry were used to court Elizabethan women not only at court and in the great houses but in society at large and how the women responded to being wooed in prose poetry and speech Bringing together canonical male poets and women writers Ilona Bell investigates a range of texts addressed to written by read heard or transformed by Elizabethan women and charts the beginnings of a female lyric tradition Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians

from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate. Additionally, the Encyclopedia includes some 200 essays treating the development of national, regional, and topical historiographies from the Ancient Near East to the history of sexuality. In addition to the Western tradition, it includes substantial assessments of African, Asian, and Latin American historians and debates on gender and subaltern studies.

The Variorum Edition of the Poetry of John Donne, Volume 4.2 John Donne, 2021-11-02. This volume, the ninth in the series of The Variorum Edition of the Poetry of John Donne, presents newly edited critical texts of 25 love lyrics. Based on an exhaustive study of the manuscripts and printed editions in which these poems have appeared, Volume 4.2 details the genealogical history of each poem, accompanied by a thorough prose discussion as well as a General Textual Introduction of the Songs and Sonets collectively. The volume also presents a comprehensive digest of the commentary on these Songs and Sonets from Donne's time through 1999. Arranged chronologically within sections, the material for each poem is organized under various headings that complement the volume's companions, Volume 4.1 and Volume 4.3.

Jacobean Poetry And Prose Clive Bloom, 1988-11-24. 11 essays which attempt to combine contemporary literary theory and sound practical criticism from a range of literary approaches. The contributors cover the poetry of John Donne, the theology and impact of The Book of Common Prayer, the politics of Jacobean theatre, and other themes.

A George Herbert Companion (Routledge Revivals) Robert H. Ray, 2014-05-01. First published in 1995, this title provides the reader with a compendium of useful information for any reader of George Herbert to have at hand. It includes key biographical information, situates the poetry in its historical and cultural context, and where appropriate, explains theological concepts and traditions which have a direct bearing on the verse. The aim throughout is to enhance understanding and appreciation without being exhaustive. *A George Herbert Companion* will be of most use to general readers and undergraduate students coming to this poetry for the first time, and will interest students of Anglican Caroline theology and hymnology.

A John Donne Companion (Routledge Revivals) Robert H. Ray, 2014-05-01. First published in 1990, this title provides a compendium of useful information for any reader of Donne to have at hand: crucial biographical material, historical contextualisation, and details about his life's work. The intention throughout is to enhance understanding and appreciation without being exhaustive. The major portion of the volume, in both importance and size, is *A Donne Dictionary*. Its entries are arranged alphabetically; they identify, describe, and explain the most influential persons in Donne's life and works, as well as places, characters, allusions, ideas, concepts, individual words, phrases, and literary terms that are relevant to a rounded appreciation of his poetry and prose. *A John Donne Companion* will prove invaluable for all students of English poetry and Anglican theology.

Europe in the Sixteenth Century H.G. Koenigsberger, George L. Mosse, G.Q. Bowler, 2014-06-06. This bestselling seminal book, a general survey of Europe in the era of Renaissance and Reformation, was originally published in Denys Hay's famous *Series A General History of Europe*. It looks at sixteenth-century Europe as a

complex but interconnected whole rather than as a mosaic of separate states The authors explore its different aspects through the various political structures of the age empires monarchies city republics and how they functioned and related to one another A strength of the book remains the space it devotes to the growing importance of town life in the sixteenth century and to the economic background of political change

Drama and the Market in the Age of Shakespeare Douglas Bruster, 2005-01-27 Douglas Bruster's provocative study of English Renaissance drama explores its links with Elizabethan and Jacobean economy and society looking at the status of playwrights such as Shakespeare and the establishment of commercial theatres He identifies in the drama a materialist vision which has its origins in the climate of uncertainty engendered by the rapidly expanding economy of London His examples range from the economic importance of cuckoldry to the role of stage props as commodities and the commercial significance of the Troy story in Shakespeare's *Troilus and Cressida* and he offers new ways of reading English Renaissance drama by returning the theatre and the plays performed there to its basis in the material world

The Local Origins of Modern Society David Rollison, 2005-08-11 Through a series of sharply focused studies spanning three centuries David Rollison explores the rise of capitalist manufacturing in the English countryside and the revolution in consciousness that accompanied it Combining the empiricism of English historiography with the rationalism of *Annales* and drawing on ideas from a wide range of disciplines he argues that the explosive implications of the rise of rural industry created new social formations and altered the communal cultural and social contexts of people's lives Using localized case studies of families and individuals the book starts with significant detail and moves out to build up a subtle and innovative view of English cultural identities in the early modern period

