Mallon, 2009-06-02 A new more comprehensive edition of the classic Social Work text Although the vast majority of LGBT persons are healthy resilient and hardy individuals who do not seek social work intervention some have been or will be clients in social work agencies Social Work Practice with Lesbian Gay Bisexual and Transgender People is the updated classic text that has expanded its scope to include new content on practice with bisexual and transgender populations and incorporated this content throughout This informative book provides a knowledge base of practice that will better prepare students and practitioners for working sensitively competently and effectively with LGBT individuals The text now covers content on LGBT populations as articulated by the National Association of Social Workers NASW and the Council on Social Work Education CSWE Comprehensive and practical this unique text discusses the pragmatic aspects of social work with lesbian gay bisexual and transgender people It will improve and reinforce competent practice with LGBT persons and their families in multiple settings Chapters focus on important topics such as the profession s core values and ethical principles identifying analyzing and resolving ethically challenging practice problems LGBT persons of color heterosexism racism and sexism applying the life model and the stress coping process the root of conflicts in allegiances and pressures for unity via homogeneity practice with bisexual transgender and gender non conforming persons sexual conversion therapy traditional psychoanalytic notions of lesbian couples the impact of sexual abuse on lesbian couples internalized homophobia heterocentrism and gay identity group work practice with the LGBTQ community clinical assessment for families where sexual orientation is an issue LGBT parenting the role of health care and many more Complete with a highly detailed appendix of symbols definitions and terms Social Work Practice with Lesbian Gay Bisexual and Transgender People is an invaluable resource for social workers and mental health professionals as well as for students and educators at all levels of experience Sexual Orientation and Gender Expression in Social Work Practice Deana F. Morrow, Lori Messinger, 2006-04-02 Al Jazeera and other satellite television stations have transformed Arab politics over the last decade By shattering state control over information and giving a platform to long stifled voices these

new Arab media have challenged the status quo by encouraging open debate about Iraq Palestine Islamism Arab identity and other vital political and social issues These public arguments have redefined what it means to be Arab and reshaped the realm of political possibility As Marc Lynch shows the days of monolithic Arab opinion are over How Arab governments and the United States engage this newly confident and influential public sphere will profoundly shape the future of the Arab world Marc Lynch draws on interviews conducted in the Middle East and analyses of Arab satellite television programs op ed pages and public opinion polls to examine the nature evolution and influence of the new Arab public sphere Lynch who pays close attention to what is actually being said and talked about in the Arab world takes the contentious issue of Iraq which has divided Arabs like no other issue to show how the media revolutionized the formation and expression of public opinion He presents detailed discussions of Arab arguments about sanctions and the 2003 British and American invasion and occupation of Iraq While Arabs strongly disagreed about Saddam s regime they increasingly saw the effects of sanctions as a potent symbol of the suffering of all Arabs Anger and despair over these sanctions shaped Arab views of America their governments and themselves Lynch also suggests how the United States can develop and improve its engagement with the Arab public sphere He argues that the United States should move beyond treating the Arab public sphere as either an enemy to be defeated or an object to be manipulated via public relations Instead of wasting vast sums of money on a satellite television station nobody watches the United States should enter the public sphere as it really exists
