Socialising Public Ownership:

Socialising Public Ownership Martyn Sloman, 1978-06-17 Reclaiming Public Ownership Professor Andrew Cumbers, 2012-09-13 Winner of the Myrdal Prize for Evolutionary Political Economy The last few years have seen the spectacular failure of market fundamentalism in Europe and the US with a seemingly never ending spate of corporate scandals and financial crises As the environmental limits and socially destructive tendencies of the current profit driven economic model become daily more self evident there is a growing demand for a fairer economic alternative as evidenced by the mounting campaigns against global finance and the politics of austerity Reclaiming Public Ownership tackles these issues head on going beyond traditional leftist arguments about the relative merits of free markets and central planning to present a radical new conception of public ownership framed around economic democracy and public participation in economic decision making Cumbers argues that a reconstituted public ownership is central to the creation of a more just and sustainable society This book is a timely reconsideration of a long standing but essential topic *Socialism, Social Ownership and Social Justice* Leslie J. Macfarlane, 2016-07-27 Socialism Social Ownership and Social Justice is concerned with the emergence in Europe over the centuries of dreams and aspirations amongst the poor and weak for new societies of justice and equality based on common ownership and common sharing It ranges from the Greek legendary ideal of a simple communal golden age of equals and the dark reality of Spartan perverted communalism to the collapse of Soviet communism and the abandonment by West European socialist parties of their commitment to transform ruling class dominated capitalist societies into democratic egalitarian socialist societies **The Politics of Privatisation in Western Europe** John Vickers, 2005-06-28 This title available in eBook format Click here for more information Visit our eBookstore at www.ebookstore.tandf.co.uk Political Economy and the Labour Party, 2nd Edition Noel Thompson, Professor of History Noel Thompson, 2006-09-27 In Political Economy and the Labour Party Noel Thompson gives an informative and stimulating outline of the ideas and theories that have shaped the party's economic policy since 1900 Times Literary Supplement A new edition of the American Library Association's Outstanding Academic Book award winner This new volume brings this study of the rich tradition of British socialist political economy and its influence on the British Labour Party fully up to date Surveying the Labour tradition from the Fabianism of the Webbs to the social ism of Tony Blair's Third Way this new edition considers the critical engagement of these political economies with capitalism and the policies they articulate It also discusses the manner in which they influence or establish the context for Labour's economic thinking and policymaking and traces the ideological trajectory British social democratic political economy over the course of the twentieth century In its concluding chapter this volume assesses the present character of the political economy advanced by the Labour Party and raises the question as to whether it can any longer be considered part of the social democratic tradition This is an essential new edition of this now standard text for students taking courses on the history of political and economic thought and more generally

courses on the political and intellectual history of nineteenth and twentieth century Britain *Political Economy and the Labour Party* Noel W. Thompson, 2006 In *Political Economy and the Labour Party* Noel Thompson gives an informative and stimulating outline of the ideas and theories that have shaped the party's economic policy since 1900 Times Literary Supplement A new edition of the American Library Association's Outstanding Academic Book award winner This new volume brings this study of the rich tradition of British socialist political economy and its influence on the British Labour Party fully up to date Surveying the Labour tradition from the Fabianism of the Webbs to the socialism of Tony Blair's Third Way this new edition considers the critical engagement of these political economies with capitalism and the policies they articulate It also discusses the manner in which they influence or establish the context for Labour's economic thinking and policymaking and traces the ideological trajectory British social democratic political economy over the course of the twentieth century In its concluding chapter this volume assesses the present character of the political economy advanced by the Labour Party and raises the question as to whether it can any longer be considered part of the social democratic tradition This is an essential new edition of this now standard text for students taking courses on the history of political and economic thought and more generally courses on the political and intellectual history of nineteenth and twentieth century Britain A CONSTITUTION FOR THE SOCIAL COMMON-WEALTH OF GREAT BRITAIN BY SIDNEY AND BEATRICE, 1920

Rebuilding Germany James C. Van Hook, 2004-05-10 The social market economy has served as a fundamental pillar of post war Germany Today it is associated with the European welfare state Initially it meant the opposite *Rebuilding Germany* examines the 1948 West German economic reforms that dismantled the Nazi command economy and ushered in the fabled European Miracle of the 1950s Van Hook evaluates the US role in German reconstruction the problematic relationship of Chancellor Konrad Adenauer and his economics minister Ludwig Erhard the West German economic miracle and the extent to which the social market economy represented a departure from the German past In a nuanced and fresh account Van Hook evaluates the American role in West German recovery and the debates about economic policy within West Germany to show that Germans themselves had surprising room to shape their economic and industrial system The Constitution of Social Democracy Alan Bogg, Jacob Rowbottom, Alison L Young, 2020-07-09 This book is based upon the papers written by a group of leading international scholars on the constitution of social democracy delivered at a conference to celebrate Professor Keith Ewing's scholarly legacy in labour law constitutional law human rights and the law of democracy The chapters explore the development of social democracy and democratic socialism in theory and political practice from a variety of comparative legal and disciplinary perspectives These developments have occurred against a backdrop of fragmenting traditional political parties declining collective bargaining concerns about juristocracy and the displacement of popular sovereignty the emergence of populist political movements austerity and fundamental questions about the future of the European project With this context in mind this collection considers whether legal norms can and should contribute to the constitution of social

democracy It could not be more timely in addressing these fundamental constitutional questions at the intersection of law democracy and political economy

