Sociology and Social Problems Jon M. Shepard, Cyrus S. Stewart, 1976 Sociology and Social Problems Jon M. Shepard, Cyrus S. Stewart, 1976 **Library of Congress Catalogs** Library of Congress, 1978 Personal Sociology Jeffrey E. Nash, 2022-02-23 In Personal Sociology Finding Meanings in Everyday Life Jeffrey E Nash transforms everyday experiences into sociological insights and understandings This book has three parts Part One illustrates the intersection of meanings in selected settings from the author s own life such as barbershop quartet singing wrestling and how a medical procedure changed his identity Part Two deals with humor and its intersection with social identities An analysis of two television sitcoms separated by thirty years reveals how racial identity reflects larger changes in society Using an indirect approach to teaching sociology to a group of elderly learners the intersections of gender race class and age are explored and explained through sociological concepts and theories Part Three explores embedded meanings in local social contexts involving social beliefs and activism The book concludes by engaging in public sociology through editorial opinion writing

The Sociology of Social Problems Adam Jamrozik, Luisa Nocella, 1998-07-13 Social problems such as unemployment poverty and drug addiction are a fact of life in industrialised societies This book examines the sociology of social problems from interesting and challenging perspectives It analyses how social problems emerge and are defined as such who takes responsibility for them who is threatened by them and how they are managed solved or ignored The authors examine and critique existing theories of social problems before developing their own theoretical framework Their theory of residualist conversion of social problems explains how certain social problems threaten legitimate power structures so that problems of a social or political nature are transformed into personal problems and the helping professions are left to intervene This book will become a key reference on class inequality and social intervention and an important text for students in sociology and social work courses *A Sociology of the Absurd* Stanford M. Lyman, Marvin B. Scott, 1989 This work provides a crystallization and particularization of a school of sociological thinking variously called creative sociology existential sociology phenomenological sociology conflict theory and dramaturgical analysis The result is a methodological synthesis of the dual visions of Erving Goffman and Harold Garfinkel This book equips the reader with a framework for providing adequate descriptions of those face to face encounters that make up everyday life This edition includes essays not found in the first edition as well as a new introduction that locates it in the spectrum of contemporary theorizing *Handbook of Sports Studies* Jay Coakley, Eric Dunning, 2000-08-29 Now available in paperback this vital handbook marks the development of sports studies as a major new discipline within the social sciences Edited by the leading sociologist of sport Eric Dunning and Jay Coakley author of the best selling textbook on sport in the USA it both reflects and richly endorses this new found status Key aspects of the Handbook include an inventory of the principal achievements in the field a guide to the chief conflicts and difficulties in the theory and research process a rallying point for researchers who are established or new to the

field which sets the agenda for future developments a resource book for teachers who wish to establish new curricula and develop courses and programmes in the area of sports studies With an international and inter disciplinary team of contributors the Handbook of Sports Studies is comprehensive in scope relevant in content and far reaching in its discussion of future prospect

Rabbinic Perspectives: Rabbinic Literature and the Dead Sea Scrolls Steven Fraade,Aharon Shemesh,Ruth Clements,2018-11-01

The studies in this volume examine the intersection of the Dead Sea Scrolls with early rabbinic literature This is a particularly rich area for comparative study which has not heretofore received sufficient scholarly attention While some of the contributions in this volume focus on specific comparative case studies others address far reaching issues of historical and comparative methodology Particular attention is paid to questions of the nature of sectarian and rabbinic law and how each may elucidate the other These studies model the directions that need to be pursued in future scholarship on the lines of continuity and discontinuity that connect and differentiate these two literary corpora and their respective religious cultures and social structures
