class sex and ethnic background It can also have a profound effect on how we are perceived by others In this fully updated edition of a classic text Peter Trudgill explores the evidence and the huge implications for social and educational policy

**An Introduction to Sociolinguistics** Sharon K. Deckert,Caroline H. Vickers,2011-05-19 This unique work analyzes the crisis in modern society building on the ideas of the Frankfurt School thinkers Emphasizing social evolution and learning processes it argues that crisis is mediated by social class conflicts and collective learning the results of which are embodied in constitutional and public law First the work outlines a new categorical framework of critical theory in which it is conceived as a theory of crisis It shows that the Marxist focus on economy and on class struggle is too narrow to deal with the range of

social conflicts within modern society and posits that a crisis of legitimization is at the core of all crises It then discusses the dialectic of revolutionary and evolutionary developmental processes of modern society and its legal system This volume in the Critical Theory and Contemporary Society by a leading scholar in the field provides a new approach to critical theory that will appeal to anyone studying political sociology political theory and law      **The Guidebook to Sociolinguistics** Allan
