

Meet the...

FUNCTIONALISTS

Believe in examining society from a structural perspective

Emile Durkheim

Talcott Parsons

Robert K Merton

Kingsley Davis

Functionalists examine the ways in which social institutions shape the behaviour of individuals. They argue that the process of socialisation is key to passing on the norms and values of society.

Sociologists On Sociology

Bob Mullan

Sociologists On Sociology:

Sociologists on Sociology Bob Mullan, 1987 **Sociologists in Action** Kathleen Odell Korgen, Jonathan M. White, Shelley K. White, 2010-12-08 This book provides vivid examples of how sociologists are using sociological tools to make a positive impact on our society In each chapter four or five public sociologists will describe in vivid detail how they have used sociology to understand and influence the world around them The chapters will cover the key topics in sociology courses and the pieces will bring the subject matter of sociology to life for students giving them clear examples of the power and usefulness of sociology as they learn the course content The discussion questions and suggested additional readings and resources at the end of every chapter will provide students the opportunity to delve further into the topics covered and help create full and nuanced discussions grounded in the real world work of public sociologists **Getting Sociology Right** Neil J. Smelser, 2014-04-12 Neil J Smelser one of the most important and influential American sociologists traces the discipline of sociology from 1969 through the early twenty first century By examining sociology as a vocation and building on the work of Talcott Parsons Smelser discusses his views on the discipline of sociology and how his perspective of the field has evolved in the postwar era Sociologists in Action Kathleen Odell Korgen, 2013-03-14 Brings the subject matter of sociology to life for students Linking theory and practice this textbook explores how sociological knowledge is used in the community to fight for social change and justice Sociologists on Sociology Robert Mullan, 2022-02-23 Originally published in 1987 this edition in 1996 *Sociologists on Sociology* is a unique and sometimes controversial account of the development disputes and the future of sociology as seen through the eyes of eleven of the world's leading sociologists at the time Consisting of interviews with Anthony Giddens Robert K Merton Howard Becker Peter Townsend Ralf Dahrendorf Peter Worsley Stuart Hall John Rex Michael Mann Laurie Taylor and Ann Oakley the book explores such crucial issues as the nature of deviance the scientific status of sociology the relationship of Marxism and sociology the contours of race and class feminism relevance of ethnomethodology and the procedures of participant observation The contributions of such figures as Goffman Mills Parsons Weber and Foucault are assessed and in clear and concise language the contributors discuss their own theoretical interests and empirical work in the field Students and practitioners of the social sciences will find the book a fascinating and a uniquely direct insight into the thoughts of sociology's leading figures and a remarkable cumulative assessment of the state of the discipline itself **Journeys in Sociology** Rosalyn Benajmin Darling, Peter J. Stein, 2017-05 For most sociologists their life's work does not end with retirement Many professors and practitioners continue to teach publish or explore related activities after leaving academia They also connect with others in the field to lessen the isolation they sometimes feel outside the ivory tower or an applied work setting The editors and twenty contributors to the essential anthology *Journeys in Sociology* use a life course perspective to address the role of sociology in their lives The power of their personal experiences during the Great Depression World War II or the student protests and social movements in the 1960s and 70s magnify how

