# Sociology And Worlds Religion

**Christopher Partridge**

## **Sociology And Worlds Religion:**

Sociology and the World's Religions Malcolm B. Hamilton,1998 This book brings together and assesses a diverse range of substantive sociological anthropological and social psychological scholarship dealing with the broad spectrum of religious belief experience and behavior **Gods in the Global Village** Lester R. Kurtz,2007 Publisher Description *Sociology*

*and the World's Religions* M. Hamilton,1998-08-09 Sociological and related studies of systems of religion tend to be fragmented This book brings together and assesses a diverse range of substantive sociological anthropological and social psychological scholarship dealing with the broad spectrum of religious belief experience and behaviour from the work of anthropologists on the religions of tribal and pre industrial peoples to explorations of the origins development and impact of the great world religions The book will have particular appeal not only in the fields of sociology social anthropology but also religious studies **A Comparative Sociology of World Religions** Stephen Sharot,2001-08 Sharot sociology Ben Gurion

U of the Neger focuses on the differences and interrelationships between religious elites and lay masses He presents several relevant concepts and theories including a model of religious action based on the work of Max Weber and a discussion of elites and masses as represented in Weber s comparison of world religions Coverage encompasses religious action in world religions Brahmins Renouncers and Hinduism in India Buddhism and Animism in Sri Lanka and Southeast Asia traditional Catholicism in Europe Islam and Judaism Protestants Catholics and the reform of popular religion and a comparison of religious elites and popular religions c Book News Inc *The Sociology of Religion* Max Weber,1963 In *The Sociology of Religion* Max Weber looks at the significant role religion has played in social change throughout history The book was a formative text of the new discipline of sociology and has gone on to become a classic in the social sciences From product description *Gods in the Global Village* Lester R. Kurtz,2015-04-01 In a world plagued by religious conflict how can the various religious and secular traditions coexist peacefully on the planet And what role does sociology play in helping us understand the state of religious life in a globalizing world In the Fourth Edition of *Gods in the Global Village* author Lester Kurtz continues to address these questions This text is an engaging thought provoking examination of the relationships among the major faith traditions that inform the thinking and ethical standards of most people in the emerging global social order Thoroughly updated to reflect recent events the book discusses the role of religion in our daily lives and global politics and the ways in which religion is both an agent of and barrier to social change *A Comparative Sociology of World*

*Religions* Stephen Sharot,2001-08 *A Sociology of World Religions* presents a comparative analysis of the world s religions focusing on the differences and interrelationships between religious elites and lay masses In each case the volume contextualizes how the relationships between these two religious forms fit within and are influenced by the wider socio political environment After introducing the book s major themes the volume introduces and builds upon an analysis of Weber s model of religious action drawing on Durkheim Marxist scholars and the work of contemporary sociologists and

anthropologists The following chapters each focus on major religious cultures including Hinduism Buddhism Catholicism Protestantism Islam Judaism and the religions of China and Japan This ambitious project is the first to offer a comparison of the popular or folk forms of religion around the world Sharot's accessible introductions to each of the world religions synthesizing a vast literature on popular religion from sociology anthropology and historians of religion make the project ideal for course use His comparative approach and original analyses will prove rewarding even for experts on each of the world religions

**The Sociology of Religion** Malcolm B. Hamilton, 2012-06-12 This expanded second edition combines a discussion of the main theorists with a wide range of material illustrating the diversity of religious beliefs and practices

**Religion in Today's World** Melissa M. Wilcox, 2013-12-19 Religion is a major force in contemporary society It is also one of the least understood social and political influences on individuals and communities In this innovative collection of original essays and classic readings experts explore the significance of contemporary religiosity as a source of meaning and motivation how it unites and divides us and how it is used politically and culturally Readers will be introduced to the broad debates in ways that will equip them to analyze discuss and make their own judgments about religion and society This book should be read by anyone interested in understanding religion as a central source of meaning and politics and is ideally suited for undergraduate teaching on religion and social issues and from a global perspective

*Global Religions* Mark Juergensmeyer, 2003-03-20 The essays collected here provide brief and accessible introductions to the major world religions in their global contexts The volume begins with an introduction to the globalization of religion by Mark Juergensmeyer and is followed by individual essays on Christianity Islam Judaism Hinduism Buddhism and local religious societies The book concludes with three essays reflecting on the global religious scene Taken together these essays provide a concise authoritative and highly readable introduction to the state of worldwide religion in the 21st century

*The World's Religions* Peter B. Clarke, Peter Beyer, 2009-05-07 This comprehensive volume focuses on the world's religions and the changes they have undergone as they become more global and diverse in form It explores the religions of the world not only in the regions with which they have been historically associated but also looks at the new cultural and religious contexts in which they are developing It considers the role of migration in the spread of religions by examining the issues raised for modern societies by the increasing interaction of different religions The volume also addresses such central questions as the dynamics of religious innovation which is evidenced in the rise and impact of new religious and new spirituality movements in every continent

*Religion Matters* William A. Mirola, Michael O. Emerson, Susanne C. Monahan, 2016-01-08 Religion Matters What Sociology Teaches Us About Religion in Our World is organized around the biggest questions that arise in the field of sociology of religion This is a new text for the sociology of religion course Instead of surveying this field systematically the text focuses on the major questions that generate the most discussion and debate in the sociology of religion field

