## **Sociology Discovering Society:**

**Sociology** Jean Stockard, 2000 SOCIOLOGY DISCOVERING SOCIETY 2nd provides comprehensive coverage of sociology in an affordable paperback format With research studies in every chapter and boxes that portray sociologists at work it will especially appeal to sociology professors who value a quantitative research methodology oriented approach Instead of presenting every possible theory for each issue Stockard s streamlined approach pulls in theories only when they appropriately relate to the issue at hand This integrated approach produces a text that reads more smoothly than the overly encyclopedic heavily interrupted narratives of other texts *Discover Sociology* Daina S. Eglitis, William J. Chambliss, Susan L. Wortmann, 2021-08-26 Discover Sociology is an introductory text that describes the various forms of power and authority in all aspects of social life demonstrates why inequality matters and shows how studying sociology can benefit you as an engaged citizen and in your career

**Sociology** Jean Stockard, 1997-01-01 SOCIOLOGY DISCOVERING SOCIETY SECOND EDITION provides comprehensive coverage of sociology in an affordable paperback format With research studies in every chapter and boxes that portray sociologists at work it will especially appeal to sociology professors who value a quantitative research methodology oriented approach Instead of presenting every possible theory for each issue Stockard s streamlined approach pulls in theories only when they appropriately relate to the issue at hand This integrated approach produces a text that reads more smoothly than the overly encyclopedic heavily interrupted narratives of other texts **The Discovery of**

**Society** Randall Collins, 2009 This classic text explores the lives and ideas of the social thinkers who have shaped and continue to forge traditions in sociology Focusing on the great names in the field it weaves biographical and conceptual details into a tapestry of the history of social thought of the 19th and 20th centuries Written in a narrative style that is accessible and exciting this text serves as an excellent supplement for courses in social and sociological theory the history of social thought the history of sociology and introduction to sociology **Discovering Sociology** Mark McCormack, Eric

Anderson, Kimberly Jamie, Matthew David, 2021-02-14 This second edition of a major textbook uses lively prose and a series of carefully crafted pedagogical features to both introduce sociology as a discipline and to help students realize how deeply sociological issues impact on their own lives Over the book s 12 chapters students discover what sociology is alongside its historical development and emergent new concerns They will be led through the theories that underpin the discipline and familiarized with what it takes to undertake good sociological research Ultimately students will be led and inspired to develop their own sociological imagination learning to question their own assumptions about the society the culture and the world around them today Historically the majority of introductory sociology textbooks have run to many hundreds of pages discouraging students from further reading By contrast Discovering Sociology has been carefully designed and developed as a true introduction covering the key ideas and topics that first year undergraduate students need to engage with without sacrificing intellectual rigour New to this Edition Two new chapters adding coverage on crime deviance and political

sociology Updated examples Vox Pops and case studies keep this new edition feeling fresh and contemporary and ensure diverse coverage including from beyond Western sociology Thoughtfully updated and refreshed layout and visual features Accompanying online resources for this title can be found at [bloomsburyonlineresources.com](http://bloomsburyonlineresources.com) discovering sociology 2e These resources are designed to support teaching and learning when using this textbook and are available at no extra cost

**Society and the Death of God** Sal Restivo, 2021-06-08 This book advances the strong programme that sociology and anthropology provide a scientific foundation for arguing that God and the gods are human creations Contending that religion is one but not the only way to systematize and institutionalize the moral order of a society the author argues that religion reflects the fundamental human need for belonging and the social function of compassion As such our transcendental and supernatural ideas are really concerned with our everyday lives in communities and faced with the severity and immediacy of the global problems with which the world is confronted existential threats it is increasingly important to abandon delusions and correct our mistake in reference not by eradicating religion but by grounding it more explicitly in earthly matters of community social solidarity belonging and compassion A wide ranging study of the roots nature and purpose of religion and theistic belief Society and the Death of God will appeal to sociologists social

theorists and philosophers with interests in the scientific study of religion and the role of religion in the life of humankind

**The Age of the Social** Sal Restivo, 2018-06-12 The concept of society sui generis society as a level of reality which could be studied scientifically crystallized in the middle of the nineteenth century in Europe with the work of Durkheim Marx and Weber and today more than at any other period in history the idea of the social has gained a foothold in philosophy biology and neuroscience However this idea has emerged into prominence not through the historical or contemporary efforts of sociologists but mainly through the efforts of biologists and neuroscientists This book seeks to re establish the credentials of sociology as the science of society While acknowledging the amalgamation of traditional disciplines into interdisciplinary and multidisciplinary networks of research and theory and championing interdisciplinarity in recognising the capacity of converging perspectives to yield more interesting general theories of social life the author defends disciplinarity in maintaining sociology's achievements as a discipline With chapters on the sociological world view imagining society the self love education mathematics and religion The Age of the Social re states the importance of sociology as the source of robust ideas about the social in an age in which this notion has grown in importance As such it will appeal to scholars across the social sciences with interests in method and philosophy in the social disciplines

**the Market** Jens Beckert,2009-01-10 Beyond the Market launches a sociological investigation into economic efficiency

Prevailing economic theory which explains efficiency using formalized rational choice models often simplifies human behavior to the point of distortion Jens Beckert finds such theory to be particularly weak in explaining such crucial forms of economic behavior as cooperation innovation and action under conditions of uncertainty phenomena he identifies as the proper starting point for a sociology of economic action Beckert levels an enlightened critique at neoclassical economics arguing that understanding efficiency requires looking well beyond the market to the social cultural political and cognitive factors that influence the coordination of economic action Beckert searches social theory for the components of an alternative theory of action one that accounts for the social embedding of economic behavior In Durkheim and Parsons he finds especially useful approaches to cooperation in Luhmann a way to understand how people act under highly contingent conditions and in Giddens an understanding of creative action and innovation Together these provide building blocks for a research program that will yield a theoretically sophisticated understanding of how economic processes are coordinated and the ways that markets are embedded in social cultural and cognitive structures Containing one of the most fully informed critiques of the neoclassical analysis of economic efficiency as well as one of the most thoughtful blueprints for economic

### **Sociology Discovering Society Introduction**

In today's digital age, the availability of Sociology Discovering Society books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sociology Discovering Society books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sociology Discovering Society books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sociology Discovering Society versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sociology Discovering Society books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sociology Discovering Society books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project

Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sociology Discovering Society books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sociology Discovering Society books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sociology Discovering Society books and manuals for download and embark on your journey of knowledge?
