## **Sioux Autumn:**

**Four Generations of Stone** Ron Hunter, 2019-07-31 Four Generations of Stone is a fictional story about a family of strong men and women who began with one man coming to America in 1850 from England. He is compelled to follow his dream of becoming a mountain man in the American Rocky Mountains. Without the help of the First Nation Americans, the Stone family would have had a more difficult journey through all four generations of this saga. He prospered as a trapper and expanded eventually raising cattle in what was to become Montana. The family grew and developed a vast cattle ranch as well as a thriving big game hunting business. Their adventure weaves through the expansion of America, the War Between the States, the Great War in Europe, and World War II. The fourth generation patriarch Dale Stone continues to operate two family businesses and meets a difficult challenge protecting two of his big game hunting clients from being kidnapped by foreign agents.

**Custer, the Seventh Cavalry, and the Little Big Horn** Mike O'Keefe, 2012-11-20 Since the shocking news first broke in 1876 of the Seventh Cavalry's disastrous defeat at the Little Big Horn, fascination with the battle and with Lieutenant George Armstrong Custer has never ceased. Widespread interest in the subject has spawned a vast outpouring of literature which only increases with time. This two-volume bibliography of Custer literature is the first to be published in some twenty-five years and the most complete ever assembled. Drawing on years of research, Michael O'Keefe has compiled entries for roughly 3,000 books and 7,000 articles and pamphlets. Covering both nonfiction and fiction but not juvenile literature, the bibliography focuses on events beginning with Custer's tenure at West Point during the 1850s and ending with the massacre at Wounded Knee in 1890. Included within this span are Custer's experiences in the Civil War and in Texas, the 1873 Yellowstone and 1874 Black Hills expeditions, the Great Sioux War of 1876-77, and the Seventh Cavalry's pursuit of the Nez Percés in 1877. The literature on Custer, the Battle of the Little Big Horn, and the Seventh Cavalry touches the entire American saga of exploration, conflict, and settlement in the West, including virtually all Plains Indian tribes, the frontier, army, railroading, mining, and trading. Hence, this bibliography will be a valuable resource for a broad audience of historians, librarians, collectors, and Custer enthusiasts.

**Sioux Autumn** Bruce Thomas, 1979-01-01 **The Contract Surgeon** Dan O'Brien, 2022-02-22 Winner of the Western Heritage Award, this beautifully crafted historical novel from one of the West's most popular writers tells the true story of the friendship between Valentine McGillicuddy, a young doctor plucked from his prestigious medical career and newly married wife to serve in the army during the Great Sioux War, and the fearsome chief Crazy Horse. When Crazy Horse finally agrees to surrender to the United States, mistrust and treachery on both sides generate further conflict, and he is gravely wounded. McGillicuddy declares the chief his patient and struggles through a long night to keep his spirit alive. Set in the sprawling Great Plains during the most tragic period in its history, this tale of bravery, justice, and love weaves a tapestry of time and events into the account of a single day, the last in the life of Crazy Horse, to reveal the secrets surrounding America's past.