Theatre, Court and City, 1595-1610 Janette Dillon, 2006-11-02 This book explores the vital and interactive relationship between city and court in the drama of Shakespeare's time The growth of purpose built playhouses in late sixteenth century London began to shift the focus of performance for many companies away from provincial touring making the city a more conspicuous presence in drama Janette Dillon looks at relations between drama and city through the wider lens of fashion and commercialism examining in particular the developing West End area along the Strand She argues that the drama is oriented towards both the city of London and the court rather than to one or the other as previous studies have assumed The book is organized around physical and social forms of theatre space It ranges from analysis of well known plays such as Shakespeare's *Love's Labour's Lost* and Jonson's *Epicoene* to lesser known drama by Heywood and the newly discovered Jonsonian entertainment Britain's Burse

The Realms of Apollo Raymond A. Anselment, 1995-07 In *The Realms of Apollo* literary scholar Raymond A. Anselment examines how seventeenth century English authors confronted the physical and psychological realities of death Focusing on the dangers of childbirth and the terrors of bubonic plague venereal disease and smallpox the book reveals in the discourse of literary and medical texts the meanings of sickness and death in both the daily life and culture of seventeenth century England These perspectives show each realm anew as the domain of Apollo the deity widely

celebrated in myth as the god of poetry and the god of medicine Authors of both formal elegies and simple broadsides saw themselves as healers who tried to find in language the solace physicians could not find in medicine Within the context of the suffering so unmistakable in the medical treatises and in the personal diaries memoirs and letters the poets struggles illuminate a new cultural consciousness of sickness and death BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Historical Criticism and the Challenge of Theory** Janet Levarie Smarr,1993

London Dispossessed John Twynning,1998-03-04 In the Early Modern period massive emigration along with political contention between the Court and the City reshaped London s social topography and human landscape This book examines the spaces and identities which characterized the changing metropolis From excursions into institutions like Bedlam Bridewell and the Theatre as well as exploring the less formal places and practices of London such as prostitution the suburbs and the fashion parades at St Paul s Walk a new way of seeing the city becomes open to us **Women as Mothers in Pre-Industrial England** Valerie Fildes,2013-01-03 Originally published in 1990 this book met the rising interest in the subject of women in pre industrial England bringing together a group of scholars with diverse and wide ranging interests experts in social and medical history demography women s studies and the history of the family whose work would not normally appear in one volume Key aspects of motherhood in pre industrial society are discussed including women s concepts of maternity the experience of pregnancy childbirth and wet nursing the fostering and disciplining of children and child abandonment and neglect This unique book provides a comprehensive introductory overview of its subject with emphasis on women s experiences and motives Flesh in the Age of Reason Roy Porter,2004 Starting with the grim Britain of the Civil War era with its punishing sense of the body as a corrupt vessel for the soul Roy Porter charts how through figures as diverse as Locke Swift Johnson and Gibbon ideas about medicine politics and religion fundamentally changed notions of self He shows how the Enlightenment with its explosion of rational thinking and scientific invention of the eighteenth and nineteenth centuries provided a lens through which we can best see the profound shift from the theocentric otherworldly Dark Ages to the modern earthly body centered world we live in today As man made in God s image gave way to the Enlightenment s notion of the Self made man the body moved center stage Porter writes brilliantly on the ways in which men and women flaunted decorated tanned and dieted themselves activities that we find familiar but that a Puritan divine would have considered satanic And he explores how at the end of the century the human soul took on a new significance in the works of Godwin Blake and Byron BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Vernacular Literature and Current Affairs in the Early Sixteenth Century** Jennifer Britnell,2018-05-08 This title was first published in 2000 The printed writings of the most important authors of the sixteenth century are characterised by frequent references to current affairs This collection brings together essays by literary scholars and historians of the era to discuss various ways in which those writing in the vernacular during the early sixteenth century

responded to contemporary events The papers in this volume also demonstrate how the spread of literacy was of fundamental significance for the economics of book production and for ways in which political power was exercised and expressed as well as for the development of new literary forms of critical and occasional writing **The Discontented Cavalier** Robert Wilcher, 2007 Presents a study of the literary output of Sir John Suckling This work reconstructs the various contexts in which the poems plays letters and prose tracts were produced and reveals the nature of one writer s engagement both creative and subversive with the social religious political and cultural dimensions of Caroline England
