Society And Politics In Hong Kong:

Society and Politics in Hong Kong Siu-kai Lau, Zhaojia Liu, 1984 **Society and Politics in Hong Kong** Zhaojia Liu, 1983-01-01 Politics and Government in Hong Kong Ming Sing, 2009 This book examines the government of Hong Kong since its handover to mainland China in 1997 focusing in particular on the anti government mass protests and mobilisations in the years since 2003 It argues that Hong Kong has been poorly governed since transferring to Chinese rule and that public frustration with governmental performance including anti subversion laws and slow democratisation has resulted in the regular and massive protests which have been rare in Hong Kong s past political development The book then assesses different explanations for Hong Kong s government problems including lack of social cohesion incomplete economic restructuring structural budgetary deficit severe social inequality intensifying cronyism and deficiencies within the political system itself It goes on to discuss the implications of poor governance for legislative elections civil society and constitutional development and considers the prospects for the future It argues that although in the short term the Hong Kong government has managed to maintain its popular support ratings in the longer run it is unlikely to be able to maintain its legitimacy in dealing with the fundamental challenges of government unless the current system is replaced by popular election of the government with appropriate institutional capacity and political powers *Political Development in Hong Kong* Ngok Ma, 2007-01-01 This book reviews the political development of Hong Kong before and after 1997 in particular the evolution of state society relations in the last two decades to analyze the slow development of democracy and governance in Hong Kong after 1997 This book is a most comprehensive analysis of the multi faceted changes in Hong Kong in the last 20 years The scope of changes analyzed included state functions and institutions political changes such as party development and development of the Legislative Council and social changes such as social movements civil liberties etc It helps the reader understand the crisis of governance of Hong Kong after 1997 and the difficulty of democratic development in Hong Kong over the years The book covers changing state institutions in Hong Kong in the last few decades party development in Hong Kong the changing role and function of the legislature in Hong Kong the evolution of social movement and movement organizational forms media freedom civil liberties and the role of civil society and theoretical discussions concerning governance problems and state society relations in Hong Kong Special emphasis is placed on how these changes brought about a new state society relation which in turn brought governance difficulties after 1997 **Culture and Society of Hong Kong** ,1999 Between Two Worlds - Society, Politics, and Business in the Philippines Rupert Hodder, 2003-08-29 Considers varying attitudes to social relationships in the West and Asia in the context of the Philippines and how bound up these are with material progress business and politics **Perspectives on Hong Kong Society** Benjamin K. P. Leung, 1996 This book examines the socio economic and political aspects of Hong Kong society through a study of existing research and writing It is of interest to any reader wishing to gain an understanding of Hong Kong society its past and current

developments as well as its future directions

Labour History, 1997

Studying Hong Kong: 20 Years Of Political, Economic And Social

Developments Tai Wei Lim, Tuan Yuen Kong, 2018-05-02 This book captures the essence of Hong Kong's development in the past two decades from 1997 to 2017 It is broken into four parts economics society politics and culture Hong Kong's role remains as a gateway for global trading houses businessmen investors and traders Hong Kong continues to be an open economy and has stuck to free trade policies as one of the former four successful tiger economies in East Asia In the political and international relations realm this book examines Hong Kong's relations with China other major powers and the world at large It also covers domestic developments including legal developments Other chapters in the book examine cultural developments in Hong Kong from specific case studies of iconic animation character to trans boundary popularity of Hong Kong popular culture in China With contributions from Alvin CAMBA Henry CHAN Yoshihisa GODO Wing Lok HUNG Sean KING Tuan Yuen KONG Tai Wei LIM Carol MA Samantha MA Parama SINHA PALIT Zhengqi PAN SIM Japanese Culture and Gaming Society Hiroshi TAKAHASHI Ghim Yeow TAN Katherine TSENG Elim WONG Kai Keat YEO and Chun Wang YEUNG this book provides a snapshot of Hong Kong in the past twenty years and is a fascinating read