Ideology and Social Welfare Victor George, Paul Wilding, 2013-10-08 A revised and rewritten version of the best selling textbook described by Sociological Review as essential reading for every student of social policy

Social Attitudes in Contemporary China Chen Yu, Fang Wei, Liqing Li, Paul Morrissey, Nie Chen, 2016-02-12 Unlike many studies of social attitudes which are based on large scale quantitative surveys or which focus on the attitude of elites this book considers the views of ordinary people and is based on in depth qualitative interviews This approach results in rich nuanced data and is especially helpful for highlighting ambivalent attitudes where respondents may hold positive and negative views on a particular topic views which are liable to change The book examines attitudes on a range of subjects of current importance including views on nationalism and internationalism housing preferences and educational ambitions Throughout the book explores how far attitudes are influenced by traditional Chinese values or by the neo liberal outlook fostered by recent reforms and concludes that materialism and individualism have increased

Democracy and the Capitalist State Graeme Campbell Duncan, 1989-03-02 This book examines one of the key issues in the analysis of the capitalist state its relationship with democracy To what extent can a capitalist state be democratised Where and how do democratic institutions intervene in the management and control of capitalism These questions and more are the subject of this book

Social Democracy in Capitalist Society (Routledge Revivals) Richard Scase, 2016-02-05 First published in 1977 This book considers the nature of industrial society contemporary capitalism and the impact of political ideas on social structure These ideas are discussed by reference to the impact of social democracy on the structure of capitalist society in a comparative analysis of Britain and Sweden including an interview survey of industrial workers socio political attitudes The study is concluded by a general discussion of the role of social democracy in capitalist society It is argued that the development of social democracy generates strains which in the long term question the legitimacy of capitalism among industrial manual workers

Beyond Private Property Clara Esteve-Jordà, 2025-09-10 This book highlights the inequity and lack of sustainability generated by the modern conception of property as the cornerstone of the world capitalist economy that has led to the Anthropocene Through a comparative analysis of the right to property in various contemporary Western constitutions Clara Esteve Jord examines its evolution as capitalism moves into a late neoliberal phase

After the new social democracy Tony Fitzpatrick, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license Social democracy has made a political comeback in recent years especially under the influence of the Third Way Not everyone is convinced however that Third Way social democracy is the best means of reviving the Left s project This book considers this dissent and offers an alternative approach Bringing together a range of social and political theories it engages with some contemporary debates regarding the present direction and future of the Left Drawing upon egalitarian feminist and environmental ideas the book proposes that the social democratic tradition can be renewed but

only if the dominance of conservative ideas is challenged more effectively It explores a number of issues with this aim in mind including justice the state democracy new technologies future generations and the advances in genetics *Markets, States, and Public Policy* Nikolaos Zahariadis,1995 A theoretical and empirical examination of the move towards privatization

Socialism and the Common Good Professor Preston King,Preston King,2014-03-05 In this collection contributors discuss a central theme which is both theoretical and practical the role of the state in achieving social justice in modern market systems from a socialist perspective They reject the cult of choice and of rational egoism **Approaches, Advances and Applications in Sustainable Development of Smart Cities** Tan Yigitcanlar,Hoon Han,Md. (Liton)

Kamruzzaman,2020-04-03 This book aims to contribute to the conceptual and practical knowledge pools in order to improve the research and practice on the sustainable development of smart cities by bringing an informed understanding of the subject to scholars policymakers and practitioners This book seeks articles offering insights into the sustainable development of smart cities by providing in depth conceptual analyses and detailed case study descriptions and empirical investigations This way the book will form a repository of relevant information material and knowledge to support research policymaking practice and transferability of experiences to address aforementioned challenges The scope of the book includes the following broad areas with a particular focus on the approaches advances and applications in the sustainable development of smart cities Theoretical underpinnings and analytical and policy frameworks Methodological approaches for the evaluation of smart and sustainable cities Technological developments in the techno enviro nexus Global best practice smart city case investigations and reports Geo design and applications concerning desired urban outcomes Prospects implications and impacts concerning the future of smart and sustainable cities **Rethinking Social Democracy in Western Europe**

Richard Gillespie,William E. Paterson,2013-07-23 First published in 1993 This title is the product of a conference designed to throw light on some central questions about the phase of programmatic renewal from the 1950s to the then present day The evidence presented in this volume pursues to demonstrate the existence of a European wave of social democratic programmatic renewal effort during the 1980s the sweep of which the author argues being broader than the previous renewal wave in the 1950s Ideas and Policies Under Labour, 1945-1951 Martin Francis,1997 Francis examines the relationship between socialist ideas and the policies of the 1945 51 Labour government insisting that Labour ministers applied specifically socialist precepts to the exercise of power during this period
