Social Work with Older People Ann McDonald, 2010-03-08 Social Work with Older People provides an authoritative and practical guide to working with older people in a range of settings It addresses the complexities of individual work with older people as well as work with families groups and the wider community and is not afraid to tackle the challenges as well as opportunities of practice in this area The book begins by explaining the demographic changes that have led to a greying of the general population It goes on to discuss the diversity in experiences of ageing across society and the range of issues which confront older people and those

who wish to work proactively with them Clear attention is paid to the processes of assessment care planning and review with readers encouraged to reflect on developing good practice through case studies and exercises Although it has a strong practical emphasis the book also stresses the value of theoretical perspectives with insights from fields such as sociology and psychology woven throughout the book Clear links are also made to policy guidelines and organizational standards without losing sight of the deeper often more complex issues that arise when working with older people Social Work with Older People will be essential reading for social work students and practitioners but also for others who are interested in the development of practice with older people as citizens and service users

Social Work With Older People: Approaches To Person-Centred Practice Hall, Barbara, Scragg, Terry, 2012-03-01 This text fills a gap for an accessible textbook which takes a person centred approach to working with older people by providing readers with a basic knowledge of policy legislation theory and research

Social Work and People with Dementia Marshall, Mary, Tibbs, Margaret-Anne, 2006-11-08 One in ten of us will suffer from dementia and as a result the increasing numbers of older people needing assistance mean that all social workers must be up to date in their knowledge skills and attitudes towards people with dementia and their carers

Social Work with Adults Martin Brett Davies, 2012-03-20 This best selling book explores the crucial role of social workers in securing a better future for vulnerable and disadvantaged adult service users Tackling the problems most common to this branch of social work it focuses on four major themes personalization mental health substance use and old age Edited by the highly respected Martin Davies and with contributions from some of the leading names in the field Social Work with Adults provides a clear map and guidance to help navigate between the different elements of social work knowledge and practice Whether a student on an undergraduate degree taking a module on working with adults or a qualified professional wanting to ensure they are providing the very best service they can this is essential reading The breadth and depth of coverage makes this text a perfect handbook for students of adult social work

Social Work Practice with Older People Rory Lynch, 2013-11-13 Older people are the biggest service user group for social workers and an increasing proportion of the population In this refreshingly positive and practical textbook Rory Lynch draws on years of practice and teaching experience to show how to achieve best social work practice with older adults He takes a person centred approach which fosters respect by valuing the fact that elderly people have more lived experience than others Exploring the key theoretical approaches and methods of intervention this book helps social workers to identify understand and facilitate their service users wishes for well being and a fulfilling older age Chapters are practice driven containing case studies drawn from a range of care settings reflective questions and exercises Mapping directly onto the key modules on the social work degree this is essential reading for all student social workers especially as they prepare to go on their practice placement It is also valuable reading for qualified social workers Rory Lynch is Lecturer in Social Work at Robert Gordon University

Critical Issues in Social Work With Older People Mo G. Ray, Miriam Bernard, Judith Phillips, 2018-06-26

This timely text highlights the importance of informed and critical practice in social work with older people. With an emphasis on reflection throughout, it argues for the need to rethink how social workers support some of the most vulnerable people in society. The text begins with an exploration of the relationship between gerontology, the study of aging, and social work and demonstrates that a gerontological approach has long been missing from social work practice. The central chapters consider key issues affecting older people and social work practice such as Risk of poverty, Memory loss and dementia, Palliative and end of life care, Loss and bereavement, Moving into a care home, Bringing together theoretical and research insights, this agenda setting text provides a sound base for creative practice with older people. All those looking to make a positive and discernible difference to older people will find this text rewarding reading. Social Work Intervention Trevor

