

UNIT IV SOCIAL ETHICS

Application of ethical reasoning to social problems – Gender bias and issues – Gender violence – Social discrimination – Constitutional protection and policies – Inclusive practices.

4.1 Application of ethical reasoning to social problems

Applying ethical reasoning to social problems involves using principles and frameworks of ethics to analyze, understand, and propose solutions to societal issues. This process typically includes the following steps:

1. Identifying the Problem

Understanding the nature, scope, and context of the social problem is the first step. This involves gathering facts, identifying the stakeholders, and understanding the historical and cultural background.

2. Considering Ethical Theories

Different ethical theories provide various perspectives on how to address social problems:

- **Utilitarianism:** Focuses on the greatest good for the greatest number. This theory evaluates actions based on their consequences.
- **Deontology:** Emphasizes duties and rules. According to this view, certain actions are inherently right or wrong, regardless of their outcomes.

The Ecclesiology of Stanley Hauerwas John B. Thomson, 2017-05-15 This book presents the theological work of Stanley Hauerwas as a distinctive kind of liberation theology John Thomson offers an original construal of this diffuse controversial yet highly significant modern theologian and ethicist Organising Hauerwas corpus in terms of the focal concept of liberation Thomson shows that it possesses a greater degree of coherence than its usual expression in ad hoc essays or sermons John Thomson locates Hauerwas in relation to a wide range of figures including the obvious choices Rauschenbusch Niebuhr Barth Yoder Lindbeck MacIntyre Milbank and O Donovan as well as less expected figures such as Gadamer Habermas Ricoeur Pannenberg Moltmann and Hardy Providing a structured and rigorous outline of Hauerwas intellectual roots this book presents an account of his theological project that demonstrates an underlying consistency in his attempt to create a political understanding of Christian freedom reaching beyond the limitations of the liberal post enlightenment tradition Hauerwas is passionate about the importance of moral discourse within the Christian community and its implications for the Church s politics When the Church is often perceived to be in decline and an irrelevance Hauerwas proffers a way of recovering identity confidence and mission particularly for ordinary Christians and ordinary churches Thomson evaluates the comparative strengths and weaknesses of Hauerwas argument and indicates a number of vulnerabilities in his project The Ethics of Cyberspace Cees J Hamelink, 2000 In this book Cees J Hamelink proposes an answer to how should democratic societies organize cyberspace that puts human rights rather than profit at the top of the

agenda He argues that conventional ethical approaches are all seriously flawed There is a growing volume of moral rules netiquettes and codes of conduct but they are of little help in solving the moral dilemmas raised by the new technologies In this book the author analyzes the inadequacies of current global governance policies and structures that underpin them and argues for standards which put justice human security and freedom first *Lonergan, Social Transformation, and Sustainable Human Development* Joseph Ogbonnaya, 2013-01-29 Secular contemporary development discourse deals with the problems of societal development and transformation by prioritizing the human good in terms of vital and social values with the aim of providing the basic necessities of life through social institutions that work While such an approach is profitable by promoting economic growth it does not take note of other dynamics of social progress and development Also it fails to notice the consequences of development strategies on human flourishing well being and happiness Ogbonnayyu argues for an integral approach to development by engaging in a fruitful dialogue between Bernard Lonergan's philosophical anthropology with contemporary development discourse as represented in select theories of development and in select principles of Catholic social teaching It makes a case for social progress and transformation as emanating from human understanding Also it highlights the parts of Lonergan's theory that contribute to an understanding specifically of his treatment of bias and of the shorter and longer cycles of societal decline In view of the reality of moral impotence and limitations it considers the reversal of societal decline as possible through the supernatural solution of God's grace *Nursing Ethics, 1880s to the Present* Marsha Fowler, 2024-04-15 Awarded first place in the 2024 AJN Book of the Year Award in History and Public Policy This important text draws on decades of research arguing that modern nursing germinated and grew an ethics from its own native soil which is rich fulsome and philosophically informed grounded in the tradition and practice of nursing It is an ethics with a positive agenda for the good nurse a good society a healthy people and human flourishing This native nursing ethics was forgotten creating space for a foreign bioethics colonization of nursing in the second half of the twentieth century Drawing from a wide range of sources from the USA the UK Canada and Ireland the book addresses the early and enduring ethical concerns values and ideals of nursing as a profession that engages in direct clinical practice and in developing policy Fowler calls for reclaiming and renewing nursing's ethical tradition This systematic and comprehensive book is an essential contribution for students and scholars of nursing ethics *Risk Communication* Regina E.
