## Cultures, States, And Societies To 1500

The world's first written history is the Epic of Gilgamesh, a Mesopotamian epic poem. It is the oldest known literary work, and it tells the story of a king who built a great city and fought many battles. The epic is written in Sumerian, and it is one of the most important works of ancient literature. It is a story of a hero who is both a king and a man, and it is a story of the human condition. The epic is a testament to the power of the written word, and it is a reminder of the importance of history in our lives.