Lindsay, 2013-03-19 Since launching in 2003, Transforming Social Work Practice has become the market leading series for social work students. These books use activities and case studies to build critical thinking and reflection skills and will help social work students to develop good practice through learning. Social workers need to have a sound working knowledge of intervention as they are often balancing complex and sometime stressful circumstances with the individual needs of the service users. Also, as there are a wide range of social work interventions in current practice, students will benefit from knowing the advantages and disadvantages of each model and approach. This book on effective social work intervention will help students apply and integrate this knowledge in practice to critically evaluate different methods and to choose the most effective in any particular set of circumstances. Fully revised to include new material on value based practice and direct links to the new Professional Capabilities Framework for Social Work, this second edition is essential reading for all social work students. **Psychology, Human Growth and Development for Social Work** Emma Zara O'Brien, 2020-04-09 An

engaging and accessible introduction to understanding human behaviour and development from a psychological perspective. Written by a psychologist with extensive teaching experience, it offers a clear and systematic exploration of psychological concepts and research and discussion of their relevance for social work practice. The psychological framework provides thematic coherence for a uniquely wide range of material from brain development to communication skills, psychiatric diagnoses to forms of discrimination. With a logical and intuitive structure, it's perfect for Human Growth and Development modules and other Social Work modules with psychological content, enabling students to see how different elements of theory and research connect together for practical application. A Dictionary of Social Work and Social Care John Harris, Vicky White, 2018-01-10 This new edition has been fully revised and updated to provide over 1,800 A-Z definitions of terms from the field of social care, concentrating on social work as a significant area within this field. Covering social work theories, methods, policies, organizations and statutes, as well as key terms from interdisciplinary topics overlapping with health and education, this is the most up to date dictionary of its kind available. It also provides extended entries on specialisms such as children and families, domestic violence and residential care, and has been extensively updated to include new legislation. Useful

appendices include a glossary of acronyms and a Table of Legislation Regulations and Codes of Practice cross referenced to Dictionary entries Entry level bibliographies and web links provide further resources and the web links are listed and regularly updated on a dedicated companion website Written by two leading figures in the field and a team of eleven contributors A Dictionary of Social Work and Social Care is a must have for students of social work social care and related subjects as well as for qualified social workers undertaking continuing professional development programmes

Social Work and Health Care in an Aging Society Barbara Berkman, 2003-06 Sixteen chapters by scholars of social work relate the well being of older adults to social work practice and the current model of service delivery Chapters concentrate on issues affecting the health of older adults depression dementia abuse services to specific populations African American women grandparents raising grandchildren the developmentally disabled and professional issues home care case management standardized assessment The implications for training research and policy are highlighted Annotation c 2003 Book News Inc Portland OR booknews com

Countering Discrimination in Social Work Bogdan Lesnik, 2017-07-05 Discrimination Isn t there enough talk about discrimination Yes indeed That is why we have to begin countering discrimination We need strategies that will make it inoperative or at least limit its scope But first we need to think how discrimination works and identify it where it works It concerns far more than mere procedural hitches for which a few legal provisions will do Countering Discrimination Volume 1998 of International Perspectives in Social Work yearbook brings papers that analyse mechanisms of social discrimination in a variety of such locations and bring proposals for counter strategies This is essential in social work if causes rather than manifestations of the problems it is concerned with are to be addressed But it is also essential that everybody who opposes discrimination recognise its subtle and dispersed ways of operation in the human services regardless of their own basic field of work In this respect the book will be useful to a very wide audience

The Social Workers' Toolbox Herman de Mönnink, 2017-09-19 The Social Workers Toolbox aims to bring order to the diversity of tools which are so characteristic of social work assessment tools practice tools and outcome measurement tools The tools described in this Toolbox can be directly put into practice and adapted to the social workers personalized approach with their individual clients and their environments The underlying meta theory for Sustainable Multimethod Social Work is the PIE Empowerment Theory This theory defines social work practice in terms of the partnership between social worker and client and is aimed at enhancing quality of life through systematically and sustainably addressing human needs and human rights The multimethod model promotes the flexible combination of well written evidence and practice based tools Packed full of useful checklists the Toolbox is ideal reading for both inexperienced and more practiced social workers The book provides a solid basis through the use of practical examples For the more experienced social worker it offers a substantial resource and the means to legitimize a chosen course of action and social work intervention Schools of social work will be able to use the book as an easily accessible resource for social work