and why social change prompted these men and women to study sociology Moreover all of the contributors include a discussion of their activities in retirement From Bob Perrucci Tuck Green and Wendell Bell who write about issues of class to Debra Kaufman and Elinore Lurie who explain how gender played a role in their careers the diverse entries in *Journeys in Sociology* provide a fascinating look at both the influence of their lives on the discipline and the discipline on these sociologists lives Contributors include David J Armor Wendell Bell Glen H Elder Jr Henry W Fischer Janet Zollinger Giele Charles S Tuck Green Peter Mandel Hall Elizabeth Higginbotham Debra Renee Kaufman Corinne Kirchner Elinore E Lurie Gary T Marx Robert Perrucci Fred Pincus Thomas Scheff Arthur Shostak David Simon Natalie J Sokoloff Edward Tiryakian Joyce E Williams and the editors Published in collaboration with the American Sociological Association Opportunities in Retirement Network The Education of Sociologists in the United States Elbridge Sibley,1963 *Sociology for Human Rights* David L. Brunsma,Keri E. Iyall Smith,Brian K. Gran,2019-07-19 As sociologists deepen their examinations of human rights in their teaching research and thinking it is essential that such work is conducted in a manner that is both mindful and critical of the knowledge we are building upon in sociology and human rights As the authors of this volume reveal creating sociological knowledge that examines human rights for the expansion of human rights is something that sociologists are well equipped to undertake whether through the use of mathematics comparative historical analysis the study of emotions conversations or social psychology In these chapters you will find the roots of the study of human rights deep within sociological research and thinking as well as emerging techniques that will push the discipline as it seeks to expand understanding of human rights together with so many other aspects of the social condition What's Wrong with Sociology? Stephen Cole,2018-04-17 Since the 1950s sociology has experienced a decline in prestige when compared with the other social sciences In some highly publicized cases some universities have retrenched their sociology departments others are contemplating either retrenchment or downsizing of their departments Although there are some practitioners of the discipline who believe that it has never been in better shape many sociologists have come to believe that there are very serious problems both in the cognitive and social organization of the discipline This book contains sixteen essays by sociologists who believe that their discipline faces very serious problems which must be overcome if the discipline is to survive and prosper The contributors were selected to represent diverse views and thus there is substantial disagreement among them over what the problems are that sociology faces and how they may be remedied In this highly provocative book readers is likely to find some essays they agree with and others they disagree with but all the essays present important problems faced by the discipline which must be addressed Although the authors of the sixteen essays do not agree on what is wrong with the discipline there are some themes which appear frequently In his introduction Cole summarizes and comments on these themes His introduction centers on the question of whether sociology is entirely socially constructed Is what we believe to be true about society constrained by empirical evidence or is it a result of our ideology power authority and other

social processes One theme which appears in many of the essays is that sociology has become too ideological and as a result has lost credibility among university administrators politicians and the general public Many of the essays also stress the view that there are very low levels of consensus in sociology and that it is hard to see evidence of progress Others criticize the discipline for not dealing with the really important social issues and see much of the work published as being parochial and trivial Questions are also raised about why the use of causal models has failed to generate solutions to most of the problems the discipline addresses Some authors believe that the discipline adheres to an overly rational model of human behavior and has failed to keep up with some of the advances introduced by post modernist theories This highly readable set of essays should be of interest to all those are concerned about the current state of sociology They will also be useful in introducing graduate students to some of the most important issues currently being debated in the field Stephen Cole is currently professor of sociology at the State University of New York at Stony Brook and professor of sociology at the University of Queensland Australia He is the author of *Making Science Between Nature and Society* and with Jonathan R Cole *Social Stratification in Science*

The Sociologist as Consultant Joyce M. Iutovich, Mark Iutovich, 1987-04-03 In this welcome guide sociologists who have successfully established consulting practices present practical examples of how to apply sociological knowledge and methodological procedures to real life situations In addition to offering detailed suggestions for training the contributors explore the many ways in which sociologists can help solve problems faced by business governmental organizations social agencies schools and churches The ups and downs of establishing a consulting practice are outlined and supplemented by first hand accounts of the contributors experiences

A Journey of Discovering Sociology Long Chen, 2020-08-13 This book gathers the author s interviews with twenty leading sociologists from various fields at nine different prestigious universities in the USA including their viewpoints anecdotes and experiences in the world of sociology Each chapter presents an interview with one sociologist covering their views on contemporary sociology their early university experiences teaching experiences experiences with publishing and their reflections on life as a sociologist Through the dialogues readers can learn about sociology as well as sociologists lives in a unique and insightful way just as the author did and embark on a journey of discovering sociology The book helps readers find their own answers to the two main questions explored What is sociology and What is a sociologist s life like

The Public Sociology Debate Ariane Hanemaayer, Christopher J. Schneider, 2014-05-10 In 2004 Michael Burawoy challenged sociologists to move beyond the ivory tower and into the realm of activism to engage in public discourses about what society could or should be His call to arms sparked intense debate among sociologists Which side would sociology take Would public sociology speak for all sociologists In this volume which opens with a foreword by Michael Burawoy leading Canadian sociologists continue the conversation by discussing not only how and why they should do sociology but also how ethical judgments influence sociological practice and the evaluation of research Most importantly they ask whether and under what circumstances sociologists should advocate for

