## **Sister Would Know:**

A Sister Would Know C.J. Carmichael, 2014-09-15 TWINS They're definitely not two of a kind. She needs answers. With uncanny accuracy, Amalie knows the exact moment her identical twin is swept away by an avalanche in the Canadian Rockies. What she doesn't know is what her timid, unathletic sister was doing up in the mountains in the first place. For everyone's sake, Amalie is determined to find out. He's the man who can give them to her. Grant Thoriow, manager of the Avalanche Control Section at Rogers Pass, British Columbia, can help her. But he wishes Amalie had stayed put in Toronto. Her sister, it seems, caused nothing but trouble in the two months she lived at the Pass. The last thing he wants is Amalie here in town, kicking up a fuss. Especially once it becomes clear to both of them that he can give her more than just answers about her sister and she wants more than that too.

**The Role of Sisters in Women's Development** Sue A. Kuba, Professor of Psychology at the California School of Professional Psychology, 2011-03-04 Psychological theory has traditionally overlooked or minimized the role of siblings in development, focusing instead on parent-child attachment relationships. The importance of sisters has been even more marginalized. Sue A. Kuba explores this omission in *The Role of Sisters in Women's Development*, seeking to broaden and enrich current understanding of the psychology of women. This unique work is distinguished by Kuba's phenomenological method of research, rooted in a single prompt: Tell me about your relationship with your sister. Rich in detail, the responses, many of which are reproduced at length within the book, provide a complex picture of sister relationships across the lifespan. Integrating these stories with current literature about gender and family composition for sisters of difference, disabled and lesbian sisters, and ethnic sisters, this book provides useful recommendations for therapeutic understanding of the significance of sisters in everyday life, integrating diverse perspectives in order to address the ways clinicians can enhance psychological work with women clients. A valuable contribution to the field of mental health, *The Role of Sisters in Women's Development* is highly recommended for therapists who wish to broaden their inquiry into the sister connection, as well as anyone who wants to further understand the importance of sisterhood.

**The Long-lost Rachel Wild;** Rachel Wild Peterson, 1905 Hansard's Parliamentary Debates Great Britain. Parliament, 1866 Dear, I Surrender Dai DaoDeXiaoTianTian, 2020-08-31 The first dispute between Mo Xiaofen and Young Master Xi was immediately resolved. Handsome, are we going to make an appointment? Yes. The second clash between Mo Xiaofei and Young Master Xi was like a firewood burning in flames. Aren't you the one who can't do it? You seem very satisfied last night. The third fight between Mo Xiaofei and Young Master Xi was indescribable. Can you stop pestering me? My wife, if you feed me, I won't bother you anymore. The fourth time. Fifth time.

**Father of Lies** Susan C. Ryan, 2021-06-08 Father James Ennis's life is fulfilling enough. He's content to tend to the concerns of his aging parishioners at St. Patrick, including the Brennans, whom he suspects are being swindled, and be a loving, if remote, uncle to his sister Lizzie's two children. There's also the matter of coping with the growing insistence of the sinister, unseen presence that has inhabited his life for two decades now. Twenty-seven-year-old Emily Bell is

desperate to fit into the rarefied world of her colleagues at the Manhattan auction house where she works When a weekend jaunt to Newport Rhode Island ends in pain and humiliation it s too much to bear On a hot sticky summer night Father Ennis gets a phone call that upends more than the routine of his days It brings Jim and Emily together marking the start of a friendship between savior and saved that will change them both forever It also marks the beginning of a battle against evils both ordinary and supernatural Alive with memorable characters Ryan s finely crafted novel explores the ability of love to forge bonds of friendship to mend broken places and to summon the courage to face even the most daunting darkness
