The bestselling author of *Shakey* Neil Young s Biography presents the first in depth biography of the legendary soul singer Al Green Al Green has blessed listeners with some of the biggest hits of the past fifty years Love and Happiness I m Still in Love with You Let s Get Married and I m Tired of Being Alone are but a sampling of the iconic songs that led a generation to embrace love in perhaps the most tumultuous period in this country s history an unparalleled body of work that has many calling Green one of the greatest soul singers of all time The music legend has sold over 20 million albums and been sampled by numerous rappers and even President Obama has been known to sing a chorus or two The now Bishop Green is without a doubt one of the most beloved yet inscrutable figures ever to grace the popular music stage and he has managed to magically sidestep being successfully scrutinized in print Until now Acclaimed journalist and author Jimmy McDonough expertly tackles this most elusive of subjects and aims to present readers with the definitive portrait of a man everyone knows but few understand McDonough

manages to break through Green's joyous veneer to reveal the contrary tortured and solitary individual beneath a man who spent decades dancing an uneasy tightrope between the sacred and the profane. From his childhood in the backwaters of Arkansas to commanding the stage in front of throngs of lusting fans to addressing a very different audience from the pulpit of his own church, readers will bear witness to the creation of some of the most electrifying soul music ever recorded. Learn the hitherto untold real story behind Green's colorful down-home Memphis label Hi Records and by way of countless in-depth interviews with major players in the story, some speaking for the very first time, unravel one of the last great mysteries in popular music.

The miners, soldiers, gamblers, entrepreneurs, and lost souls who populate these pages are limned with Harte's unique combination of dry wit and tender pathos.