social change Regardless of whether they focus on activism research theory or teaching the contributors offer insights into where the discipline is heading and why it matters to people inside and outside the university Practicing Social Science Devorah Kalekin-Fishman, 2016-12-01 How is the process of globalization effecting changes in the structure of knowledge in sociology This path breaking volume looks at the human dimension of developments in the discipline by compiling a set of interviews that exemplify the life and work of a sociologist today Their ideas and conceptualizations show to what extent a paradigm shift has taken root answering questions such as whether sociology still remains a differentiated relatively autonomous social science The chosen interviewees are about equally divided according to gender and have been selected from among professional sociologists in different parts of the globe with an emphasis on areas that are under represented in English publications such as East Asia Latin America and Africa Analysis focuses on changes which are becoming clear from the on going confrontation between traditional sociology which emerged as a project of modernity and the sociology practiced by sociologists who are called upon to adapt the discipline to the upheavals of the twenty first century **The**

Sociological Experience Scott G. McNall, 1969 **Witnessing for Sociology** Pamela J. Jenkins, J.S.

Kroll-Smith, 1996-06-24 The American court system is making increasing use of sociologists as expert witnesses From toxic torts to religious cults and brainwashing sociological knowledge is becoming increasingly more commonplace in the legal arena This edited volume is a collection of the experiences of sociologists who have appeared as expert witnesses in a variety of court cases Many of the cases covered in this book revolve around central issues of murder self defense religious cults battered women child pornography environmentalism and homelessness This volume is unique in its breadth of topics and contributions *The Engaged Sociologist* Kathleen Odell Korgen, Jonathan M. White, 2014-09-23 This fully updated edition of

The Engaged Sociologist by Kathleen Odell Korgen carries the public sociology movement into the classroom while at the same time providing an engaging overview of the entire field It demonstrates how to think sociologically to develop a sociological eye and to use sociological tools to become effective participants in a democratic society Perfect as a supplement for an introductory course or as a main text for any course that has public sociology at its roots this inspiring book will serve as a guidebook to any student who is passionate about applying sociological concepts to the world around them **Why**

Study Sociology Everett K. Wilson, 1980 *Contemporary Readings in Sociology* Kathleen Odell Korgen, 2008-02-29 This reader was developed to be used in numerous courses taught in sociology It is appropriate for an introductory course as well as a social problems or special topics course The readings have been selected from numerous well respected sociology journals and they have been edited to make them more user friendly for the undergraduate student This reader allows undergraduate students to read about the major topics in sociology in the words of the original authors The reader includes a topic guide to help the instructor better integrate the material into their course and well crafted section openers place each article in context for the student This series of readings has been vetted by an Advisory Board of sociology instructors to

ensure quality **An Introduction to Sociology** Bryan S. R. Green, Edward A. Johns, 2013-10-22 An Introduction to Sociology presents the theoretical approaches the methods of inquiry and the concepts with which sociologists attempt to order the intricate phenomena of social interaction This book provides an illustration of particular investigations that may provide some insights into substantive features of society and social behavior Organized into six chapters this book starts with an overview of scientific proposition which is the statement of a relationship between specified properties of events and objects This text then explains the fundamental concepts that appear in the empirical and theoretical writings of sociologists Other chapters present a discussion of what sociologists actually study which includes the substantive areas of investigation and the aims of the investigation This book discusses as well the institutionalized areas of society including the family the economy and the polity The final chapter deals with the theories of the middle range This book is a valuable resource for sociologists **Doing Sociology** Jammie Price, Roger Straus, Jeff Breese, 2009-08-16 This successor to the well known Using Sociology covers standard topics found in any sociology textbook Doing Sociology walks lay readers through the steps of doing real life sociological practices as conducted by experts in the field The contributors to this volume range from university and college faculty government sociologists and practitioners from the private sector Each of the chapters is by intention and design a personal statement a case study illustrating how the authors practice sociology in their own words and style giving readers a clearer understanding of what sociologists do outside of teaching in universities And most importantly an understanding of what they could do with sociology Readable relevant and accessible Doing Sociology is an invaluable resource as a stand alone course reader or as a supplement to a traditional textbook

Sociologists On Sociology Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sociologists On Sociology free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sociologists On Sociology free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sociologists On Sociology free PDF files is convenient, its

important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Sociologists On Sociology. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sociologists On Sociology any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sociologists On Sociology Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
