Sistema Político Español:

SISTEMA POLÍTICO ESPAÑOL FERNÁNDEZ-MIRANDA ALONSO Faustino ,DE BLAS GUERRERO Andrés ,SÁNCHEZ-ROCA RUIZ María ,DE ANDRÉS SANZ Jesús ,2016-07-22 Las transformaciones experimentadas por el sistema político español en las últimas décadas han sido acicate para la modernización del Estado y de la sociedad española en general. La transición democrática iniciada tras la muerte del general Franco acabó con la dictadura de este y culminó en la aprobación de una Constitución la de 1978 la cual según reza su artículo primero estableció en España un Estado social y democrático de Derecho que propugna como valores superiores de su ordenamiento jurídico la libertad la justicia la igualdad y el pluralismo político. El estudio del actual sistema político español de sus orígenes fundamentos e instituciones es requisito previo para entender el entorno político y social que nos rodea imprescindible por tanto para cualquier alumno de Ciencias Sociales

Sistema político español Andrés de Blas Guerrero, Faustino Fernández-Miranda Alonso, Jesús de Andrés, María Sánchez-Roca Ruiz, 2014 *Sistema político español* Paloma Román Marugán, 2001 El objetivo de este libro es ofrecer una visión amplia y conjunta aunque desde muy distintos puntos de vista académicos de los fenómenos políticos en España. En esta edición se ofrece un nuevo diseño en el que prima la evolución de la dinámica política interna así como la incidencia que han tenido otros factores entre los que destaca sin ninguna duda la pertenencia a Europa. El libro sigue una estructura que combina una primera parte imprescindible de antecedentes históricos e inmediatos con la explicación de los elementos políticos más claramente vinculados con el quehacer social y de las instituciones. Asimismo la obra arranca con un capítulo sobre el modelo parlamentario en España que sirve como introducción general y de establecimiento del escenario. Luego cada capítulo aborda el tema prescrito a través de la combinación entre la fisonomía formal y real así como la explicación correspondiente. La inexorable conexión entre unos capítulos y otros queda patente no sólo por el sentido general de la obra sino porque además quedan expresados explícitamente dichos vínculos. La democracia española: realidades y desafíos Mikel Barreda, Rosa Borge Bravo, 2006 El libro comienza con la evolución histórica del sistema político español para después analizar el entramado institucional de la democracia actual forma de gobierno sistema electoral y organización territorial. Los capítulos siguientes abordan el ámbito de los actores políticos tanto colectivos partidos y sistemas de partidos sindicatos movimientos como individuales ciudadanos cultura política capital social resultados electorales. Finalmente la obra concluye con un balance de la democracia en España se analizan sus fortalezas y los aspectos problemáticos. **Diccionario del sistema político español** José Juan González Encinar, 1984 Se ofrece un resumen del estado de la cuestión en cada uno de los temas tratados y se da noticia de los trabajos más importantes intentando poner al alcance del lector el tratamiento científico de diferentes aspectos del universo político cotidiano. Se ha querido ofrecer una visión amplia de valores conceptos instituciones fuerzas y praxis política de nuestro sistema. *Sistema Político Español e Galego* Álvaro Xosé López Mira, 2018-02-25 Contemporary Spanish Politics José M. Magone, 2017-12-06 This fully revised and updated third edition

reflects the considerable changes in Spain over the last decade as the country celebrates 40 years of its constitution The author gives fresh insight into the formal and informal workings of this dynamic southern European democracy Thoroughly examining Spain's historical background political culture core political institutions and foreign policy making each chapter provides a research based overview of the studied topic which can then be used as the basis for further research by students Key themes of the book include A thorough overview of contemporary Spanish politics especially the governments of Zapatero and Rajoy Spain's political culture and institutional framework The Spanish economy and the consequences of the economic and sovereign debt crisis Foreign policy making the reaction to the global anti terrorist coalition and the Madrid bombings Policy making process and the system of interest intermediation Party system and electoral process The dynamics of regional territorial politics and the Basque Catalan and Galician nationalisms particularly the quest for Catalan independence External relations with the European Union the Mediterranean and Latin America Constitutional reform Immigration Richly illustrated with maps and presenting large amounts of statistical and quantitative data this book is an indispensable source of information for students academics and the wider public interested in Spanish politics

