youth culture as an exclusive world of leisure to a mass audience Starring popular slapstick comedian Harold Lloyd *The Freshman* was a hit with audiences for its parody of contemporary conceptions of university life as an orgy of proms and football games becoming the highest grossing comedy feature of the silent era This book examines *The Freshman* from a number of perspectives with a focus on the social economic and political context that led to the rise of campus culture as a distinct subculture and popular mass culture in 1920s America Lloyd's use of slapstick to represent an embodied youthful middle class masculinity and the film's self reflexive exploration of the conflict between individuality and conformity as an early entry in the youth film genre