Korea Observer, 2005

Politics and Government in Hong Kong Ming Sing, 2008-09-15 This book examines the government of Hong Kong since its handover to China in 1997 arguing that Hong Kong has been poorly governed and that this is what lies behind

regular mass protests since 2003 It considers the different aspects of these government problems and assesses prospects for the future **Policy Statement** British Information Services. Policy and Reference Division,1996 Cybermarketing

Pauline Bickerton,Matthew Bickerton,Upkar Pardesi,2007-06-01 Cybermarketing is a no nonsense structured guide to using the Internet for marketing and is essential reading for all marketers and managers who need to know how to use the Internet to promote and sell their product This new edition both follows on the success of and adds significantly to the first edition by Increasing the up to date case material Having a live Internet site to support the book Adding a collection of key URLs for market research purposes Adding a new section on marketing information systems More coverage on electronic direct and 1 to 1 marketing Covering intranets for Marcomms in more depth Building on Justifying the Business Case Updated and expanded information on pricing and branding This new edition confirms Cybermarketing as both the most comprehensive and accessible guide to the net for marketing professionals at all levels *Social Welfare Development in East Asia* K.

Tang,2000-10-03 Comparative social policy has long neglected welfare development in Asia Not much is known about social welfare in the economically successful East Asian tigers Hong Kong Korea Singapore and Taiwan They are late starters in social welfare but each has its own trajectory of welfare development Despite the presence of extensive social welfare they have shied away from western style welfare states The presence of strong developmental states and their development ethos explain in large part the underdevelopment of state welfare **Sociology: A Study of the Social Sphere** Yogesh Atal,2012

Any growing discipline continuously adds to the corpus of factual knowledge about the phenomena being studied and enriches its conceptual apparatus Over time some themes are dropped and new concerns incorporated This makes older and classical texts less relevant and necessitates a process of selection and reprioritization of themes to meet changing times Hence the need for new textbooks especially one as detailed and concise as Sociology A Study of the Social Sphere The book serves as an invitation to sociology and it helps the reader to learn the language that sociologists employ and the way commonly used words such as family marriage caste are given distinct definitions It follows the logic of scientific research that governs sociological analysis The various topics covered in the book are illustrated with examples taken from everyday life and from studies conducted in India **Current Politics and Economics of Asia** ,2004 *A Handbook of*

Comparative Social Policy Patricia Kennett,2006-01-01 Kennett has made a major contribution to the comparative study of social policy The book will undoubtedly serve as a major resource for social policy scholars and the editor is to be commended for taking on what must have been a Herculean task It is to be hoped that the book will be available in many university libraries It deserves to be widely consulted not only by those interested in international issues but by anyone concerned with the challenges facing the academic field of social policy today Journal of Sociology and Social Welfare This volume makes a heroic effort to transform the abstractions floating around in the literature on comparative social policy research into a more grounded discussion of what the policy controversies are all about The contributions in the book climb

down the ladder of abstraction which asserts that context institutions and globalization all count and that the public private discourse has changed The book attempts to specifically show how these abstractions matter in recent social policy practice and research Martin Rein Massachusetts Institute of Technology US The current context of social policy is one in which many of the old certainties of the past have been eroded The predominantly inward looking domestic preoccupation of social policy has made way for a more integrated international and outward approach to analysis which looks beyond the boundaries of the state It is in this context that this Handbook brings together the work of key commentators in the field of comparative analysis in order to provide comprehensive coverage of contemporary debates and issues in cross national social policy research Organized around five themes this impressive volume explores the contextual conceptual analytical and processual aspects of undertaking comparative social research In the first part the authors are concerned with de centring the state and extending the epistemological framework through which cross national analysis is explored In Parts II and III the focus is on the conceptual and theoretical frameworks for analysing social policy cross nationally while Part IV examines the day to day reality of preparing for and carrying out cross national analysis In the final section the authors highlight continuing and emerging themes and issues which are of particular relevance to understanding the contemporary social world International in scope this authoritative Handbook presents original cutting edge research from leading specialists and will become an indispensable source of reference for anyone interested in comparative social research It will also prove a valuable study aid for undergraduate and postgraduate students from a range of disciplines including social policy sociology politics urban studies and public policy