Contemporary Spanish Politics José María Magone, 2004 This book gives fresh insight into the formal and informal workings of this dynamic southern European democracy thoroughly discussing history politics institutions parties economy and foreign policy at an introductory level **Beyond the Spanish State** R. Jones, 2000-09-25 Beyond the Spanish State is a well researched and accessibly written study of EU policy making in Spain From the fishermen in Andalusia fighting to protect their quotas to regional governments demanding a greater say in EU Structural Funds the book represents a masterful effort to delve deeper into the dynamic relations between central government and other actors in the domestic arena Conclusions most directly pertain to the case of Spain but nonetheless provide an insight into the broader EU framework *The Oxford Handbook of Spanish Politics* Diego Muro, Ignacio Lago, 2020-02-17 The Oxford Handbook of Spanish Politics provides a comprehensive and comparative overview of the Spanish political system through the lens of political science It aims to move away from a complacent analysis of Spanish democracy and provide a nuanced view of some of its strengths and challenges The Handbook introduces Spanish politics to an international audience of scholars and practitioners It is structured around six sections that cover Spain's political history institutional changes elections civil society policy making and foreign affairs The volume brings together a distinguished group of 47 internationally renowned scholars who study Spain in its own right or as a case among others in a comparative perspective The contributors provide expert accounts of contemporary Spain making the Oxford Handbook of Spanish Politics an invaluable resource for anyone interested in Spanish politics and government since the country's transition to democracy **Contemporary Spanish Foreign Policy** David Garcia, Ramon Pacheco Pardo, 2014-08-07 This book examines the evolution of Spanish foreign policy since 1975 through five different presidencies spanning its transformation from a dictatorial political system and backward

economy to a modern European state fully democratic and with a well functioning market economy under strain from the Eurozone Sovereign Debt crisis It explains how domestic developments and external factors have combined to shape Spain's international relations assessing the impact of EU membership and providing an example of how middle powers can pursue their foreign policy objectives in the international system The authors explore a range of topics including Defence and security Economy and development Soft power Spanish policy towards the EU the United States Latin America the Mediterranean Sub Saharan Africa and Asia This book will be of interest to students and scholars of Spanish politics and history European Union studies foreign policy international relations and security studies *Making Women Count* Kylie Stephen, 2018-02-05 This title was first published in 2000 Drawn from an international research project this study provides evidence of efforts to make law and policy making truly inclusive and discusses whether success or failure depends on the nature of the procedure or the legal and social context The book contains six case studies detailing national practice in promoting equality between the sexes and a series of general chapters which evaluate the effectiveness of individual equality strategies and the factors which contribute to their success or failure The contributors analyze the contribution of the European Union in promoting gender equality in Europe and particular emphasis is placed on gender mainstreaming and how this strategy might be developed **La europeización del sistema político español** Carlos Closa, 2001 Sin renunciar a un elevado grado de rigor científico el lector encontrará en sus manos un libro accesible tanto a expertos en la materia como a aquellos preocupados por la integración europea y el papel de España dentro de ella Diccionario de símbolos políticos y sociales del siglo XX español, **Derecho político español Tomo II: Derechos fundamentales y Órganos del Estado** Óscar Alzaga Villaamil, Ignacio Gutiérrez Gutiérrez, Fernando Reviriego Picón, María Salvador Martínez, Jorge Alguacil González-Auriol, 2017-01-17 Esta nueva edición ha sido cuidadosamente revisada y actualizada básicamente porque la legislación de desarrollo de diversos preceptos constitucionales ha conocido significativas novedades en los últimos tiempos

