Hollinder, 2015-04-10 The Romanov sisters made up the last of a great dynasty that had been in history for years before The time they were alive marked an era of significant changes to Russia both the political and the advancement of the laws They seem quite unsuited to the role and in their recorded history they seem to be more concerned about themselves even though they cannot be fully faulted as they had been sheltered from the outside world and did not have a say in the events that unfolded leading up to their brutal murder and the disfiguring of their bodies Their massacre was thought to have been fueled by the people who wanted to assume power at the time without having the threat of the Romanovs Even though the next emperor would have been the sickly son of the Emperor Nicholas Alexey it had been in the Russian history to have Empresses in power and having a family of five whether they stayed unmarried or not would have been a threat to anyone who wanted to gain power over Russia Snow Sisters: The Crystal Rose Astrid Foss, 2018-11-01 The second in the Snow

The Role of Sisters in Women's Development Sue A. Kuba, 2011-04 Psychological theory has traditionally overlooked or minimized the role of siblings in development focusing instead on parent-child attachment relationships. The importance of sisters has been even more marginalized. Sue A. Kuba explores this omission in *The Role of Sisters in Women's Development* seeking to broaden and enrich current understanding of the psychology of women. This unique work is distinguished by Kuba's phenomenological method of research rooted in a single prompt: Tell me about your relationship with your sister. Rich in detail the responses many of which are reproduced at length within the book provide a complex picture of sister relationships across the lifespan. Integrating these stories with current literature about gender and family composition for sisters of difference disabled and lesbian sisters and ethnic sisters this book provides useful recommendations for therapeutic understanding of the significance of sisters in everyday life integrating diverse perspectives in order to address the ways clinicians can enhance psychological work with women clients. A valuable contribution to the field of mental health *The Role of Sisters in Women's Development* is highly recommended for therapists who wish to broaden their inquiry into the sister connection as well as anyone who wants to further understand the importance of sisterhood.

Sisters and the English Household Anne D. Wallace, 2018-09-15 *Sisters and the English Household* revalues unmarried adult sisters in nineteenth-century English literature as positive figures of legal and economic autonomy representing productive labor in the domestic space. As a crucial site of contested values the adult unmarried sister carries the discursive weight of sustained public debates about ideals of domesticity in nineteenth-century England. Engaging scholarly histories of the family and providing a detailed account of the 70-year marriage with a deceased wife's sister.

controversy Anne Wallace traces an alternative domesticity anchored by adult sibling relations through Dorothy Wordsworth's journals William Wordsworth's poetry Mary Lamb's essay *On Needle Work* and novels by Jane Austen Elizabeth Gaskell Charles Dickens Dinah Mulock Craik and George Eliot Recognizing adult sibling relationships and the figure of the adult unmarried sibling in the household as primary and generative rather than contingent and dependent and recognizing material economy and law as fundamental sources of sibling identity *Sisters and the English Household* resets the conditions for literary critical discussions of sibling relations in nineteenth century England

The Chinese Sisters of the Precious Blood and the Evolution of the Catholic Church Cindy Yik-yi Chu, 2016-11-09 This book traces the origins of the Chinese Sisters of the Precious Blood in Hong Kong and their history up to the early 1970s and contributes to the neglected area of Chinese Catholic women in the history of the Chinese Catholic Church It studies the growth of an indigenous community of Chinese sisters who acquired a formal status in the local and universal Catholic Church and the challenge of identifying Chinese Catholic women in studies dealing with the Chinese Church in the first half of the twentieth century as these women remained faceless and nameless in contrast to their Catholic male counterparts of the period Emphasizing the intertwining histories of the Hong Kong Church the churches in China and the Roman Catholic Church it demonstrates how the history of the Precious Blood Congregation throws light on the formation and development of indigenous groups of sisters in contemporary China

Sisters Elizabeth Iles,1998-06 Ask the Grey Sisters Sault Ste Marie and the General Hospital 1898 1998 tells the story of the creation and one hundred year history of the Sault Ste Marie General Hospital At a time when Canada s healthcare system is at a crossroads and we are asked to make crucial decisions for its future it is intriguing and enlightening to look at the colourful past of a typical community hospital Throughout the 1890s Sault Ste Marie was a town in search of a hospital Its glory days at the centre of the fur trade route were long gone and the Sault was in the process of becoming a modern industrial community Such a community needed a hospital as a centrepiece to attract investors and as a necessary social institution to care for the hundreds of workers who were flocking to town without family support The General Hospital was established in 1898 after the town committee charged with developing a hospital had been refused funding by both the federal and provincial governments In desperation the committee met with the provincial Inspector of Asylums and Prisons the only provincial official with hospitals in his mandate If you wish a hospital of which the work is serious and lasting he is reported to have advised them ask the Grey Sisters And so began a fruitful association between the community of Sault Ste Marie and two orders of Grey Sisters who have operated the hospital through its one hundred year history Based in part on the extensive archival collections of both orders of nuns this history includes material from the sisters Chronicles and their personal reminiscences The result is an intimate and detailed portrait of a community hospital placed in the context of an emerging provincial system of health care *Sister Augustine, superior of the Sisters of charity at the St. Johannis hospital at Bonn, tr. from [Erinnerungen an Amalie von Lasaulx].* Amalie von Lasaulx,1880 **Christians in Egypt : Orthodox,**

Agronomique Canadien ,1923 **Deans of Women and the Feminist Movement** K. Sartorius,2014-12-10 This book

explores how deans of women actively fostered feminism in the mid twentieth century through a study of the career of Dr Emily Taylor the University of Kansas dean of women from 1956 1974 Sartorius links feminist activism by deans of women with labor activism the New Left movement and the later rise of women s studies as a discipline Serving in Coordination and Washing in Love Witness Lee,2025-03-11 How can we be useful and effective in our service to the Lord We all love the Lord but the fruit of our work may not be rich because we lack coordination with others The book of Ephesians uses two phrases many times in spirit and in love We have seen that we need to be in spirit in order to have genuine coordination but we must also see the importance of love When we are in spirit we can conduct ourselves in love However if we emphasize being in spirit but do not emphasize being in love we will not be able to be adjusted in relation to our flesh and our self Conducting ourselves in love is a limitation to our flesh and our self The ability to know whether we are in the self or in the flesh depends on whether we conduct ourselves in love In John 13 we see an indication of the Lord s love His foot washing The Gospel of John speaks of foot washing in love bearing fruit in love and oneness in love In order to bear fruit we must love one another and it is difficult to arrive at a genuine love for one another apart from spiritual foot washing Genuine oneness is in foot washing in love This is our need today *The Official Catholic Directory and Clergy List* ,1907
