## **Social Trends In The Soviet Union From 1950:**

Social Trends in the Soviet Union from 1950 Michael Ryan, Richard Prentice, 1987-10-20     *The Routledge Dictionary of Anthropologists* Gérald Gaillard, 2004 This detailed and comprehensive guide provides biographical information on the most influential and significant figures in world anthropology from the birth of the discipline in the nineteenth century to the present day Each of the fifteen chapters focuses on a national tradition or school of thought outlining its central features and placing the anthropologists within their intellectual contexts Fully indexed and cross referenced The Routledge Dictionary of Anthropologists will prove indispensable for students of anthropology     **Intermarium** Marek Jan Chodakiewicz, 2017-09-08 History and collective memories influence a nation its culture and institutions hence its domestic politics and foreign policy That is the case in the Intermarium the land between the Baltic and Black Seas in Eastern Europe The area is the last unabashed rampart of Western Civilization in the East and a point of convergence of disparate cultures Marek Jan Chodakiewicz focuses on the Intermarium for several reasons Most importantly because as the inheritor of the freedom and rights stemming from the legacy of the Polish Lithuanian Ruthenian Commonwealth it is culturally and ideologically compatible with American national interests It is also a gateway to both East and West Since the Intermarium is the most stable part of the post Soviet area Chodakiewicz argues that the United States should focus on solidifying its influence there The ongoing political and economic success of the Intermarium states under American sponsorship undermines the totalitarian enemies of freedom all over the world As such the area can act as a springboard to addressing the rest of the successor states including those in the Caucasus Central Asia and the Russian Federation Intermarium has operated successfully for several centuries It is the most inclusive political concept within the framework of the Commonwealth By reintroducing the concept of the Intermarium into intellectual discourse the author highlights the autonomous and independent nature of the area This is a brilliant and innovative addition to European Studies and World Culture     **Soviet Urbanization** Olga Medvedkov, 2017-10-30 Originally published in 1990 Soviet Urbanization provides an assessment of Soviet urban systems Drawing on her personal experiences at the Soviet Academy of Sciences and bringing with her much material otherwise unavailable in the West the author analyses the structure of the Soviet urban network and its future development under the constraints of central planning The author concludes that the danger to Soviet urbanization programme lies in the gap between central planning on the one hand and actual spatial change on the other This book will appeal to students and academics working in the disciplines of geography urban studies and planning     *A History of Russia: Since 1855* Walter G. Moss, 1997     **The Oxford Handbook of the History of Communism** S. A. Smith, 2014 Draws on documentation released since the fall of the Soviet Union to offer a global history of communism in the twentieth century     Soviet Studies Guide Tania Konn, 1992 Critical bibliographic references to core literature on land environment and people Soviet history society and culture government and politics international relations armed forces economy business

science and technology and general reference      Life and Death under Stalin Kees Boterbloem,1999-01-01 The first Western scholar to have access to the records of the Communist Party of the Kalinin province Boterbloem supplements archival evidence with published accounts and interviews with those who survived the last years of Stalin's life taking us into their lives Covering a wide range of topics such as industry agriculture party affairs repression and education Life and Death under Stalin looks at the complicated relationship between the political elite of the Communist Party its rank and file members and the Russian population during what was perhaps the grimmest period in Soviet history The result is a fascinating study of how the postwar Stalinist regime dealt with those in the Kalinin Province from ordinary Communist Party members and Red Army veterans to collective farmers and labour camp inmates      **Soviet Geography** ,1991

**Post-Soviet Geography** ,1992      Census Catalog and Guide United States.
