Simut,2019-10-01 Richard Hooker and his Early Doctrine of Justification explores the doctrine of justification the doctrine of faith and grace and the doctrine of Scripture and use of

reason in the early theology of Richard Hooker In order to prove that Hooker was a Protestant Reformed theologian Simu concentrates on Hooker s doctrine of justification as reflected in his Learned Discourse of Justification which is the most important work of his early theology Unlike previous books on Hooker which use primarily the theology of Luther and Calvin to draw conclusions this book brings together quotations and ideas from the works of Luther Melanchthon Zwingli Bucer Calvin and Beza to show that Hooker was a Protestant Reformed theologian Simu also discusses the theological context of Hooker s career by offering an analysis of the doctrine of justification in the theology of John Jewel John Whitgift Hooker s patrons and Thomas Cartwright and Walter Travers Hooker s Puritan opponents

Religious and Ethical Perspectives on Global Migration Elizabeth W. Collier, Charles R. Strain, 2014-06-05 Religious and Ethical Perspectives on Global Migration examines the complicated social ethics of migration in today s world Editors Elizabeth W Collier and Charles R Strain bring the perspectives of an international group of scholars toward a theory of justice and ethical understanding for the nearly two hundred million migrants who have left their homes seeking asylum from political persecution greater freedom and safety economic opportunity or reunion with family members Migrants move out of fear desperation hope love for their families or a myriad of other complex motivations Faced with both the needs and flows of people and the walls that impede them what actions ought we both individually and collectively take What is the moral responsibility of those of us in particular who reside comfortably in our native lands There is no univocal response to these questions Instead multiple perspectives on migration must be examined This book begins by looking at different geographic regions around the world and highlighting particular issues within each Finding that religious traditions represent the strongest countervailing sources of values to the homogenizing tendencies of economic globalization the study then offers a plurality of religious perspectives The final chapters examine the salient issues and the proposed solutions that have emerged specifically within the U S context These studies range from militarization of the U S border with Mexico to the impact of migrants on native born low skilled workers Encompassing a wide range of cultural and scholarly voices Religious and Ethical Perspectives on Global Migration provides insight for ethics moral philosophy social and political philosophy religious studies social justice globalization and identity formation
