Twentieth Century Political Pamphlets Veronica Colley Cunningham, 1994 Red Seas Gerald Horne, 2009-09 During the heyday of the U S and international labor movements in the 1930s and 1940s Ferdinand Smith the Jamaican born co founder and second in command of the National Maritime Union NMU stands out as one of the most if not the most powerful black labor leaders in the United States Smith s active membership in the Communist Party however coupled with his bold labor radicalism and shaky immigration status brought him under continual surveillance by U S authorities especially during the Red Scare in the 1950s Smith was eventually deported to his homeland of Jamaica where he continued his radical labor and political organizing until his death in 1961 Gerald Horne draws on Smith's life to make insightful connections between labor radicalism and the Civil Rights Movement demonstrating that the gains of the latter were propelled by the former and undermined by anticommunism Moreover Red Seas uncovers the little known experiences of black sailors and their contribution to the struggle for labor and civil rights the history of the Communist Party and its black members and the significant dimensions of Jamaican labor and political radicalism Successful step-parenting David J. Pamphleteer Monthly ,1946 Stepchildren Elsa Ferri, 1984-01-01 Based on the findings of the National Juroe, 1983 Child Development Study a long term research project conducted by the National Children's Bureau into the development of all children this publication offered the first full picture of the complexities of the step relationship The Medicine Wheel for Step Parents Mary Jane Grange R.N., 2012-02-14 With The Medicine Wheel for Stepparents I hope to give some understanding and relief to blended families Stepfamilies have common threads of dysfunction There are many issues that form these common threads These issues occur between stepparent and stepchild and biological parent biological child and extended family in blended families I have listed the issues and have offered affordable solutions that are within our grasp These common threads reappear in every aspect of family life including financial matters such as your childs Social Security checks child support checks medical bills and the parents will These issues occur when the power structure changes in a home after a divorce or death in a family Everyone is left in a gigantic power struggle which retires parents prematurely Stepparents and stepchildren feel that they must protect their territory ego and family with secrets isolation intimidation manipulation and stonewalling behavior When stepfamilies are choking parents stepparents and stepchildren do not have to be severely depressed take multiple medications for depression and energy get a divorce or attempt suicide for relief Biological parents and stepparents do not have to be retired prematurely. There are better ways to keep everyone functioning in blended families My book will not take away all the opposition you experience in blended families We learn by overcoming opposition not creating opposition This book helps you analyze and carry the opposition to your efforts for your blended family Vertical File Service Catalog ,1947 The Vertical File Service Catalog ,1947 **Catalog of the Tamiment** Institute Library of New York University: Pamphlet catalog, indexes and lists Tamiment Library, 1980 Labour
