**The Sins of Herod** Frank Gill Slaughter, 1968      **Sin and Its Consequences** Donald H. Roy Ph.D., 2023-02-15 Well a book about sin might not be too compelling these days given that the subject hardly ever appears in day to day conversations perhaps only in theological settings and even there the subject is rather rare these days as well But one might find this **Sin and Its Consequences A Biblical Timeline** a satisfying exception to this commonplace reaction for it uses the theme as a vehicle to take the reader on a fascinating journey through the entire Bible from the first sin recorded there and its devastating results to the death of sin and the banishment of its worldly chieftain and his minions Yes it does consider most of the sins recorded in the Old and New Testaments and how God dealt with them this to help explain what Moses meant when he wrote The Lord is slow to anger and abounding in steadfast love forgiving iniquity and transgression but by no means clearing the guilty Numbers 14 18 That is the book helps to understand just what the implications of by no means clearing the guilty might be and how it is relevant to how we live and think today The story line follows God's dealings with His images from Adam and Eve to the end times as recorded by Saint John in his book of Revelation There is much linking and contextual material including numerous images and discussion of the geopolitical settings related to the scripture which carries the main story line The book deviates from canonical scripture to present in two add on excurses the author's views on why God arranged the creation of His first two images Adam and Eve just the way He did and on what the fallen world to which they were banished was and is like Also presented are the author's noncanonical views on what Saint John saw in the seven thunders of chapter 10 of his apocalyptic journal The views expressed there are the result of many years of thinking about what Saint John might have seen and heard as those thunders sounded and why he was told to seal up what the seven thunders have said and do not write it down Revelation 10 4 The purpose in addressing this issue is to somehow bring the notion of what God might consider as the most egregious sins of modern times to the reader's mind and perhaps compel her or him to think about the subject as well After all this business of sin is no small matter It doesn't have to be morbid either but Jeremy Taylor expressed it well when he wrote No sin is small It is a sin against an infinite God and may have consequences immeasurable No grain of sand is small in the mechanism of a watch Finally in addition to all of this the book is a testimony or witness of the author to his faith as a Christian To this engineer the good news of what God has done in Jesus Christ is beyond a matter of faith it is so logical and so beautiful and so like God that it just must be fact why how else could His fallen images be made perfect as he is perfect righteous as He is righteous sinless as He is sinless except by the perfection and righteousness and sinlessness of Christ imputed to us by faith and so make the believer a fit citizen of the Kingdom      *The Sins of Herod* Frank Gill Slaughter, 1976-06-01      **A Popular Commentary on the Gospel According to Luke** Alfred Nevin, 1868      *For Theophilus* Tom Eckstein, 2014-12-09 A collection of meditations on the Gospel of Luke      *History of the Hebrews' Second Commonwealth* Isaac Mayer Wise, 1880      *The Church School Journal*, 1874      **A**

**Practical Commentary on Holy Scripture** Friedrich Justus Knecht, 1910      Matthew Douglas Sean O'Donnell, 2013-11-30

Jesus is King Standing as a central theme of the Gospel of Matthew Jesus's kingly authority has profound implications for how we live in the world and interact with those around us In this reader friendly commentary seasoned pastor Doug O'Donnell leads us through the first book of the New Testament highlighting key themes and offering helpful illustrations for preaching Drawing on years of pastoral experience O'Donnell shows how Matthew's various emphases including Jesus's messianic titles fulfillment of Old Testament prophecy teaching on the kingdom of heaven and present and future role as judge all relate to Christ's kingship Designed to help pastors faithfully preach God's Word this commentary ultimately highlights Matthew's call to all people to worship and obey Jesus our humble King and gracious Savior Part of the Preaching the Word series

**Thou Art the Christ** Jonathan Jenkins, 2019-04-16 Matthew Mark Luke and John give four different views of the story of our Lord and Savior Jesus Christ Their accounts are compelling but they give a fragmented and scattered view of Jesus' life In this devotional the author pieces together the life of Jesus within these accounts walking readers through His life chronologically In the process he seeks to answer questions such as What would a typical day with Jesus have included How did Christ interact with Scripture especially messianic prophecies When did the plot to kill Jesus begin and how extensive was it How many witnesses were there to the resurrection The author also examines how Jesus was first recognized as the Messiah and declared as the Son of God whether any court declared Him innocent and what Matthew Mark Luke and John's insights tell us about Jesus and His teachings Thou Art the Christ provides a nonbreaking narrative of Jesus's life connecting it to Old Testament prophecies about God's promise to send the Messiah for the whole world for any whosoever believing him