Derecho político español. Según la Constitución de 1978 Óscar Alzaga Villaamil, Ignacio Gutiérrez Gutiérrez, Fernando Reviriego Picón, María Salvador Martínez, Jorge Alguacil González - Auriol, 2016-12-21 Obra de consulta para juristas prácticos pero sobre todo material de estudio para alumnos universitarios que cursan la disciplina de Derecho constitucional en esta sexta edición se aborda el desarrollo legislativo de nuestra Constitución desde la edición anterior y numerosos cambios por vía de leyes orgánicas o mediante leyes ordinarias bien estatales bien autonómicas **HISTORIA DEL PENSAMIENTO POLÍTICO ESPAÑOL. DEL RENACIMIENTO A NUESTROS DÍAS** GONZÁLEZ CUEVAS Pedro Carlos, MARTÍNEZ ARANCÓN Ana, OLABARRÍA AGRA Juan, PLATA PARGA Gabriel, SÁNCHEZ GARCÍA Raquel, ZAMORA BONILLA Javier, 2016-03-18 Este manual intenta analizar la trayectoria del pensamiento político español desde una perspectiva no abstracta sino contextualista Es decir que los planteamientos filosóficos y políticos descritos en el texto han de verse en su contexto histórico y considerarse como producto de una fase concreta de la historia de la sociedad en que se

produjeron en este caso la espala desde el Renacimiento hasta el final del rgimen poltico acaudillado por el general Francisco Franco Y es que las ideas polticas y o filosoficas separadas del contexto que les dio vida pierden su poder y su racionalidad

European Union Enlargement Jurgen Elvert, Wolfram Kaiser, 2004-08-02 European Union Enlargement provides a comparative analysis of the post war European policies of those states that joined the European Union between 1973 and 1995 The volume draws upon new empirical research in order to investigate the policies that these newcomer states have had towards Europe since 1945 with an emphasis on their experience of membership and its possible Europeanising effect A final comparative chapter draws the national European policies of the newcomers together and outlines what they have brought to the EU The book also tests integration theories against the available evidence demonstrating their limited explanatory value and the economic political and cultural specificity of different national paths towards EU integration

The Europeanization of Domestic Legislatures Sylvain Brouard, Olivier Costa, Thomas König, 2011-12-10 In ten years 80 per cent of the legislation related to economics maybe also to taxes and social affairs will be of Community origin This declaration has been largely quoted paraphrased and deformed by different authors creating a persistent myth according to which 80% of the legislative activity of the national legislatures would soon be reduced to the simple transposition of European norms This book addresses the topic of the scope and impact of Europeanization on national legislation as a part of the Europeanization debate which raises normative concerns linked to the democratic deficit debate The state of the art shows that there are many assumptions and claims on how European integration may affect national legislation and more generally domestic governance but that there is a lack of solid and comparative data to test them The aim of the book is to give a solid and comparative insight into Europeanization focusing on effective outcomes in a systematic way This book analyzes the period 1986 2008 and includes an introduction a global overview of European legislative activities which set the background for Europeanization of national legislatures 9 country contributions 8 EU member states Switzerland including systematic comparative and standardized data tables and figures and a conclusion with a comparative analysis of the European and domestic reasons for Europeanization All national contributions conclude that Europeanization of national legislation is much more limited than assumed in the literature and public debate It is limited to 10 to 30% of laws depending on the country far less than the 80% predicted by Jacques Delors and mentioned daily by medias and public opinion leaders to demonstrate EU domination on member states Beside that general statement the various chapters propose a deep insight on EU constraint over national legislation providing much information on the kind of laws and policies that are Europeanized the evolution of this process through time the impact of Europeanization on the balance of powers and the relations between majority and opposition at national level the strategies developed by national institutions in that context and many other issues making the book of interest to academics and policy makers concerned with Europeanization and national legislation