**The New Blackwell Companion to the Sociology of Religion** Bryan S. Turner, 2016-10-03 THE NEW

BLACKWELL COMPANION TO THE Sociology of Religion I enjoyed reading this book for its in depth examination of the complexities of the social forces that are shaping and are being shaped by religious groups around the world I certainly see this being of theoretical value for researchers engaging the new religious realities of our world Sociology of Religion A Quarterly Review The new companion is a timely and valuable work validly updating the original companion and a good addition to the reference shelves of any academic or specialist library Reference Reviews Reflecting recent developments in the field this companion provides a comprehensive introduction to the sociology of religion with a clear emphasis on comparative and historical approaches Covering all the areas relevant to undergraduate courses in this area the Companion begins by laying down the anthropological and sociological foundations of the study of religion and their contemporary developments It continues with an analysis of both traditional and contemporary forms of organization such as church sect typologies as well as megachurches and modern forms of spirituality The secularization and post secular society debates are considered in depth along with the globalization process fundamentalism charismatic movements and revivalism It also discusses the sociology of Buddhism Christianity Hinduism Islam Judaism and religions of China as well as the areas of American exceptionalism from de Tocqueville onwards religious nationalism women and piety movements and the spirituality of Native American communities Considering new developments in social theory and religion the collection concludes with a discussion of recent work that attempts to understand the future of religion blending the sociology of modern societies anthropological ethnography and philosophical inquiry

Sociology in Today's World Brian Furze, Cengage Learning Australia, Pauline Savy, 2014 Sociology in Today's World explores why sociology is important and relevant to everyday life It teaches students how to think sociologically not just what to think and shows how sociology can help us make sense of our lives It comprehensively covers key aspects and current issues in Australian and New Zealand society whilst emphasising the importance of diversity and a global perspective

*Religion in Sociological Perspective* Keith A. Roberts, David Yamane, 2020-07-15 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Religion in Sociological Perspective introduces students to the systems of meaning structure and belonging that make up the complex social phenomena we know as religion Authors Keith A Roberts and David Yamane use an active learning approach to illustrate the central theories and methods of research in the sociology of religion and show students how to apply these analytical tools to new groups they encounter The Seventh Edition departs from previous editions by emphasizing that the sociology of religion is an ongoing conversation among scholars in dialogue with existing scholarship and the social world This perspective is established in the new second chapter Historical Development of the Sociology of Religion Other chapters feature important voices from the past alongside the views of contemporary sociologists and conclude with a glimpse of where the sociology of religion might be heading in the future At every opportunity the text has been enriched by research

and examples that are meant to challenge parochial limits in the sociology of religion pushing beyond Christianity congregations beliefs national borders especially the United States and even beyond religion itself to take nonreligion more seriously Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides A student activity guide includes chapter specific exercises linked to resources within the ARDA

### **Introduction to World Religions**

Christopher Partridge,2013-11-01 A leading textbook for world religion this new edition is designed to help students in their study and research of the world s religious traditions Known and valued for its balanced approach and its respected board of consulting editors this text addresses ways to study religion provides broad coverage of diverse religions and offers an arresting layout with rich illustrations The second edition has new and extended primary source readings a stronger section on the Religions of South Asia additional maps a new full color student friendly format and more

### **The Routledge**

**International Handbook of Sociology and Christianity** Dennis Hiebert,2023-10-18 The Routledge International Handbook of Sociology and Christianity examines the intersection of the sociology of religion a long standing focus of sociology as a discipline and Christianity the world s largest religion An internationally representative and thematically comprehensive collection it analyzes both the sociology of Christianity and Christian approaches to sociology with attention to the Roman Catholic Orthodox and Protestant branches of Christianity An authoritative state of the art review of current research it is organized into five inter connected thematic sections considering the overlapping emergence of both the Christian religion and the social science the conceptualization of and engagement with Christianity by sociological theory the ways in which Christianity shapes and is shaped by various social institutions the manner in which Christianity resists and promotes various forms of social change and the identification diagnosis and correction of social problems by sociology and Christianity This volume is an invaluable collection for scholars and advanced students with special appeal for those working in the fields of sociology and social theory as well as religious studies and theology

### **From World Religions to Axial**

**Civilizations and Beyond** Saïd Amir Arjomand,Stephen Kalberg,2021-03-01 The post World War II idea of the Axial Age by Karl Jaspers and as elaborated into the sociology of axial civilizations by S N Eisenstadt in the later twentieth and early twenty first centuries continues to be the subject of intense scholarly debate Examples of this can be found in recent works of Hans Joas and Jürgen Habermas In From World Religions to Axial Civilizations and Beyond an internationally distinguished group of scholars discuss advance and criticize the Jaspers Eisenstadt thesis and go beyond it by bringing in the critical influence of Max Weber s sociology of world religions and by exploring intercivilizational encounters in key world regions The essays within this volume are of unusual interest for their original analysis of relatively neglected civilizational zones especially Islam and the Islamicate civilization and the Byzantine civilization and its continuation in Orthodox Russia

Max

Weber's Economic Ethic of the World Religions Thomas Ertman,2017-03-24 This book identifies what is living and what is

dead in Max Weber's analyses of China India and Ancient Israel
