Society Basics Pkg Canadian:

Health and Canadian Society David Coburn, Carl D'Arcy, George Murray Torrance, 1998-01-01 Health and Canadian Society provides a comprehensive overview of the relationship between health health care and Canadian society It is a wide ranging volume that moves from personal and micro concerns to a more macro and institutional focus It includes chapters of a descriptive nature and others with a more explanatory intent They have been selected from the major journals or have been expressly written for this book Ninety five percent of the contributions are new to this edition The chapters and the studies reported on are methodologically diverse ranging from ethnographic studies to statistical analyses of data from large national surveys Though the chapters are written by anthropologists economists historians political scientists and physicians as well as sociologists they all have a sociological turn Recognized as the standard textbook on the sociology of health in Canada Health and Canadian Society is an essential reference for sociologists health care providers health administrators and policy planners

Basic Income for Canadians Evelyn L. Forget, 2020-10-13 Before the COVID 19 pandemic the idea of providing a basic income to everyone in Canada who needs it was already gaining broad support Then in response to a crisis that threatened to put millions out of work the federal government implemented new measures which constituted Canada's largest ever experiment with a basic income for almost everyone In this new and revised edition Evelyn L Forget offers a clear eyed look at how these emergency measures could be transformed into a program that ensures an adequate basic income for every Canadian Forget details what we can learn from earlier basic income experiments in Canada and internationally She weighs the options investigates whether Canadians can afford a permanent basic income program and describes how it could best be implemented across the country This accessible book offers everything a reader needs to decide if a basic income program is the right follow up to the short term government response to COVID 19
